

We have outlined the ways in which the DoJ can modify the PFJ to adequately address the competitive harms and thereby comport with the public interest standard. In response to the rejection of its initial PJF, the DoJ and the Defendants should submit a revised PFJ that comports with the foregoing recommendations.

Respectfully submitted,

Agency Information Collection Activities; Submission for OMB Review; Comment Request; Impact Evaluation of the YouthBuild Program

ACTION: Notice.

SUMMARY: The Department of Labor (DOL) is submitting the Employment and Training Administration (ETA) sponsored proposal for a new information collection titled, "Impact Evaluation of the YouthBuild Program," to the Office of Management and Budget (OMB) for review and approval for use in accordance with the Paperwork Reduction Act (PRA) of 1995 (44 U.S.C. 3501 *et seq.*).

FOR FURTHER INFORMATION: Contact Michel Smyth by telephone at (202) 693-4129 (this is not a toll-free number) or by email at DOL_PRA_PUBLIC@dol.gov.

SUPPLEMENTARY INFORMATION: This ICR seeks OMB approval under the PRA for an initial information collection in support of an impact evaluation of the YouthBuild Program. Specifically, the DOL seeks to conduct a census survey of all 2011 DOL funded YouthBuild grantees and Corporation for National and Community Service funded grantees that do not also receive DOL funding. The impact evaluation of the YouthBuild Program is a seven-year experimental design impact evaluation. YouthBuild is a youth and community development program that addresses several core issues facing low-income communities: education, employment, crime prevention, leadership development, and housing. The program primarily serves high school dropouts and focuses on helping them attain a high school diploma or general educational development certificate and teaching them construction skills geared toward career placement. The evaluation will measure core program outcomes including educational attainment, postsecondary planning, employment, earnings, delinquency, and involvement with the criminal justice system, and youth social and emotional development. The evaluation represents an important opportunity for the DOL to add to the growing body of knowledge about the impacts of second-chance programs for youth who have dropped out of high school, including outcomes related to educational attainment, postsecondary planning, employment, earnings, delinquency, and involvement with the criminal justice system, and youth social and emotional development.

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless it is approved by the OMB under the PRA and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information if the collection of information does not display a valid OMB Control Number.
