In accordance with Section 223 of the Trade Act of 1974, as amended ("Act"), 19 U.S.C. 2273, the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance on August 26, 2009, applicable to workers of Klaussner Furniture Industries, Inc., Plant #3,

Asheboro, North Carolina (TA-W-70,989) and Klaussner Furniture Industries, Inc., Plant #33, Asheboro, North Carolina (TA-W-70,989A). The Department's Notice was published in the **Federal Register** on November 5, 2009 (74 FR 57340).

At the request of a company official, the Department reviewed the certification for workers of the subject firm.

New information shows that the Milford, Iowa facility operates in conjunction with the Asheboro, North Carolina facilities. The Asheboro, North Carolina facilities supplied component parts for the Milford, Iowa facility in the assembly of furniture produced by the subject firm. Further, all workers at the Milford, Iowa facility experienced separations (total or partial), or the threat of such separations, and the subject firm's sales and production were impacted by an increase in imports of upholstered household goods.

Accordingly, the Department is amending the certification to include workers of the Milford, Iowa facility of Klaussner Furniture Industries, Inc.

The amended notice applicable to TA-W-70,989 is hereby issued as follows:

"All workers of Klaussner Furniture Industries, Inc., Plant #3, Asheboro, North Carolina (TA-W-70,989), who became totally or partially separated from employment on or after February 14, 2009, through two years from the date of certification, and all workers in the group threatened with total or partial separation from employment on the date of certification through two years from the date of certification, are eligible to apply for adjustment assistance under Chapter 2 of Title II of the Trade Act of 1974, as amended;" and

I. Section (a)(2)(A) all of the following must be satisfied:

A. A significant number or proportion of the workers in such workers' firm, or an appropriate subdivision of the firm, have become totally or partially separated, or are threatened to become totally or partially separated;

B. The sales or production, or both, of such firm or subdivision have decreased absolutely; and

II. Section (a)(2)(B) both of the following must be satisfied:

A. A significant number or proportion of the workers in such workers' firm, or an appropriate subdivision of the firm, have become totally or partially separated, or are threatened to become totally or partially separated;

Also, in order for an affirmative determination to be made for secondarily affected workers of a firm and a certification issued regarding eligibility to apply for worker adjustment assistance, each of the group eligibility requirements of Section 222(b) of the Act must be met.

(1) Significant number or proportion of the workers in the workers' firm or an appropriate subdivision of the firm have become totally or partially separated, or are threatened to become totally or partially separated;

(2) The workers' firm (or subdivision) is a supplier or downstream producer to a firm (or subdivision) that employed a group of workers who received a certification of eligibility to apply for trade adjustment assistance benefits and such supply or production is related to the article that was the basis for such certification; and

(3) Either—

(A) the workers' firm is a supplier and the component parts it supplied for the firm (or subdivision) described in paragraph (2) accounted for at least 20 percent of the production or sales of the workers' firm; or

In order for the Division of Trade Adjustment Assistance to issue a certification of eligibility to apply for Alternative Trade Adjustment Assistance (ATAA) for older workers, the group eligibility requirements of Section 246(a)(3)(A)(ii) of the Trade Act must be met.

Negative Determinations for Worker Adjustment Assistance and Alternative Trade Adjustment Assistance

In the following cases, the investigation revealed that the eligibility criteria for worker adjustment assistance have not been met for the reasons specified.

Because the workers of the firm are not eligible to apply for TAA, the workers cannot be certified eligible for ATAA.

Determinations Terminating Investigations of Petitions for Worker Adjustment Assistance

After notice of the petitions was published in the **Federal Register** and on the Department's Web site, as required by Section 221 of the Act (19 U.S.C. 2271), the Department initiated investigations of these petitions.

The following determinations terminating investigations were issued because the petitioner has requested that the petition be withdrawn.

TA-W-80,332; Chute Chemical Co., Bangor, ME.

The following determinations terminating investigations were issued because the petitioning groups of workers are covered by active certifications. Consequently, further investigation in these cases would serve no purpose since the petitioning group of workers cannot be covered by more than one certification at a time.

TA-W-80,339; Leased Workers From Manpower, Greenville, AL.

I hereby certify that the aforementioned determinations were issued during the period of August 15, 2011 through August 19, 2011. Copies of these determinations may be requested under the Freedom of Information Act. Requests may be submitted by fax, courier services, or mail to FOIA Disclosure Officer, Office of Trade Adjustment Assistance (ETA), U.S. Department of Labor, 200 Constitution Avenue, NW., Washington, DC 20210 or tofoiarequest@dol.gov.
