SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-64860; File No. SR-NYSE-2011-32]

Self-Regulatory Organizations; New York Stock Exchange LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Extending the Operative Date of NYSE Rule 92(c)(3) From August 1, 2011 to September 12, 2011

July 12, 2011.

Pursuant to Section 19(b)(1)¹ of the Securities Exchange Act of 1934 (the "Act")² and Rule 19b-4 thereunder,³ notice is hereby given that July 1, 2011, New York Stock Exchange LLC ("NYSE" or the "Exchange") filed with the Securities and Exchange Commission (the "Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to extend the operative date of NYSE Rule 92(c)(3) from August 1, 2011 to September 12, 201 [sic]. The text of the proposed rule

change is available at the Exchange, the Commission's Public Reference Room, on the Commission's Web site at <http://www.sec.gov>, and <http://www.nyse.com>.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange is proposing to extend the delayed operative date of NYSE Rule 92(c)(3) from August 1, 2011 to September 12, 2011. The Exchange believes that this extension will provide the time necessary for the Exchange and the Financial Industry Regulatory Authority, Inc. ("FINRA") to harmonize their respective rules concerning customer order protection to achieve a standardized industry practice.

Background

On July 5, 2007, the Commission approved amendments to NYSE Rule 92 to permit riskless principal trading at the Exchange.⁴ These amendments were filed in part to begin the harmonization process between Rule 92 and FINRA's Manning Rule.⁵ In connection with those amendments, the Exchange implemented for an operative date of January 16, 2008, NYSE Rule 92(c)(3), which permits Exchange member organizations to submit riskless principal orders to the Exchange, but requires them to submit to a designated Exchange database a report of the execution of the facilitated order. That rule also requires members to submit to that same database sufficient information to provide an electronic link of the execution of the facilitated order to all of the underlying orders.

For purposes of NYSE Rule 92(c)(3), the Exchange informed member

organizations that when executing riskless principal transactions, firms must submit order execution reports to the Exchange's Front End Systemic Capture ("FESC") database linking the execution of the riskless principal order on the Exchange to the specific underlying orders. The information provided must be sufficient for both member firms and the Exchange to reconstruct in a time-sequenced manner all orders, including allocations to the underlying orders, with respect to which a member organization is claiming the riskless principal exception.

Because the rule change required both the Exchange and member organizations to make certain changes to their trading and order management systems, the NYSE filed to delay to May 14, 2008 the operative date of the NYSE Rule 92(c)(3) requirements, including submitting end-of-day allocation reports for riskless principal transactions and using the riskless principal account type indicator.⁶ The Exchange filed for additional extensions of the operative date of Rule 92(c)(3), the most recent of which was an extension to August 1, 2011.⁷

Request for Extension⁸

FINRA and the Exchange have been working diligently on fully harmonizing their respective rules. On December 10, 2009, FINRA filed with the Commission its rule proposal to adopt a new industry standard for customer order protection as proposed FINRA Rule 5320.⁹ On February 11, 2011, the Commission approved FINRA Rule 5320.¹⁰ In order to provide time to implement programming changes associated with the proposed new rule, FINRA Rule 5320 becomes effective on September 12, 2011.¹¹ The Exchange intends to file a proposed rule change to

adopt rule text that is substantially similar to FINRA Rule 5320 and implement it on the same date as FINRA.

The Exchange continues to believe that pending full harmonization of the respective customer order protection rules, it would be premature to require firms to meet the current Rule 92(c)(3) FESC reporting requirements.¹² Indeed, having differing reporting standards for riskless principal orders would be inconsistent with the overall goal of the harmonization process. Accordingly, the Exchange is proposing to delay the operative date for NYSE Rule 92(c)(3) from August 1, 2011 to September 12, 2011.

During that period, the Exchange will continue to require that, as of the date each member organization implements riskless principal routing, the member organization have in place systems and controls that allow them to easily match and tie riskless principal execution on the Exchange to the underlying orders and that they be able to provide this information to the Exchange upon request. To make clear that this requirement continues, the Exchange proposes to amend supplementary material .95 to Rule 92 to specifically provide that the Rule 92(c)(3) reporting requirements are suspended until September 12, 2011 and that member organizations are required to have in place such systems and controls relating to their riskless principal executions on the Exchange. Moreover, the Exchange will coordinate with FINRA to examine for compliance with the rule requirements for those firms that engage in riskless principal trading under Rule 92(c).

2. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Securities Exchange Act of 1934 (the "Act"),¹³ in general, and furthers the objectives of Section 6(b)(5) of the Act,¹⁴ in particular, in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest. The Exchange believes the proposed extension provides the Exchange and FINRA the time necessary to develop a harmonized rule

concerning customer order protection that will enable member organizations to participate in the national market system without unnecessary impediments.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, if consistent with the protection of investors and the public interest, it has become effective pursuant to Section 19(b)(3)(A) of the Act¹⁵ and Rule 19b-4(f)(6) thereunder.¹⁶

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

¹⁵ 15 U.S.C. 78s(b)(3)(A).

¹⁶ 17 CFR 240.19b-4(f)(6). In addition, Rule 19b-4(f)(6)(iii) requires the self-regulatory organization to submit to the Commission written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-64858; File No. SR-NASDAQ-2011-094]

Self-Regulatory Organizations; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Amend Rule 7034 To Extend the Waiver of Certain Co-Location Installation Fees for an Additional Month

July 12, 2011.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on July 1, 2011, The NASDAQ Stock Market LLC ("NASDAQ" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend Rule 7034 to extend the waiver of fees assessed for the installation of certain co-location services for an additional month. The text of the proposed rule change is available at <http://nasdaq.cchwallstreet.com/>, at the Exchange's principal office, at the Commission's Public Reference Room, and at the Commission's Web site at <http://www.sec.gov>.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend Rule 7034 to extend for a one-month period the initial waiver of fees assessed for the installation of certain co-location services, in order to provide its existing and potential new customers a full opportunity to avail themselves of the waiver. The initial waiver of fees for the installation of certain co-location services commenced June 1, 2011 and ended June 30, 2011.³ Since the initial waiver, there has been significant demand for the select co-location services by existing customers, as well as new customers. However, the Exchange has become aware that a significant number of new and existing customers are unable to complete their requests by June 30, 2011 due to the need for additional time to order new equipment to be housed in the cabinets, or, to complete the internal approval process for the ongoing monthly fees that will be incurred as part of the service. Therefore, the Exchange proposes to extend the waiver of fees until July 29, 2011 (the "extended period"). Beginning August 1, 2011, the above-referenced waived fees will revert to the amount in effect prior to June 1, 2011. The Exchange proposes to extend the waiver of the following installation fees during the extended period:

1. Rule 7034(a): installation fees for new cabinets with power.

2. Rule 7034(b): installation fees for external telecommunication, inter-cabinet connectivity, connectivity to NASDAQ and market data connectivity related to an order for a new cabinet. However, the one-time telecommunication connectivity expedite fee⁴ will not be waived during the extended period.

3. Rule 7034(c): installation fees for cabinet power related to an order for a new cabinet.

4. Rule 7034(d): installation fees for cooling fans, perforated floor tiles and fiber downspouts, which are necessary items to support a higher density cabinet and fiber cross connects, relating to an order for a new cabinet placed during the extended period. Installation fees for other items that are
