**AGENCY:** Defense Acquisition Regulations System, Department of Defense (DoD).

**ACTION:** Notice of meeting.

**FOR FURTHER INFORMATION CONTACT:** Mr. Julian Thrash, 703-602-0310.

**SUPPLEMENTARY INFORMATION:** DoD will provide a brief overview of emerging policy issues potentially affecting the collection of this information. DoD solicits input from the public regarding methods to consistently, uniquely, and easily identify corporate ownership of DoD contractors in support of implementation of business tools that require identification of supplier

relationships to facilitate better buying decisions. In order for these business tools to be useful, and to promote the procurement efficiencies required for better buying decisions, DoD requires the ability to understand the corporate structure and affiliations of its suppliers. DoD is seeking industry insight on “best practices” and how such a process may affect future offerors. In particular, DoD invites discussion at the public meeting and public comment on the following:

(1) Means of identifying whether or not a particular DoD contractor is owned or controlled by another business entity.

(2) Would it be meaningful, from the private sector perspective, to characterize an “immediate owner,” as the business entity, which has the most direct and proximate ownership or control of the offeror? If not, then please suggest an alternative characterization.

(3) Would it be meaningful, from the private sector perspective, to characterize the “highest-level owner” as a business entity, which owns or controls the one or more business entities that own or control the offeror? If not, then please suggest an alternative characterization.

(4) Would it be meaningful, from the private sector perspective, to characterize an “owner” as a business entity, other than the offeror that owns or controls the offeror, or that owns or controls other business entities that own or control the offeror? An owner could then be either an immediate owner or a highest-level owner. If not meaningful, then please suggest an alternative characterization.

(5) One potential approach is for the offeror to provide with its offer the immediate owner Commercial and Government Entity (CAGE) code along with the legal name, and the highest-level owner CAGE code along with the legal name (if a higher-level entity exists). If this process is considered burdensome, what are the potential ways to mitigate such burden?

(6) Are there additional factors that should be considered to accurately capture such a business environment? If so, please explain.

**Registration:** Individuals wishing to attend the public meeting should register by November 1, 2011, to ensure adequate room accommodations and to create an attendee list for secure entry to the GSA building for anyone who is not a Federal Government employee with a Government badge. Interested parties may register by at this Web site, [http://www.acq.osd.mil/dpap/dars/ownership\\_of\\_offeror.html](http://www.acq.osd.mil/dpap/dars/ownership_of_offeror.html), by providing the following information:

(1) Company or organization name;  
(2) Names and e-mail addresses of persons attending;

(3) Last four digits of social security number for each attendee (non-Federal employees only); and

(4) Identify presenter if desiring to speak (limited to a 10-minute presentation per company or organization).

Attendees are encouraged to arrive at least 30 minutes early to ensure they are processed through security in a timely fashion. Prior registrants will be given priority if room constraints require limits on attendance.

**Special Accommodations:** The public meeting location is physically accessible to persons with disabilities. Requests for sign language interpretation or other auxiliary aids should be directed to Mr. Julian E. Thrash, telephone 703-602-0310, at least 10 working days prior to the meeting date.

**Presentations:** For individuals who would like to present a short oral presentation not-to-exceed 10 minutes at the meeting, please advise when registering so appropriate arrangements can be made for scheduling purposes. If the presenter intends to share a handout to accompany an oral statement, please submit documents to [dfars@osd.mil](mailto:dfars@osd.mil) for posting no later than November 8, 2011, so that other attendees may download prior to the meeting. When submitting briefing information, provide presenter's name, organization affiliation, telephone number, and e-mail address on the cover page.

**Correspondence and Comments:** Please cite “Public Meeting, Ownership of Offeror” in all correspondence related to this public meeting.
