

except as otherwise permitted by that subsection, the Commission “shall not disclose any information, including information provided by a whistleblower to the Commission, which could reasonably be expected to reveal the identity of a whistleblower.” Such information may be disclosed by the Commission under Section 21F(h)(2)(A) to those entities identified in Section 21F(h)(2)(D)(i), 15 U.S.C. 78u-6(h)(2)(D)(i), “when necessary to accomplish the purposes of [the Securities Exchange Act] and to protect investors.” Otherwise, such information may be disclosed by the Commission only in accordance with the provisions of the Privacy Act of 1974, 5 U.S.C. 552a, “unless and until required to be disclosed to a defendant or respondent in connection with a public proceeding instituted by the Commission or any entity described in [Section 21F(h)(2)(D)(i)].”

Whistleblower identifying information may be disclosed by the Commission to the following entities listed in Section 21F(h)(2)(D)(i): The Attorney General of the United States; an appropriate regulatory authority; a self-regulatory organization; a State attorney general in connection with any criminal investigation; any appropriate State regulatory authority; the Public Company Accounting Oversight Board; a foreign securities authority; or a foreign law enforcement authority. Domestic entities to which the Commission discloses such information “shall maintain such information as confidential in accordance with the requirements established under [Section 21F(h)(2)(A).” Section 21F(h)(2)(D)(ii)(I), 15 U.S.C. 78u-6(h)(2)(D)(ii)(I). Foreign securities authorities and foreign law enforcement authorities to which the Commission discloses such information “shall maintain such information in accordance with such assurances of confidentiality as the Commission determines appropriate.” Section 21F(h)(2)(D)(ii)(II), 15 U.S.C. 78u-6(h)(2)(D)(ii)(II).

The Commission is delegating authority to the Director of the Division of Enforcement to disclose whistleblower identifying information to the entities described in Section 21F(h)(2)(D), in accordance with the restrictions of Section 21F(h)(2)(A) and (D). The delegation will increase investor protection by facilitating administration of the whistleblower award program and the investigations and actions by those agencies and authorities that may receive whistleblower identifying information pursuant to this delegation.

Administrative Law Matters

The Commission finds, in accordance with the Administrative Procedure Act (“APA”) (5 U.S.C. 553(b)(3)(A)), that this amendment relates solely to agency organization, procedure, or practice and does not relate to a substantive rule. Accordingly, the provisions of the APA regarding notice of the proposed rulemaking, opportunities for public participation, and publication of the amendment prior to its effective date, 5 U.S.C. 553, are not applicable. For the same reason, and because this amendment does not substantively affect the rights or obligations of non-agency parties, the provisions of the Small Business Regulatory Enforcement Fairness Act, 5 U.S.C. 804(3)(C), are not applicable. Additionally, the provisions of the Regulatory Flexibility Act, which apply only when notice and comment are required by the APA or other law, 5 U.S.C. 603, are not applicable. Further, because the amendment imposes no new burdens on parties in investigations, the Commission does not believe it will have any anti-competitive effects for purposes of Section 23(a)(2) of the Securities Exchange Act, 15 U.S.C. 78w(a)(2). Finally, this amendment does not contain any collection of information requirements as defined by the Paperwork Reduction Act of 1980, as amended. Accordingly, the amendment is effective July 7, 2011.

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of reopening of rebuttal comment period.

SUMMARY: The Department of Commerce (“the Department”) is reopening the public comment period for the submission of rebuttal comments on the Interim Final Rule on Certification of Factual Information to Import Administration During Antidumping and Countervailing Duty Proceedings due to recent technical difficulties with filing comments on the Federal eRulemaking Portal (“Portal”).

DATES: The submission period for public rebuttal comments is reopened through July 14, 2011.

ADDRESSES: All rebuttal comments must be submitted through the Portal at <http://www.regulations.gov>, Docket No. ITA-2010-0007, unless the commenter does not have access to the Internet. The Department will consider all rebuttal comments received before the close of the reopened comment period.

The Department will not accept rebuttal comments accompanied by a request that part or all of the material be treated confidentially because of its business proprietary nature or for any other reason. All comments will be a matter of public record and will be available for inspection at Import Administration's Central Records Unit (Room 7046 of the Herbert C. SUPPLEMENTARY INFORMATION: The Interim Final Rule for the Certification of Factual Information to Import Administration During Antidumping and Countervailing Duty Proceedings ("Interim Final Rule") published on February 10, 2011 (76 FR 7491). In the notice announcing the Interim Final Rule, the Department stated that comments would be accepted until May 11, 2011 and rebuttal comments until June 27, 2011. Due to technical difficulties with the Portal, several interested parties were unable to submit their rebuttal comments within the established rebuttal comment filing period.

Based on these circumstances, the Department is reopening the rebuttal period through July 14, 2011, to provide interested parties an opportunity to file their rebuttal comments. The Department will accept rebuttal comments filed no later than July 14, 2011 and does not intend to consider any further extensions to the rebuttal comment period. The Department requests that those parties who previously submitted rebuttal comments refile their rebuttal comments during this period to ensure that the Department receives all rebuttal comments. The Department notes that the established period for submitting affirmative comments ended May 11, 2011 and was not extended. As such, this notice serves to extend the period for submission of rebuttal comments only; any new affirmative comments will not be accepted by the Department.
