II. Further Information

The NRC is issuing for public comment a draft guide in the NRC's "Regulatory Guide" series. This series was developed to describe and make available to the public such information as methods that are acceptable to the NRC staff for implementing specific parts of the NRC's regulations, techniques that the staff uses in evaluating specific problems or postulated accidents, and data that the staff needs in its review of applications for permits and licenses.

The draft regulatory guide, entitled, "Special Nuclear Material Control and Accounting Systems for Nuclear Power Plants," is temporarily identified by its task number, DG-5028. DG-5028 is proposed revision 2 of Regulatory Guide 5.29, dated June 1975.

The NRC withdrew Regulatory Guide 5.29 Revision 1 in January 1998 (63 FR 2426; January 15, 1998), because the underlying basis standard, ANSI N15.8-1974, "Methods of Nuclear Material Control—Material Control Systems—Special Nuclear Material Control and Accounting Systems for Nuclear Power Plants," did not include direction to support accountability of partial fuel assemblies. ANSI revised ANSI N15.8 in February 2009. ANSI N15.8-2009 provides guidance on the fundamentals of an SNM control and accounting system, including criteria for the receipt, internal control, physical inventory, and shipment of SNM. Additionally, ANSI N15.8-2009 provides specific guidance on the control and accounting of 1) fuel rods that are separated from their parent assemblies; and 2) pieces of irradiated material that are separated as a result of fuel damage. In DG-5028, the NRC is proposing to endorse ANSI N15.8-2009 as an acceptable method for implementing material control and accounting requirements at nuclear power plants.

Dated at Rockville, Maryland, this 7th day of May 2012.

For the Nuclear Regulatory Commission.

Thomas H. Boyce,

Chief, Regulatory Guide Development Branch, Division of Engineering, Office of Nuclear Regulatory Research.

SUPPLEMENTARY INFORMATION:**Table of Contents**

- I. Introduction
- II. Notice of Filings
- III. Ordering Paragraphs

I. Introduction

Pursuant to 39 U.S.C. 3642 and 39 CFR 3020.30 *et seq.*, the Postal Service filed a formal request and associated supporting information to add Parcel Select Contract 1 to the competitive product list.¹ The Commission notes there is already a Parcel Select Contract 1 on the competitive product list. *See* Docket Nos. MC2011-16 and CP2011-53. It is the Commission's intent to rename the proposed new product Parcel Select Contract 2. Participants may address the name of the new product in their comments.

The Postal Service asserts that Parcel Select Contract 1 is a competitive product "not of general applicability" within the meaning of 39 U.S.C. 3632(b)(3). Request at 1. The Postal Service states that the explanation and justification for this contract are provided by Governors' Decision No. 11-6, included as Attachment A to the Request.² The Request has been assigned Docket No. MC2012-16.

¹ Request of the United States Postal Service to Add Parcel Select Contract 1 to Competitive Product List and Notice of Filing (Under Seal) of Unredacted Governors' Decision, Contract, and Supporting Data, May 7, 2012 (Request). The Request supersedes a similar filing submitted May 4, 2012. *See* Notice of the United States Postal Service of Filing Errata to Request and Notice, filed May 7, 2012.

² *Id.* at 1; Decision of the Governors of the United States Postal Service on Establishment of Domestic Competitive Agreements, Outbound International Competitive Agreements, Inbound International Competitive Agreements, and Other Non-Published Competitive Rates, issued March 22, 2011 (Governors' Decision No. 11-6).

The Postal Service contemporaneously filed a contract related to the proposed new product. *Id.*, Attachment B. The contract has been assigned Docket No. CP2012-23.

Request. In support of its Request, the Postal Service filed six attachments as follows:

- Attachment A—a redacted copy of Governors' Decision No. 11-6;
- Attachment B—a redacted copy of the contract;
- Attachment C—a proposed change in the Mail Classification Schedule competitive product list;
- Attachment D—a Statement of Supporting Justification as required by 39 CFR 3020.32;
- Attachment E—a certification of compliance with 39 U.S.C. 3633(a); and
- Attachment F—an application for non-public treatment of materials to maintain redacted portions of the contract and supporting documents under seal.

In the Statement of Supporting Justification, Karen F. Key, Manager, Shipping Products, asserts that the service to be provided under the contract will cover its attributable costs, make a positive contribution to institutional costs, and increase contribution toward the requisite 5.5 percent of the Postal Service's total institutional costs. *Id.*, Attachment D. Thus, Ms. Key contends there will be no issue of market dominant products subsidizing competitive products as a result of this contract. *Id.*

Related contract. A redacted version of the specific Parcel Select Contract 2 is included with the Request. *Id.*, Attachment B. The contract will become effective on the later of the day following the date on which the Commission issues all approvals on June 1, 2012. Request at 6. The contract will expire on May 31, 2019 unless, among other things, either party terminates the agreement for convenience upon 6 months' written notice to the other party. *Id.* The Postal Service represents that the contract is consistent with 39 U.S.C. 3633(a). *Id.*, Attachment D.

The Postal Service filed much of the supporting materials, including the specific Parcel Select Contract 2, under seal. *Id.*, Attachment F. It maintains that redacted portions of the contract, Governors' Decision No. 11-6, and related financial information should remain confidential. *Id.* at 2-3. This information includes the price structure and terms, expected profit, underlying costs and assumptions, cost coverage projections, and customer-related information. *Id.* at 3.

II. Notice of Filings

The Commission establishes Docket Nos. MC2012-16 and CP2012-23 to consider the Request pertaining to the proposed Parcel Select Contract 2 product and the related contract, respectively.

Interested persons may submit comments on whether the Postal Service's filings in the captioned dockets are consistent with the policies of 39 U.S.C. 3632, 3633, or 3642, 39 CFR part 3015, and 39 CFR part 3020, subpart B. Comments are due no later than May 18, 2012. The public portions of these filings can be accessed via the Commission's Web site (<http://www.prc.gov>).

The Commission appoints Natalie Rea Ward to serve as Public Representative in these dockets.

III. Ordering Paragraphs*It is ordered:*

1. The Commission establishes Docket Nos. MC2012-16 and CP2012-23 to consider the matters raised in each docket.

2. Pursuant to 39 U.S.C. 505, Natalie Rea Ward is appointed to serve as an officer of the Commission (Public Representative) to represent the interests of the general public in these proceedings.
