Certain Lined Paper Products From the People's Republic of China: Notice of Court Decision Not in Harmony With Final Results of Administrative Review and Notice of Amended Final Results of Administrative Review Pursuant to Court Decision

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: On August 11, 2011, the United States Court of International Trade ("CIT") sustained the Department of Commerce's ("the Department's") results of redetermination as applied to Shanghai Lian Li Paper Products Co., Ltd. ("Lian Li") pursuant to the CIT's decision in *Association of American School Paper Suppliers v. United States*, Court No. 09-00163, Slip Op. 10-82 (July 27, 2010). See Final Results of Redetermination Pursuant to Remand, Court No. 09-00163, dated December 6, 2010 ("Remand Results"), and *Association of American School Paper Suppliers v. United States*, Court No. 09-00163, Slip Op. 11-101 (August 11, 2011). The Department is notifying the public that the final CIT judgment in this case is not in harmony with the Department's final determination and is amending the final results of the administrative review of the antidumping duty order on certain lined paper products ("CLPP") from the People's Republic of China ("PRC") covering the period of review ("POR") of April 17, 2006, through August 31, 2007, with respect to Lian Li.

DATES: *Effective Date:* August 22, 2011.

FOR FURTHER INFORMATION CONTACT: Victoria Cho, AD/CVD Operations, Office 3, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-5075.

SUPPLEMENTARY INFORMATION:**Background**

On April 14, 2009, the Department published its final results of the administrative review for CLPP from the PRC for the period April 17, 2006, through August 31, 2007. See *Certain Lined Paper Products From the People's Republic of China: Notice of Final Results of the Antidumping Duty Administrative Review*, 74 FR 17160 (April 14, 2009) ("*Final Results*").

On December 22, 2009, the Department published its amended final results of review. See *Notice of Amended Final Results of the Antidumping Duty Administrative Review of Certain Lined Paper Products From the People's Republic of China*, 74 FR 68036 (December 22, 2009) ("*Amended Final*").

AASPS challenged the Department's *Amended Final* at the CIT. On July 27, 2010, the CIT remanded the case for the Department to revisit its determination that the financial information for Sundaram Multi Pap Ltd. ("Sundaram") is the best information available to calculate surrogate financial values for Lian Li.

On December 6, 2010, the Department issued its final results of remand redetermination. See *Remand Results*. The Department continued to find that Sundaram's financial information constitutes the best available information on the record for calculating surrogate financial ratios. The Department also determined that, in the *Amended Final*, it had not identified the figures used to calculate the surrogate financial ratios, and had erroneously relied on actual values from the Sundaram Profit and Loss statement as opposed to dividing those values by the appropriate denominator to calculate the surrogate financial ratios. In the *Remand Results*, the Department calculated the surrogate financial ratios by dividing the actual values from the Sundaram Profit and Loss statement by the appropriate denominator. See *Remand Results* at 28. On August 11, 2011, the CIT affirmed the Department's *Remand Results*. See *Association of American School Paper Suppliers v. United States*, Court No. 09-00163, Slip Op. 11-101 (August 11, 2011).

Timken Notice

Consistent with the decision of the United States Court of Appeals for the Federal Circuit ("CAFC") in *Timken Co. v. United States*, 893 F.2d 337 (CAFC 1990) ("*Timken*"), as clarified by *Diamond Sawblades Mfrs. Coalition v. United States*, 626 F.3d 1374 (CAFC 2010), pursuant to section 516A(c) of the Tariff Act of 1930, as amended ("the Act") 19 U.S.C. 1516a(c), the Department must publish a notice of a court decision that is not "in harmony" with a Department determination and must suspend liquidation of entries pending a "conclusive" court decision. The CIT's judgment on August 11, 2011, sustaining the Department's *Remand Results* with respect to Lian Li constitutes a decision of that court that is not in harmony with the Department's *Amended Final*. This notice is

published in fulfillment of the publication requirements of *Timken*. Accordingly, the Department will continue the suspension of liquidation of the subject merchandise pending the expiration of the period of appeal or, if appealed, pending a final and conclusive court decision.

Amended Final Results

Because there is now a final court decision with respect to Lian Li, Lian Li's weighted-average dumping margin for the period April 1, 2006, through August 31, 2007, is 8.10 percent. In the event the CIT's ruling is not appealed or, if appealed, upheld by the CAFC, the Department will instruct U.S. Customs and Border Protection to assess antidumping duties on entries of the subject merchandise exported during the POR by Lian Li using the revised assessment rate calculated by the Department in the *Remand Results*.

This notice is issued and published in accordance with sections 516A(e)(1), 751(a)(1), and 777(i)(1) of the Act.

Dated: August 19, 2011.

Christian Marsh,

Acting Deputy Assistant Secretary for Import Administration.

Certain Pasta From Turkey: Extension of Time Limit for the Final Results of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

DATES: *Effective Date:* August 25, 2011.

FOR FURTHER INFORMATION CONTACT: Stephanie Moore or Cindy Robinson, AD/CVD Operations, Office 3, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Ave, NW., Washington, DC 20230; telephone: (202) 482-3692 or (202) 482-3797, respectively.

SUPPLEMENTARY INFORMATION:**Background**

On April 29, 2011, the Department of Commerce (the Department) published the preliminary results of the administrative review of the antidumping duty order on certain pasta from Turkey (pasta) for the period July

1, 2009, through June 30, 2010.¹ The final results of administrative review are currently due August 27, 2011.

Extension of Time Limit of Preliminary Results

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), requires that the Department issue final results within 120 days after the date on which the preliminary results are published. However, if it is not practicable to complete the review within this time period, section 751(a)(3)(A) of the Act allows the Department to extend the time period to a maximum of 180 days. Completion of the final results of the administrative review within the 120-day period is not practicable because the Department needs additional time to analyze complex issues regarding affiliation and knowledge of U.S. destination. Given the complexity of these issues, and in accordance with section 751(a)(3)(A) of the Act, we are extending the time period for issuing the final results of this review to 180 days. Therefore, the final results are now due no later than October 26, 2011.

We are publishing this notice pursuant to sections 751(a)(3)(A) and 777(i)(1) of the Act.

Dated: August 19, 2011.

Christian Marsh,

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.
