Polyethylene Terephthalate Film, Sheet and Strip From India: Rescission, in Part, of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

DATES: *Effective Date:* July 7, 2011.

FOR FURTHER INFORMATION CONTACT: Elfi Blum, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; *telephone:* (202) 482-0197.

Background

On July 1, 2010, the Department of Commerce (Department) published a notice of opportunity to request an administrative review of the antidumping duty order on polyethylene terephthalate film, sheet and strip from India covering the period July 1, 2009, through June 30, 2010. *See Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation; Opportunity to Request an Administrative Review*, 75 FR 38074 (July 1, 2010). The Department received a request for review from two companies, Ester Industries Limited (Ester) and SRF Limited (SRF). On August 31, 2010, the Department published a notice of initiation of administrative review with respect to Ester and SRF. *See Initiation of Antidumping and Countervailing Duty Administrative Reviews and Deferral of Initiation of Administrative Review*, 75 FR 53274 (August 31, 2010). On October 1, 2010, SRF withdrew its request for an administrative review.

Partial Rescission

Pursuant to 19 CFR 351.213(d)(1), the Secretary will rescind an administrative review, in whole or in part, if a party who requested the review withdraws the request within 90 days of the date of publication of notice of initiation of the requested review. SRF's request was submitted within the 90-day period and, thus, is timely. Because SRF's withdrawal of request for review is timely and because no other party requested a review of SRF, in accordance with 19 CFR 351.213(d)(1), we are rescinding this review with respect to SRF.

Assessment

The Department will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on all appropriate entries. SRF shall be assessed antidumping duties at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). The Department intends to issue appropriate assessment instructions to CBP within 15 days of publication of this notice.

Notification to Importers

This notice serves as a reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping and/or countervailing duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping and/or countervailing duties occurred and the subsequent assessment of doubled antidumping duties.

Notification Regarding Administrative Protective Orders

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305, which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

This notice is issued and published in accordance with section 777(i)(1) of the Tariff Act of 1930, as amended, and 19 CFR 351.213(d)(4).

Dated: June 29, 2011.

Christian Marsh,

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

Polyethylene Terephthalate Film, Sheet and Strip From India: Rescission, in Part, of Countervailing Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

DATES: *Effective Date:* July 7, 2011.

FOR FURTHER INFORMATION CONTACT: Toni Page, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; *telephone:* (202) 482-1398.

Background

On July 1, 2010, the Department of Commerce (Department) published a notice of opportunity to request an administrative review of the countervailing duty order on polyethylene terephthalate film, sheet and strip from India covering the period January 1, 2009, through December 31, 2009. *See Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation; Opportunity to Request an Administrative Review*, 75 FR 38074 (July 1, 2010). The Department received a request for review from two companies, Ester Industries Limited (Ester) and SRF Limited (SRF). On August 31, 2010, the Department published a notice of initiation of administrative review with respect to Ester and SRF. *See Initiation of Antidumping and Countervailing Duty Administrative Reviews and Deferral of Initiation of Administrative Review*, 75 FR 53274 (August 31, 2010). On October 1, 2010, SRF withdrew its request for an administrative review.

Partial Rescission

Pursuant to 19 CFR 351.213(d)(1), the Secretary will rescind an administrative review, in whole or in part, if a party who requested the review withdraws the request within 90 days of the date of publication of notice of initiation of the requested review. SRF's request was submitted within the 90-day period and, thus, is timely. Because SRF's withdrawal of request for review is timely and because no other party requested a review of SRF, in accordance with 19 CFR 351.213(d)(1), we are rescinding this review with respect to SRF.

Assessment

The Department will instruct U.S. Customs and Border Protection (CBP) to assess countervailing duties on all appropriate entries. SRF shall be assessed countervailing duties at rates equal to the cash deposit of the estimated countervailing duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). The Department intends to issue appropriate assessment instructions directly to CBP within 15 days of publication of this notice.

Notification Regarding Administrative Protective Orders

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305, which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

This notice is issued and published in accordance with section 777(i)(1) of the Tariff Act of 1930, as amended, and 19 CFR 351.213(d)(4).

Dated: June 29, 2011.

Christian Marsh,

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

RIN 0648-XA537

Endangered and Threatened Species; Take of Anadromous Fish

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Issuance of three scientific research permits.

SUMMARY: Notice is hereby given that NMFS has issued Permit 15548 to T.R. Payne and Associates, Permit 14419 to the Sonoma County Water Agency, and Permit 16115 to URS Corporation.

ADDRESSES: The approved application for each permit is available on the Applications and Permits for Protected Species (APPS), <https://apps.nmfs.noaa.gov> Web site by searching the permit number within the Search Database page. The applications, issued permits and supporting documents are also available upon written request or by appointment: Protected Resources Division, NMFS, 777 Sonoma Avenue, Room 325, Santa Rosa, California 95404 (*ph*: (707) 575-6097, *fax*: (707) 578-3435).

FOR FURTHER INFORMATION CONTACT: Jeffrey Jahn at 707-575-6097, or *e-mail*: Jeffrey.Jahn@noaa.gov.

SUPPLEMENTARY INFORMATION:

Authority

The issuance of permits and permit modifications, as required by the Endangered Species Act of 1973 (16 U.S.C. 1531-1543) (ESA), is based on a finding that such permits/modifications: (1) Are applied for in good faith; (2) would not operate to the disadvantage of the listed species which are the subject of the permits; and (3) are consistent with the purposes and policies set forth in section 2 of the ESA. Authority to take listed species is subject to conditions set forth in the permits. Permits and modifications are issued in accordance with and are subject to the ESA and NMFS regulations (50 CFR parts 222-226) governing listed fish and wildlife permits.

Species Covered in This Notice

This notice is relevant to federally endangered Central California Coast coho salmon (*Oncorhynchus kisutch*), threatened California Coastal Chinook salmon (*O. tshawytscha*), and threatened Central California Coast steelhead (*O. mykiss*).

Permits Issued

Permit 15548

A notice of the receipt of an application for a scientific research permit (15548) was published in the **Federal Register** on December 8, 2010 (75 FR 76400). Permit 15548 was issued to T.R. Payne and Associates on March 21, 2011.

Permit 15548 authorizes capture by backpack electrofishing, handling (measuring), and release of juvenile Central California Coast (CCC) steelhead. Permit 15548 authorizes unintentional lethal take of: juvenile CCC steelhead not to exceed 3 percent of the total number of fish captured. Permit 15548 does not authorize any lethal take of adult CCC steelhead.

Permit 15548 is for research to be conducted in Suisun Creek, Green Valley Creek, and Ledgewood Creek in Solano and Napa counties in California. The purpose of the project is to collect data in these watersheds to monitor the distribution, relative abundance and diversity of the fish populations and to describe the existing habitat conditions. Permit 15548 expires on December 31, 2021.

Permit 14419

A notice of the receipt of an application for a scientific research permit (14419) was published in the **Federal Register** on February 15, 2011 (76 FR 8713). Permit 14419 was issued to the Sonoma County Water Agency on April 25, 2011.

Permit 14419 authorizes the Sonoma County Water Agency (SCWA) to take adult and juvenile California Coastal (CC) Chinook salmon, adult and juvenile Central California Coast (CCC) coho salmon, and adult and juvenile CCC steelhead associated with five research projects in the Russian River watershed in central California. The goal is to detect and depict trends in ESA-listed salmonid populations in the Russian River watershed and to monitor the results of salmonid habitat enhancement efforts in this watershed.

Under Permit 14419, authorized researched methods include downstream-migrant trapping (rotary screw traps, fyke nets, and pipe/funnel nets), electrofishing (backpack and boat), beach seining, fin-clipping, scale sampling, passive integrated transponder (PIT) tagging, acoustic/radio telemetry, gastric lavage, otolith extraction, and anesthetizing and handling fish. Permit 14419 does not authorize any intentional lethal take of ESA-listed salmonids. Permit 14419 authorizes unintentional lethal take of ESA-listed salmonids associated with research activities not to exceed three percent of the annual total expected take for each species and life-stage. Permit 14419 expires on December 31, 2021.

Permit 16115

A notice of the receipt of an application for a scientific research permit (16115) was published in the **Federal Register** on March 22, 2011 (76 FR 15946). Permit 16115 was issued to URS Corporation on June 3, 2011.

Permit 16115 authorizes capture by backpack electrofishing, handling (measuring), and release of juvenile Central California Coast (CCC) steelhead. Permit 16115 authorizes unintentional lethal take of juvenile CCC steelhead not to exceed four percent of the total number of fish
