

Are there examples since the release of the *Adelphia Order* involving the withholding of an RSN and what impact has this had on the MVPD marketplace? Further, has there been a change in the number of exclusive deals involving MVPDs and unaffiliated RSNs since the release of the *Adelphia Order*?

9. Moreover, the Media Bureau seeks comment on the access of MVPDs, other than the Applicants, to RSN programming in which the Applicants hold an interest. The Bureau also requests comment on whether unaffiliated RSNs have obtained carriage on the Applicants' cable systems and on what terms. Finally, the Bureau asks for comment on the Applicants' compliance with the *Adelphia Order*'s RSN conditions, the dispute resolution process and the effectiveness of these remedies. Do such conditions continue to be necessary in light of marketplace and regulatory changes since the time of their adoption?
