

burden associated with amending Form MA-T is 500 hours. Therefore, the total annual burden associated with completing and amending Form MA-T is 3,000 hours.

The Commission believes that some municipal advisors will seek outside counsel to help them comply with the requirements of Rule 15Ba2-6T and Form MA-T, and assumes that each of the 1,000 municipal advisors will consult outside counsel for one hour for this purpose. The hourly rate for an attorney is \$400, according to the Securities Industry and Financial Markets Association's publication titled *Management & Professional Earnings in the Securities Industry 2009*, as modified by Commission staff to account for an 1,800 hour work year and multiplied by 5.35 to account for bonuses, firm size, employee benefits and overhead. The Commission estimates the total cost for all 1,000 municipal advisors to hire outside counsel to review their compliance with the requirements of Rule 15Ba2-6T and Form MA-T to be approximately \$400,000.

amendment represents Amendment No. 25 to the Plan and proposes to permit ministerial amendments to the Plans under the signature of the Chairman of the Nasdaq/UTP Plan Operating Committee. The Commission is publishing this notice to solicit comments from interested persons on the proposed Amendment.

I. Rule 608(a)

A. Purpose of the Amendments

Currently, Section XVI of the Nasdaq/UTP Plan requires each Participant to execute most amendments to the Plan before they can submit Plan amendments to the Commission. This can result in delays and unwarranted administrative functioning in the context of certain amendments that are of a purely ministerial nature. For that reason, the Participants propose to amend the Plan to permit the submission of Plan amendments to the Commission under the signature of the Chairman of the Nasdaq/UTP Plan Operating Committee, in lieu of signatures from each Participant.

The categories of ministerial Plan amendments that the Participants may submit under the signature of the Chairman include amendments to the Plan that pertain solely to any one or more of the following:

- (1) Admitting a new Participant into the Plan;
- (2) Changing the name or address of a Participant;
- (3) Incorporating a change that the Commission has implemented by rule and that requires no conforming language to the text of the Plan (e.g., the Commission rule establishing the Advisory Committee);
- (4) Incorporating a change (i) That the Commission has implemented by rule, (ii) that requires conforming language to the text of the Plan (e.g., the Commission rule amending the revenue allocation formula), and (iii) that a majority of all Participants has voted to approve; and
- (5) Incorporating a purely technical change, such as correcting an error or an inaccurate reference to a statutory provision, or removing language that has become obsolete (e.g., language regarding ITS).

The Participants believe that submission of these categories of ministerial amendments will improve the efficiency of the administration of the Plan and that the signature of each Participant provides no safeguards that are necessary or appropriate in the context of these categories of ministerial amendments.

B. Governing or Constituent Documents
Not applicable.

C. Implementation of Amendment

The Participants propose to implement the change upon Commission approval of the Amendment.

F. Written Understanding or Agreements Relating to Interpretation of, or Participation in, Plan

The Participants have no written understandings or agreements relating to interpretation of the Plans as a result of the amendment.
