The Secretary will maintain a public service list containing the names and addresses of all persons, or their representatives, who are parties to the investigations.

Authorized applicants must represent interested parties, as

defined by 19 U.S.C. 1677(9), who are parties to the investigations. A party granted access to BPI in the preliminary phase of the investigations need not reapply for such access. A separate service list will be maintained by the Secretary for those parties authorized to receive BPI under the APO.

**Staff report.**—The prehearing staff report in the final phase of these investigations will be placed in the nonpublic record on February 23, 2012, and a public version will be issued thereafter, pursuant to section 207.22 of the Commission's rules.

Parties may also file written testimony in connection with their presentation at the hearing, as provided in section 207.24 of the Commission's rules, and posthearing briefs, which must conform with the provisions of section 207.25 of the Commission's rules. The deadline for filing posthearing briefs is March 15, 2012; witness testimony must be filed no later than three days before the hearing. In addition, any person who has not entered an appearance as a party to the investigations may submit a written statement of information pertinent to the subject of the investigations, including statements of support or opposition to the petition, on or before March 15, 2012. On April 10, 2012, the Commission will make

available to parties all information on which they have not had an opportunity to comment. *California Dept. of Transportation*, Civil  
Action No. 4–09–CV–00437–PJH, was  
lodged with the United States District

In this action the United States  
alleged that Defendant the California

Mountain Lake sediment with lead,  
copper, zinc and other substances, and  
drainage facilities for which Caltrans is  
responsible are degraded and in need of  
repair or replacement. The Decree  
resolves these claims and requires  
Caltrans to pay \$5.5 million toward the  
remediation of Mountain Lake sediment  
contamination, to pay \$4 million for  
repair or replacement of the overflow  
pipeline that drains Mountain Lake, and  
to pay \$500,000 toward certain legal  
costs in pursuing this action. In  
addition, the Decree requires Caltrans to  
reconfigure Highway 1 drainage  
facilities to avoid further discharges of  
highway run-off to Mountain Lake.
