DEPARTMENT OF HEALTH AND HUMAN SERVICES**Administration for Children and Families****Announcement of the Award of a Single-Source Program Expansion Supplement Grant to the University of Massachusetts, Institute for Community Inclusion, in Boston, MA**

AGENCY: Administration on Developmental Disabilities, ACF, HHS.
ACTION: Announcement of a Single-Source Program Expansion Supplement Grant to the University of Massachusetts, Institute for Community Inclusion, Boston, MA, to develop and implement an employment data collection and analysis project related to youth and young adults with intellectual and developmental disabilities.

CFDA Number: 93.631.

Statutory Authority: This award will be made pursuant to Section 161 of the Developmental Disabilities Assistance and Bill of Rights Act of 2000 (42 U.S.C. 15081–15083).

SUMMARY: This notice announces that the Administration for Children and Families (ACF), Administration on Developmental Disabilities (ADD) has awarded a single-source expansion supplement grant of \$150,000 for data collection analyses, and reporting.

The following project will be funded: The University of Massachusetts, Institute for Community Inclusion will collect data, analyze, and report on the employment and economic status of youth and young adults, ages 16 to 30, with intellectual and developmental disabilities. The project will also develop a rigorous, yet practical, ethical, and affordable research design for this evaluation. The data will originate from various existing data sources and will be analyzed using appropriate data analysis techniques. The data will be simplified and categories will be formed that reflect the activities and outcomes of youth and young adults with intellectual and developmental disabilities. A report will be written, highlighting a profile of education, employment, and economic outcomes for youth and young adults with intellectual and developmental disabilities. This information will be provided to ADD and its partners, and will be made available to the public.

DATES: 9/30/2011–9/29/2012.

DEPARTMENT OF HEALTH AND HUMAN SERVICES**Administration for Children and Families****Announcing the Award of a Single-Source Program Expansion Supplement Grant to the Johns Hopkins University, Bloomberg School of Public Health in Baltimore, MD, To Support the Development of a Human Services National Interoperable Architecture (HSNIA)**

AGENCY: Office of Information Services, OA, ACF, HHS.

ACTION: Notice of the award of a single-source program expansion supplement grant.

CFDA Number: 93.647.

Statutory Authority: This award will be made pursuant to section 3021 of the Patient Protection and Affordable Care Act (ACA) [Pub. L. 111–148] and the Improper Payments Elimination and Recovery Act of 2010 [Pub. L. 111–204].

SUMMARY: The Administration for Children and Families (ACF), Office of Administration (OA), Office of Information Services (OIS) announces the award of \$1,000,000 as a single-source expansion supplement grant to extend an award made to the Johns Hopkins University (JHU), Greenberg School of Public Health in Baltimore, MD. The grant will allow JHU, and its partner, JHU Applied Physics Laboratory, to continue the development of a Human Services National Interoperable Architecture (HSNIA). Under the supplement award, JHU and its partners will develop Phase III of an architectural framework that will be used as a model to facilitate State and local agencies in information exchanges among eligibility and verification services that are developed by the HHS/Centers for Medicare and Medicaid Services (CMS) under the requirements of the Patient Protection and Affordable Care Act (ACA).

To address issues related to implementation of the ACA and the Improper Payments Elimination and Recovery Act of 2010, the

Administration has directed Federal Agencies to begin to design and execute plans related to the legislation. JHU and its partners will create the development of a conceptual information technology architecture with ACF/Office of Information Services. The project will produce a solution that supports information exchanges and interoperability that will lead to reductions in improper payments as a preventative step in the program integrity process.

DATES: September 30, 2011 through September 29, 2012.
