**4. Performance Measures:** Under the Government Performance and Results Act of 1993, the Department has established a set of performance measures, including long-term measures, that are designed to yield information on various aspects of the effectiveness and quality of the Training and Information for Parents of Children with Disabilities program. The measures focus on the extent to which projects provide high-quality materials, the relevance of project products and services to educational and early intervention policy and practice, and the usefulness of products and services to improve educational and early intervention policy and practice.

Grantees will be required to provide information related to these measures in annual reports submitted to the Department.

Grantees also will be required to report information on their projects' performance in annual reports to the Department (34 CFR 75.590).

**5. Continuation Awards:** In making a continuation award, the Secretary may consider, under 34 CFR 75.253, the extent to which a grantee has made "substantial progress toward meeting the objectives in its approved application." This consideration includes the review of a grantee's progress in meeting the targets and projected outcomes in its approved application, and whether the grantee has expended funds in a manner that is consistent with its approved application and budget. In making a continuation award, the Secretary also considers whether the grantee is operating in compliance with the assurances in its approved application, including those applicable to Federal civil rights laws that prohibit discrimination in programs or activities receiving Federal financial assistance from the Department (34 CFR 100.4, 104.5, 106.4, 108.8, and 110.23).

## DEPARTMENT OF EDUCATION

### National Advisory Council on Indian Education (NACIE)

**AGENCY:** U.S. Department of Education.

**ACTION:** Notice of an open teleconference meeting.

**SUMMARY:** This notice sets forth the schedule and proposed agenda of an upcoming teleconference meeting of the National Advisory Council on Indian Education (the Council) and is intended to notify the general public of the meeting. This notice also describes the functions of the Council. Notice of the Council's meetings is required under Section 10(a)(2) of the Federal Advisory Committee Act.

**Date and time:** March 12, 2012—1 p.m.–5 p.m. Eastern Daylight Time.

**Location:** The meeting will be conducted via conference call with NACIE members. Up to 20 dial-in,

listen-only phone lines will be made available to the public on a first come, first serve basis. The conference call number is 1.800.871.9060 and the participant code is 929296858#.

The public is also invited to attend the conference call meeting at the U.S. Department of Education, 400 Maryland Street SW., Room 1W105/108, Washington, DC 20202-6400. Members of the public should report to the security desk and a form of federal I.D. will be required for security clearance and escorted access to the meeting room.

**SUPPLEMENTARY INFORMATION:** The National Advisory Council on Indian Education is authorized by Section 7141 of the Elementary and Secondary Education Act. The Council is established within the Department of Education to advise the Secretary of Education on the funding and administration (including the development of regulations, and administrative policies and practices) of any program over which the Secretary has jurisdiction and includes Indian children or adults as participants or programs that may benefit Indian children or adults, including any program established under Title VII, Part A of the Elementary and Secondary Education Act. The Council submits to the Congress, not later than June 30 of each year, a report on the activities of the Council that includes recommendations the Council considers appropriate for the improvement of Federal education programs that include Indian children or adults as participants or that may benefit Indian children or adults, and recommendations concerning the funding of any such program. One of the Council's responsibilities is to develop and provide recommendations to the Secretary of Education on the funding and administration (including the development of regulations, and administrative policies and practices) of any program over which the Secretary has jurisdiction that can benefit Indian children or adults participating in any program which could benefit Indian children. The Council is convening this public meeting to review, advise, and discuss the following items: (1) Recommendations to the Secretary of Education concerning the funding and administration (including the development of regulations and administrative policies and practices) of programs; (2) review the Executive Order 13592 establishing the White House Initiative on American Indian and Alaska Native Education (Initiative); (3) provide input on the

draft Memorandum of Understanding between the Department of Education and the Department of the Interior to improve American Indian/Alaska Native education that will take advantage of both Departments' expertise, resources, and facilities, as mandated in the Executive Order; (4) receive an overview of the new State-Tribal Education Partnership Pilot grant program; and (5) discuss and plan for the development of the annual report to Congress.

## DEPARTMENT OF ENERGY

[OE Docket No. EA-383]

### Application To Export Electric Energy; Pilot Power Group, Inc.

**AGENCY:** Office of Electricity Delivery and Energy Reliability, DOE.

**ACTION:** Notice of application.

**SUMMARY:** Pilot Power Group, Inc. (Pilot Power) has applied for authority to transmit electric energy from the United States to Mexico pursuant to section 202(e) of the Federal Power Act (FPA).

**DATES:** Comments, protests, or motions to intervene must be submitted on or before March 28, 2012.

**ADDRESSES:** Comments, protests, or motions to intervene should be addressed to: Christopher Lawrence, Office of Electricity Delivery and Energy Reliability, Mail Code: OE-20, U.S. Department of Energy, 1000 Independence Avenue SW., Washington, DC 20585. Because of delays in handling conventional mail, it is recommended that documents be transmitted by overnight mail, by electronic mail to [Christopher.Lawrence@hq.doe.gov](mailto:Christopher.Lawrence@hq.doe.gov), or by facsimile to 202-586-8008.

**FOR FURTHER INFORMATION CONTACT:** Christopher Lawrence (Program Office) at 202-586-5260, or by email to [Christopher.Lawrence@hq.doe.gov](mailto:Christopher.Lawrence@hq.doe.gov).

**SUPPLEMENTARY INFORMATION:** Exports of electricity from the United States to a foreign country are regulated by the Department of Energy (DOE) pursuant to sections 301(b) and 402(f) of the Department of Energy Organization Act (42 U.S.C. 7151(b), 7172(f)) and require authorization under section 202(e) of the FPA (16 U.S.C. 824a(e)).

On January 12, 2012, DOE received an application from Pilot Power for authority to transmit electric energy from the United States to Mexico for five years as a power marketer using existing international transmission facilities. Pilot Power does not own any electric transmission facilities nor does it hold a franchised service area.

The electric energy that Pilot Power proposes to export to Mexico would be surplus energy purchased from electric utilities, Federal power marketing

agencies, and other entities within the United States. The existing international transmission facilities to be utilized by Pilot Power have previously been authorized by Presidential permits issued pursuant to Executive Order 10485, as amended, and are appropriate for open access transmission by third parties.

**Procedural Matters:** Any person desiring to be heard in this proceeding should file a comment or protest to the application at the address provided above. Protests should be filed in accordance with Rule 211 of the Federal Energy Regulatory Commission's (FERC) Rules of Practice and Procedures (18 CFR 385.211). Any person desiring to become a party to these proceedings should file a motion to intervene at the above address in accordance with FERC Rule 214 (385.214). Five copies of such comments, protests, or motions to intervene should be sent to the address provided above on or before the date listed above.

Comments on the Pilot Power application to export electric energy to Mexico should be clearly marked with OE Docket No. 383. An additional copy is to be filed directly with Thomas E. Darton, Pilot Power Group, Inc., 8910 University Center Lane, Suite 520, [tdarton@pilotpowergroup.com](mailto:tdarton@pilotpowergroup.com).

A final decision will be made on this application after the environmental impacts have been evaluated pursuant to DOE's National Environmental Policy Act Implementing Procedures (10 CFR part 1021) and after a determination is made by DOE that the proposed action will not have an adverse impact on the reliability of the U.S. electric power supply system.

Copies of this application will be made available, upon request, for public inspection and copying at the address provided above, by accessing the program Web site at <http://energy.gov/node/11845> or by emailing Angela Troy at [Angela.Troy@hq.doe.gov](mailto:Angela.Troy@hq.doe.gov).

Issued in Washington, DC, on February 20, 2012.
