VA plans to match records of veterans, surviving spouses and children who receive pension, and parents who receive DIC, with IRS income tax return information and Federal Tax Information (FTI) as it relates to earned income. VA will also match records of veterans receiving disability compensation at the 100 percent rate based on unemployability with IRS income tax return information as it relates to earned income.

VA will use this information to adjust VA benefit payments as prescribed by law. The proposed matching program will enable VA to ensure accurate reporting of income and employment status.
