[Docket No. EL12-6-000]

Seneca Power Partners, L.P. v. New York Independent System Operator, Inc.; Notice of Complaint

Take notice that on October 27, 2011, pursuant to sections 206 and 306 of the Federal Power Act, 16 U.S.C. 824e and 825e and Rule 206 of the Federal Energy Regulatory Commission's (Commission) Rules of Practice and Procedures, 18 CFR 385.206, Seneca Power Partners, L.P. (Complainant) filed a complaint against the New York Independent System Operator, Inc. (Respondent), alleging that the Respondent is violating its Tariff and engaging in unduly discriminatory conduct in improperly deriving and unilaterally modifying the reference prices used by the Respondent to compensate Complainant's Batavia generator, which has been identified as needed for reliability.

The Complainant certifies that copies of the complaint were served on the Respondent and the New York Public Service Commission.

Any person desiring to intervene or to protest this filing must file in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214). Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a notice of intervention or motion to intervene, as appropriate. The Respondent's answer and all interventions, or protests must be filed on or before the comment date. The Respondent's answer, motions to intervene, and protests must be served on the Complainants.

The Commission encourages electronic submission of protests and interventions in lieu of paper using the "eFiling" link at <http://www.ferc.gov>. Persons unable to file electronically should submit an original and 14 copies of the protest or intervention to the Federal Energy Regulatory Commission, 888 First Street NE., Washington, DC 20426.

This filing is accessible on-line at <http://www.ferc.gov>, using the "eLibrary" link and is available for review in the Commission's Public Reference Room in Washington, DC. There is an "eSubscription" link on the web site that enables subscribers to receive email notification when a document is added to a subscribed docket(s). For assistance with any FERC Online service, please email FEROnlineSupport@ferc.gov, or call (866) 208-3676 (toll free). For TTY, call (202) 502-8659.

Comment Date: 5 p.m. Eastern Time on November 28, 2011.

[Docket No. AD12-2-000]

Notice of Intent To Update the Upland Erosion Control and Revegetation and Maintenance Plan and the Wetland and Waterbody Construction and Mitigation Procedures and Request for Comments

The staff of the Office of Energy Projects is in the process of reviewing its Upland Erosion Control, Revegetation and Maintenance Plan (Plan) and Wetland and Waterbody Construction and Mitigation Procedures (Procedures), dated January 17, 2003, to determine if there are appropriate updates or improvements to be made at this time. In accordance with Order 603,¹ the staff is asking for public input and suggestions for modifications to the Plan and Procedures from the natural gas industry, federal, state and local agencies, environmental consultants, inspectors, construction contractors, and other interested parties with special expertise with respect to environmental

¹ Revision Of Existing Regulations Under Part 157 and Related Sections of the Commission's Regulations Under the Natural Gas Act, Commission Order No. 603, Docket No. RM98-9-000, issued April 29, 1999. Notified in the **Federal Register** on May 14, 1999. 64 FR 26572.

issues commonly associated with pipeline projects. Please note that this comment period will close on January 18, 2012.

The Plan and Procedures are referred to at 18 Code of Federal Regulations (CFR) 380.12(i)(5) and 380.12(d)(2), respectively, as well as 18 CFR 157.206(b)(3)(iv). Full texts of the current versions of the Plan and Procedures can be viewed on the Federal Energy Regulatory Commission (FERC or Commission) Web site at <http://www.ferc.gov/industries/gas/enviro/guidelines.asp>.

We anticipate issuing our draft changes to the Plan and Procedures in early 2012 and will make them available for public comment. We will then consider all timely comments on the drafts before issuing the final versions.

Interested parties can help us determine the appropriate updates and improvements to make by providing us comments or suggestions that focus on the specific sections requiring clarification, updates to reflect current laws and regulations, or improved measures to avoid or minimize environmental impacts. The more specific your comments, the more useful they will be. A detailed explanation of your submissions and/or any references of scientific studies associated with your comments would greatly help us with this process.

For your convenience, there are three methods you can use to submit your comments to the Commission. In all instances, please reference the docket number (AD12–2–000) with your submission. The Commission encourages electronic filing of comments and has expert eFiling staff available to assist you at (202) 502–8258 or efiling@ferc.gov. Please include your name and email address so we can include you in future notices regarding our planned revisions.

(1) You may file your comments electronically by using the eComment feature, which is located on the Commission's Web site at www.ferc.gov under the link to Documents and Filings. An eComment is an easy method for interested persons to submit brief, text-only comments;

(2) You may file your comments electronically by using the eFiling feature, which is located on the Commission's Web site at www.ferc.gov under the link to Documents and Filings. With eFiling you can provide comments in a variety of formats by attaching them as a file with your submission. New eFiling users must first create an account by clicking on "eRegister." You will be asked to select the type of filing you are making. A

comment in response to this notice is considered a "Comment on a Filing"; or

(3) You may file a paper copy of your comments at the following address: Kimberly D. Bose, Secretary, Federal Energy Regulatory Commission, 888 First Street NE., Room 1A, Washington, DC 20426.

All of the information related to the proposed updates to the Plan and Procedures and submitted comments can be found on the FERC Web site (www.ferc.gov) using the eLibrary link. Click on the eLibrary link, click on "General Search" and enter the docket number, excluding the last three digits in the Docket Number field (*i.e.*, AD12–2). Be sure you have selected an appropriate date range. For assistance, please contact FERC Online Support at FercOnlineSupport@ferc.gov or toll free at (866) 208–3676, or for TTY, contact (202) 502–8659. The eLibrary link also provides access to the texts of formal documents issued by the Commission, such as orders, notices, and rulemakings.

In addition, the Commission offers a free service called eSubscription which allows you to keep track of all formal issuances and submittals in specific dockets. This can reduce the amount of time you spend researching proceedings by automatically providing you with notification of these filings, document summaries, and direct links to the documents.
