

**ENVIRONMENTAL PROTECTION  
AGENCY****[EPA-HQ-OPP-2009-1017; FRL-8889-7]****Product Cancellation Order for Certain  
Pesticide Registrations****AGENCY:** Environmental Protection  
Agency (EPA).**ACTION:** Notice.

**SUMMARY:** This notice announces EPA's order for the cancellations, voluntarily requested by the registrants and accepted by the Agency, of the products listed in Tables 1, 2, and 3 of Unit II., pursuant to section 6(f)(1) of the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended. This cancellation order follows an August 5, 2011 **Federal Register** Notice of Receipt of Requests from the registrants listed in Table 4 of Unit II. to voluntarily cancel these product registrations. In the August 5, 2011 notice, EPA indicated that it would issue an order implementing the cancellations, unless the Agency received substantive comments within the 30-day comment period that would merit its further review of these requests, or unless the registrants withdrew their requests. The Agency did not receive any comments on the notice. Further, the registrants

did not withdraw their requests. Accordingly, EPA hereby issues in this notice a cancellation order granting the requested cancellations. Any distribution, sale, or use of the products subject to this cancellation order is permitted only in accordance with the terms of this order, including any existing stocks provisions.

**DATES:** The cancellations are effective September 28, 2011.**FOR FURTHER INFORMATION CONTACT:**

### III. Summary of Public Comments Received and Agency Response to Comments

During the public comment period provided, EPA received no comments in response to the August 5, 2011 **Federal Register** notice (76 FR 47579) (FRL-8882-9) announcing the Agency's receipt of the requests for voluntary cancellations of products listed in Tables 1, 2, and 3 of Unit II.

### IV. Cancellation Order

Pursuant to FIFRA section 6(f), EPA hereby approves the requested cancellations of the registrations identified in Tables 1, 2, and 3 of Unit II. Accordingly, the Agency hereby orders that the product registrations identified in Tables 1, 2, and 3 of Unit II. are cancelled. The effective date of the cancellations that are subject of this notice is September 28, 2011. Any distribution, sale, or use of existing stocks of the products identified in Tables 1, 2, and 3 of Unit II. in a manner inconsistent with any of the provisions for disposition of existing stocks set forth in Unit VI. will be a violation of FIFRA.

### V. What is the agency's authority for taking this action?

Section 6(f)(1) of FIFRA provides that a registrant of a pesticide product may at any time request that any of its pesticide registrations be cancelled or amended to terminate one or more uses. FIFRA further provides that, before

acting on the request, EPA must publish a notice of receipt of any such request in the **Federal Register**. Thereafter, following the public comment period, the EPA Administrator may approve such a request. The notice of receipt for this action was published for comment in the **Federal Register** issue of August 5, 2011. The comment period closed on September 6, 2011.

### VI. Provisions for Disposition of Existing Stocks

Existing stocks are those stocks of registered pesticide products that are currently in the United States and that were packaged, labeled, and released for shipment prior to the effective date of the cancellation action. Upon cancellation of the products identified in Tables 1, 2, and 3 of Unit II., EPA will allow existing stocks provisions as follows:

#### A. Registrations Listed in Table 1 of Unit II Except Nos. 080490-00002, 080490-00003, 080490-00004

The Agency will allow registrants to sell and distribute existing stocks of these products until September 28, 2012. Thereafter, registrants are prohibited from selling or distributing the pesticides identified in Table 1 of Unit II., except for export consistent with FIFRA section 17 or for proper disposal. Persons other than registrants will generally be allowed to sell, distribute, or use existing stocks until such stocks are exhausted, provided that

such sale, distribution, or use is consistent with the terms of the previously approved labeling on, or that accompanied, the cancelled products.

#### B. Registration Nos. 080490-00002, 080490-00003, 080490-00004

The Agency will allow registrants to sell and distribute existing stocks of these products through September 30, 2011. Thereafter, registrants are prohibited from selling or distributing these pesticide products, except for export consistent with FIFRA section 17 or for proper disposal. Persons other than registrants will generally be allowed to sell, distribute, or use existing stocks until such stocks are exhausted, provided that such sale, distribution, or use is consistent with the terms of the previously approved labeling on, or that accompanied, the cancelled products.

#### C. Registrations Listed in Table 2 of Unit II

The effective date of cancellation of these products is September 28, 2011. The registrants are allowed to sell and distribute existing stocks until December 31, 2011. Thereafter, registrants are prohibited from selling or distributing these pesticide products, except for export consistent with FIFRA section 17 or for proper disposal.

Persons other than the registrant will be allowed to sell and distribute existing stocks through April 30, 2012. After this date, remaining existing stocks may be

used until exhausted, provided that such use complies with the EPA-approved label and labeling of the product.

*D. Registrations Listed in Table 3 of Unit II*

The effective date of cancellation of these products is September 28, 2011. EPA will not allow the continued sale and distribution of existing stocks of these products after the effective date of this cancellation for several reasons. First, there are currently no tolerances in effect for any of the food or feed crops associated with the domestic use of these products, and there have been none since the 2009 tolerance revocations took effect on December 31, 2009 (May 15, 2009, 74 FR 23046; FRL-8413-3). In addition, the Agency believes that little, if any existing stock remains in the hands of retailers, based on the sole registrant's repeated representation that no carbofuran products have been released for shipment since January 2010, and that they have offered to buy back unused carbofuran products. Consequently, sale of existing stocks of carbofuran is prohibited as of September 28, 2011. Users may only use those carbofuran products labeled for non-food use (ornamentals, spinach grown for seed, and pine seedlings) on those specific crops and in accordance with all geographical restrictions. Any food or feed crops with carbofuran residues after this date will be considered adulterated and subject to seizure.

**SUMMARY:** In accordance with section 6(f)(1) of the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended, EPA is issuing a notice of receipt of request for amendments by registrants to delete uses in certain pesticide registrations. Section 6(f)(1) of FIFRA provides that a registrant of a pesticide product may at any time request that any of its pesticide registrations be amended to delete one or more uses. FIFRA further provides that, before acting on the request, EPA must publish a notice of receipt of any request in the **Federal Register**.

**DATES:** The deletions in Table 2 are effective March 26, 2012, and the deletion in Table 1 is effective October 28, 2011. The Agency will consider a withdrawal request postmarked no later than March 26, 2012 for the deletions in Table 2, and no later than October 28, 2011 for the deletion in Table 1.

Users of these products who desire continued use on crops or sites being deleted should contact the applicable registrant on or before March 26, 2012 for the products in Table 2, or October 28, 2011 for the product in Table 1.

**ADDRESSES:** Submit your withdrawal request, identified by docket identification (ID) number EPA-HQ-OPP-2011-0553, by one of the following methods:
