Seamless Refined Copper Pipe and Tube From Mexico: Notice of Initiation of Antidumping Duty New Shipper Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (the Department) has received a request for a new shipper review of the antidumping duty order on seamless refined copper pipe and tube (copper pipe and tube) from Mexico. *See Seamless Refined Copper Pipe and Tube From Mexico and the People's Republic of China: Antidumping Duty Orders and Amended Final Determination of Sales at Less Than Fair Value From Mexico*, 75 FR 71070 (November 22, 2010) (*Order*). In accordance with section 751(a)(2)(B) of the Tariff Act of 1930, as

amended (the Act), and 19 CFR 351.214(d), the Department is initiating an antidumping duty new shipper review of GD Affiliates S.de R.L. de C.V. (GD). The period of review (POR) of this new shipper review is November 22, 2010, through April 30, 2011.

DATES: *Effective Date:* July 7, 2011.

FOR FURTHER INFORMATION CONTACT:

Dennis McClure or Christopher Hargett, AD/CVD Operations, Office 3, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230, *telephone:* (202) 482-5973 or (202) 482-4161, respectively.

SUPPLEMENTARY INFORMATION:

Background

On November 22, 2010, the Department published the antidumping duty order on copper pipe and tube from Mexico. *See Order*. Thus, the order on copper pipe and tube from Mexico has a May semi-annual anniversary month. On May 31, 2011, the Department received a request for a new shipper review from GD in accordance with 19 CFR 351.214(c). In its request for a review, GD identified itself as a producer and exporter of the subject merchandise. For the purpose of initiating this new shipper review, the Department determines that GD's submission was timely filed.

Pursuant to the requirements set forth in section 751(a)(2)(B)(i) of the Act and 19 CFR 351.214(b)(2), GD certified that (1) it did not export subject merchandise to the United States during the period of investigation (POI) (*see* section 751(a)(2)(B)(i)(I) of the Act and 19 CFR 351.214(b)(2)(i)); and (2) since the initiation of the investigation, it has never been affiliated with any company that exported subject merchandise to the United States during the POI, including those companies not individually examined during the investigation (*see* section 751(a)(2)(B)(i)(II) of the Act and 19 CFR 351.214(b)(2)(iii)(A)). Additionally, in accordance with 19 CFR 351.214(b)(2)(iv), GD submitted documentation establishing the following: (1) The date on which it first shipped subject merchandise to the United States; (2) the volume of its first shipment; and (3) the date of its first sale to an unaffiliated purchaser for exportation to the United States. GD also stated it had shipments to the United States during the period subsequent to its first shipment.

Initiation of Review

Based on information on the record and in accordance with section

751(a)(2)(B) of the Act, and 19 CFR 351.214(d), we find that the request submitted by GD meets the statutory and regulatory requirements for initiation of a new shipper review. *See* Memorandum to the File, through Melissa Skinner, Office Director, Office 3, AD/CVD Operations, from Christopher Hargett, Case Analyst, Office 3, AD/CVD Operations, regarding "Initiation of AD New Shipper Review: Seamless Refined Copper Pipe and Tube from Mexico (A-201-838)," dated June 28, 2011. Accordingly, we are initiating a new shipper review of the antidumping duty order on copper pipe and tube from Mexico exported by GD, for the period November 22, 2010, through April 30, 2011. We intend to issue the preliminary results of this review no later than 180 days after the date on which this review is initiated, and the final results within 90 days after the date on which we issue the preliminary results. *See* section 751(a)(2)(B)(iv) of the Act and 19 CFR 351.214(h)(i).

We will instruct U.S. Customs and Border Protection (CBP) to allow, at the option of the importer, the posting, until the completion of the review, of a bond or security in lieu of a cash deposit for certain entries of the subject merchandise exported by GD in accordance with section 751(a)(2)(B)(iii) of the Act and 19 CFR 351.214(e). Because GD certified that it exports the subject merchandise, the sale of which forms the basis for its new shipper review request, we will instruct CBP to permit the use of a bond only for entries of subject merchandise which GD exported.

Interested parties may submit applications for disclosure under administrative protective order in accordance with 19 CFR 351.305 and 351.306.

This initiation and this notice are issued and published in accordance with section 751(a)(2)(B) of the Act and 19 CFR 351.214 and 351.221(c)(1)(i).

Dated: June 28, 2011.

Christian Marsh,

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

Certain Activated Carbon From the People's Republic of China: Notice of Partial Rescission of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

DATES: *Effective Date:* July 7, 2011.

FOR FURTHER INFORMATION CONTACT: Catherine Bertrand, AD/CVD Operations, Office 9, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone—(202) 482–3207.

Background

On May 27, 2011, the Department of Commerce (“Department”) published in the **Federal Register** a notice of initiation of an administrative review of the antidumping duty order on certain activated carbon from the People's Republic of China (“PRC”) covering the period April 1, 2010, to March 31, 2011. *See Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 76 FR 30912, 30913 (May 27, 2011) (“*Initiation Notice*”).

On June 10, 2011, Petitioners¹ withdrew their request for an administrative review for the following companies: Calgon Carbon (Tianjin) Co., Ltd. (“CCT”) and Ningxia Huahui Activated Carbon Co., Ltd. (“Huahui”). On June 10, 2011, Huahui withdrew its request for a review of itself that was originally submitted on April 29, 2011. Then, on June 10, 2011, Albemarle Corporation (“Albemarle”), a company we previously determined to be a wholesaler of the domestic-like product, withdrew its request for review of CCT previously submitted on April 29, 2011. Likewise, on June 15, 2011, CCT withdrew its request for a review of itself originally submitted on April 29, 2011.

¹ Petitioners are Calgon Carbon Corporation & Norit Americas Inc., collectively.

Partial Rescission

Pursuant to 19 CFR 351.213(d)(1), the Secretary will rescind an administrative review, in whole or in part, if a party who requested the review withdraws the request within 90 days of the date of publication of notice of initiation of the requested review. The aforementioned requests for review were withdrawn within the 90-day period. Because the requests for review were timely withdrawn and because no other party requested a review of the aforementioned companies, in accordance with 19 CFR 351.213(d)(1), we are partially rescinding this review with respect to CCT and Huahui.

Assessment Rates

The Department will instruct U.S. Customs and Border Protection (“CBP”) to assess antidumping duties on all appropriate entries. Both CCT and Huahui have a separate rate from a prior segment of this proceeding; therefore, antidumping duties shall be assessed at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(2). Accordingly, the Department intends to issue appropriate assessment instructions directly to CBP 15 days after publication of this notice for CCT and Huahui.

Notification to Importers

This notice serves as a final reminder to importers for whom this review is being rescinded, as of the publication date of this notice, of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of the antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification Regarding Administrative Protective Orders

This notice also serves as a reminder to parties subject to administrative protective orders (“APO”) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305, which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return/destruction of APO materials or conversion to judicial
