19. The Agreement and the Order shall apply to and be binding upon Viking and each of its successors and/or assigns.

20. The Commission issues the Order under the provisions of the CPSC, and a violation of the Order may subject Viking and each of its successors and/or assigns to appropriate legal action.

21. The Agreement may be used in interpreting the Order. Understandings, agreements, representations or interpretations apart from those contained in the Agreement and the Order may not be used to vary or contradict their terms. The Agreement shall not be waived, amended, modified or otherwise altered without written agreement thereto executed by the party against whom such waiver, amendment,
