Title: Authorizing Grazing Use (43 CFR subparts 4110 and 4130).

Forms:

- Form 4130–1, Grazing Schedule, Grazing Application;
- Form 4130–1a, Grazing Preference Transfer Application and Preference Application (Base Property Preference Attachment and Assignment);

OMB Control Number: 1004–0041.

Abstract: The Taylor Grazing Act (43 U.S.C. 315–315n) and Subchapters III and IV of the Federal Land Policy and Management Act (43 U.S.C. 1731–1753)

authorize the BLM to manage domestic livestock grazing on public lands consistent with land use plans, the principles of multiple use and sustained yield, environmental values, economic considerations, and other relevant factors. In order to meet those goals, it is necessary to collection information on matters such as permittee and lessee qualifications for a grazing permit or lease, base property used in conjunction with public lands, and the actual use made by livestock authorized to graze on the public lands.

Frequency of Collection: The BLM collects the information on Forms 4130–1, 4130–1a, 4130–1b, and 4130–4 on occasion. The BLM collects the information on Forms 4130–3a and 4130–5 annually. Responses are required in order to obtain or retain a benefit.

Estimated Number and Description of Respondents: Any U.S. citizen or validly licensed business may apply for a BLM grazing permit or lease. The BLM administers nearly 18,000 permits and leases for grazing domestic livestock, mostly cattle and sheep, at least part of the year on public lands. Permits and leases generally cover a 10-year period and are renewable if the BLM determines that the terms and conditions of the expiring permit or lease are being met.

Estimated Reporting and Recordkeeping “Hour” Burden: 33,810 responses and 7,811 hours annually. The following table details the individual components and respective hour burdens of this information collection request:

Actual Grazing Use Report (43 CFR 4130.3–2(d)) Form 4130–5	15,000	15	3,750

Estimated Annual Reporting and Recordkeeping "Non-Hour Cost"
Burden: \$30,000.

60-Day Notice: As required in 5 CFR 1320.8(d), the BLM published a 60-day notice in the **Federal Register** on January 25, 2011 (76 FR 4369), soliciting comments from the public and other interested parties. The comment period closed on March 28, 2010. The BLM received one comment. The comment was a general invective about the Federal government, the Department of the Interior, and the BLM. It did not address, and was not germane to, this information collection. Therefore, we have not changed the information collection in response to the comment.
