## SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-66865; File No. SR-MSRB-2012-03]

### Self-Regulatory Organizations; Municipal Securities Rulemaking Board; Order Granting Approval of Proposed Rule Change Consisting of Establishment of a Subscription to Historical Information and Documents Submitted to the MSRB's Short-Term Obligation Rate Transparency System

April 26, 2012.

#### I. Introduction

On February 27, 2012, the Municipal Securities Rulemaking Board ("MSRB") filed with the Securities and Exchange Commission ("Commission"), pursuant

to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Exchange Act"),<sup>1</sup> and Rule 19b-4 thereunder,<sup>2</sup> a proposed rule change to establish a subscription to historical information and documents submitted to the MSRB's Short-Term Obligation Rate Transparency System. The proposed rule change was published for comment in the **Federal Register** on March 12, 2012.<sup>3</sup> The Commission received no comments on the proposed rule change. This order approves the proposed rule change.

#### II. Background and Description of Proposal

In January 2009, the MSRB implemented an electronic system to collect and disseminate information about securities bearing interest at short-term rates and making such information and documents publicly available through a dissemination service ("SHORT System"). In May 2011, MSRB enhanced the SHORT System to add documents to the information collected and disseminated. Information and documents collected by the SHORT System are made available for free on the MSRB's Electronic Municipal Market Access (EMMA<sup>®</sup>) Web site pursuant to the EMMA short-term obligation rate transparency service.<sup>4</sup> MSRB also makes the information and documents collected by the SHORT System available through a subscription service, which is available for an annual fee of \$10,000. The proposed rule change would clarify that subscribers to the SHORT subscription service would be able to access historical data for the most recent six months on a daily rolling basis and establish purchase agreements for historical products consisting of twelve consecutive complete month data sets of the documents and related indexing information collected by the SHORT System (the "SHORT Historical Data Product") dating to January 30, 2009.<sup>5</sup> The purpose of the proposed rule change is to provide another avenue for obtaining the information and documents provided through the SHORT subscription service, which is

<sup>1</sup> 15 U.S.C. 78s(b)(1).

<sup>2</sup> 17 CFR 240.19b-4.

<sup>3</sup> See Securities Exchange Act Release No. 66521 (March 6, 2012), 77 FR 14572 (the Commission's Notice").

<sup>4</sup> See Securities Exchange Act Release No. 59212 (January 7, 2009).

<sup>5</sup> The SHORT Subscriber Manual provides a complete, up-to-date listing of all data elements made available through the SHORT Subscription Service. The information provided in the SHORT Historical Data Product are the same as those currently provided in the SHORT Subscription Service.

currently only available on a current basis through the real-time data stream. A more complete description of the proposal is contained in the Commission's Notice.

#### III. Discussion and Commission Findings

The Commission has carefully considered the proposed rule change and finds that the proposed rule change is consistent with the requirements of the Exchange Act and the rules and regulations thereunder applicable to the MSRB.<sup>6</sup> In particular, the proposed rule change is consistent with Section 15B(b)(2)(C) of the Exchange Act, which provides that the MSRB's rules shall be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in municipal securities and municipal financial products, to remove impediments to and perfect the mechanism of a free and open market in municipal securities and municipal financial products, and, in general, to protect investors, municipal entities, obligated persons, and the public interest.<sup>7</sup>

The proposed rule change is also consistent with Section 15B(b)(3)(B)(ii) of the Exchange Act, which provides that the MSRB shall not be prohibited from charging commercially reasonable fees for automated subscription-based feeds or similar services, or for charging for other data or document-based services customized upon request of any person, made available to commercial enterprises, municipal securities market professionals, or the general public, whether delivered through the Internet or any other means, that contain all or part of the documents or information, subject to approval of the fees by the Commission under Section 19(b).<sup>8</sup>

The Commission believes that the proposed rule change is consistent with the Exchange Act. The proposed rule change would establish a subscription service that would make information collected by the SHORT System available to market participants as an additional avenue for obtaining information that is submitted to the EMMA short-term obligation rate transparency service. Broad access to the information collected by the SHORT

<sup>6</sup> In approving this proposed rule change, the Commission notes that it has considered the proposed rule's impact on efficiency, competition and capital formation. 15 U.S.C. 78c(f).

<sup>7</sup> 15 U.S.C. 78o-4(b)(2)(C).

<sup>8</sup> 15 U.S.C. 78o-4(b)(3)(B)(ii).

<sup>18</sup> 17 CFR 200.30-3(a)(12).

System, in addition to the public access through the EMMA short-term obligation rate transparency service web portal, should further assist in preventing fraudulent and manipulative acts and practices by improving the opportunity for public investors to access material information about SHORT System disclosure information. The proposed rule change also provides for commercially reasonable fees to partially offset costs associated with operating the SHORT System and producing and disseminating information products to purchasers.

#### IV. Conclusion

*It is therefore ordered*, pursuant to Section 19(b)(2) of the Exchange Act,<sup>9</sup> that the proposed rule change (SR-MSRB-2012-03) be, and it hereby is, approved.

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.<sup>10</sup>

**Kevin M. O'Neill,**  
Deputy Secretary.

## SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-66867; File No. SR-CME-2012-13]

### Self-Regulatory Organizations; Chicago Mercantile Exchange Inc.; Notice of Filing and Order Granting Accelerated Approval of Proposed Rule Change To Add Reporting Requirements for FCM Clearing Members

April 26, 2012.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")<sup>1</sup> and Rule 19b-4 thereunder,<sup>2</sup> notice is hereby given that on April 23, 2012, the Chicago Mercantile Exchange Inc. ("CME") filed with the Securities and Exchange Commission ("Commission") the proposed rule change described in Items I and II below, which items have been prepared primarily by CME. The Commission is publishing this Notice and Order to solicit comments on the proposed rule change from interested persons and to approve the proposed rule change on an accelerated basis.

#### I. Self-Regulatory Organization's Statement of Terms of Substance of the Proposed Rule Change

CME proposes including certain additional reporting requirements for futures commission merchant ("FCM") clearing members. The enhanced reporting requirements are designed to further safeguard customer funds held at the FCM level. The text of the proposed rule change is available at the CME's Web site at <http://www.cmegroup.com/market-regulation/rule-filings.html>.

#### II. Self-Regulatory Organization's Statement of Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, CME included statements concerning the purpose and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item III below. CME has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

##### A. Self-Regulatory Organization's Statement of Purpose of, and Statutory Basis for, the Proposed Rule Change

CME is registered as a derivatives clearing organization with the Commodity Futures Trading Commission ("CFTC") and operates a substantial business clearing futures and swaps contracts subject to the jurisdiction of the CFTC. CME wants to impose additional reporting requirements for FCM clearing members pursuant to CME Rule 970.D. The new reporting requirements will require all FCM clearing members to file daily, segregated, secured 30.7 and "sequestered" (or customer cleared swaps) statements, as applicable, on a daily basis. The proposed effective date for this new requirement is May 1, 2012.

As further described in CME-issued Audit Information Bulletin 12-04, the enhanced reporting requirements are designed to further safeguard customer funds held at the FCM level. The proposed daily reporting requirements comport with the CFTC's DCO Core Principle F (Treatment of Funds), which requires each DCO to "have standards and procedures designed to ensure the safety of member and participant funds."

CME Audit Information Bulletin 12-04 constitutes the CME's proposed changes. CME also made a filing, CME Submission 12-112, with its primary regulator, the CFTC, with respect to the proposed changes.

CME believes the proposed changes are consistent with the requirements of

the Act. First, CME, a derivatives clearing organization, is implementing the proposed changes in furtherance with applicable CFTC regulations and Commodity Exchange Act ("CEA"), which contains a number of provisions that are comparable to the policies underlying the Act, including, for example, promoting market transparency for derivatives markets, promoting the prompt and accurate clearance of transactions and protecting investors and the public interest. Second, CME believes the proposed changes are specifically designed to protect investors and the public interest because the requirements help safeguard customer funds held at the FCM level.

##### B. Self-Regulatory Organization's Statement on Burden on Competition

CME does not believe that the proposed rule change will have any impact or impose any burden on competition.

##### C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

CME has not solicited and does not intend to solicit comments regarding this proposed rule change. CME has not received any unsolicited written comments from interested parties.

#### III. Solicitation of Comments

Interested persons are invited to submit written data, views and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

- Electronic comments may be submitted by using the Commission's Internet comment form (<http://www.sec.gov/rules/sro.shtml>), or send an email to [rule-comments@sec.gov](mailto:rule-comments@sec.gov). Please include File No. SR-CME-2012-13 on the subject line.

- Paper comments should be sent in triplicate to Elizabeth M. Murphy, Secretary, Securities and Exchange Commission, 100 F Street NE., Washington, DC 20549-1090.

All submissions should refer to File Number SR-CME-2012-13. This file number should be included on the subject line if email is used. To help the Commission process and review your comments more efficiently, please use only one method. The Commission will post all comments on the Commission's Internet Web site (<http://www.sec.gov/rules/sro.shtml>). Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule
