

May 15, 2012, the NMB issued a Notice of Proposed Rulemaking (NPRM) (77 FR 28536), proposing to amend its rules in response to amendments to the RLA contained in the Federal Aviation Administration Modernization and Reform Act of 2012, Public Law 112–095 (FAA Reauthorization). These rule changes are proposed to be codified at 29 CFR part 1206. In addition to the comment procedure outlined in the NPRM, the NMB is providing another opportunity for interested persons to provide their views to the Board on this important matter.

The FAA Reauthorization amendments include a requirement that the Board change its rules according to the informal rulemaking procedures in the Administrative Procedure Act (APA), 5 U.S.C. 553, and “after the opportunity for a public hearing.” Because the language in the amendment does not trigger the stricter requirements in sections 556 and 557 of the APA, this hearing will comply with those informal rulemaking procedures under the APA. See, e.g., *United States v. Allegheny-Ludlum Steel Corp.*, 406 US 742 (1972); *Siegel v. Atomic Energy Comm’n*, 400 F.2d 778, 785 (D.C. Cir. 1968) (holding that formal rulemaking procedures are only required where “the agency statute, in addition to providing a hearing, prescribes explicitly that it be ‘on the record.’”).

Individuals desiring to attend the hearing must notify the NMB staff, in writing, at the above listed physical or email address by the deadline posted. If the individual desires to make a presentation to the Board at the hearing, he or she is required to submit a brief outline of the presentation when making the request. In addition, a full written statement must be submitted no later than 4 p.m. on Friday, June 15, 2012. In lieu of making an oral presentation, individuals may submit a written statement for the record.

To attend the hearing, all potential attendees must include in their request: (1) their full name and (2) organizational affiliation (if any). Attendees are reminded to bring a photo identification card with them to the public hearing in order to gain admittance to the building. Due to the time and potential space limitations in the hearing room, the NMB will notify individuals of their attendance and/or speaking status (*i.e.*, preliminary time for their presentation) prior to the hearing. Time allocation for oral presentations will depend upon the number of individuals who desire to make presentations to the Board. Individuals should be prepared to summarize their written statements at the hearing.

**Agenda:** The hearing will be limited to issues related to the NMB’s proposed rule changes appearing in the **Federal Register** on May 15, 2012 at 77 FR 28536–28538.

Dated: May 17, 2012.

#### 33 CFR Part 165

[Docket No. USCG–2012–0352]

RIN 1625–AA00

#### Safety Zone; City of Tonawanda July 4th Celebration, Niagara River, Tonawanda, NY

**AGENCY:** Coast Guard, DHS.

**ACTION:** Notice of proposed rulemaking.

**SUMMARY:** The Coast Guard proposes to establish a temporary safety zone on the Niagara River, Tonawanda, NY. This proposed rule is intended to restrict vessels from a portion of the Niagara River during the City of Tonawanda July 4th Celebration fireworks display. The safety zone established by this proposed rule is necessary to protect spectators, participants, and vessels from the hazards associated with firework display.

**DATES:** Comments and related material must be received by the Coast Guard on or before June 21, 2012.

**ADDRESSES:** You may submit comments identified by docket number USCG–2012–0352 using any one of the following methods:

(1) *Federal eRulemaking Portal:*

<http://www.regulations.gov>.

(2) *Fax:* 202–493–2251.

(3) *Mail:* Docket Management Facility (M–30), U.S. Department of Transportation, West Building Ground Floor, Room W12–140, 1200 New Jersey Avenue SE., Washington, DC 20590–0001.

(4) *Hand delivery:* Same as mail address above, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays. The telephone number is 202–366–9329.

To avoid duplication, please use only one of these four methods. See the “Public Participation and Request for Comments” portion of the **SUPPLEMENTARY INFORMATION** section below for instructions on submitting comments.

**FOR FURTHER INFORMATION CONTACT:** If you have questions on this proposed rule, call or email LT Christopher Mercurio, Chief of Waterway Management, U.S. Coast Guard Sector Buffalo; telephone 716–843–9343, email [SectorBuffaloMarineSafety@uscg.mil](mailto:SectorBuffaloMarineSafety@uscg.mil). If you have questions on viewing or submitting material to the docket, call Renee V. Wright, Program Manager, Docket Operations, telephone 202–366–9826.

#### SUPPLEMENTARY INFORMATION:

#### Public Participation and Request for Comments

We encourage you to participate in this rulemaking by submitting comments and related materials. All comments received will be posted without change to <http://www.regulations.gov> and will include any personal information you have provided.

#### Submitting Comments

If you submit a comment, please include the docket number for this rulemaking (USCG–2012–0352), indicate the specific section of this document to which each comment applies, and provide a reason for each suggestion or recommendation. You may submit your comments and material online (via <http://www.regulations.gov>) or by fax, mail, or hand delivery, but please use only one of these means. If you submit a comment online via [www.regulations.gov](http://www.regulations.gov), it will be considered received by the Coast Guard when you successfully transmit the comment. If you fax, hand deliver, or mail your comment, it will be considered as having been received by the Coast Guard when it is received at the Docket Management Facility. We recommend that you include your name and a mailing address, an email address, or a telephone number in the body of your document so that we can contact you if we have questions regarding your submission.

To submit your comment online, go to <http://www.regulations.gov>, type the docket number USCG–2012–0352 in the “SEARCH” box and click “SEARCH.” Click on “Submit a Comment” on the line associated with this rulemaking.

If you submit your comments by mail or hand delivery, submit them in an unbound format, no larger than 8½ by 11 inches, suitable for copying and electronic filing. If you submit comments by mail and would like to know that they reached the Facility, please enclose a stamped, self-addressed postcard or envelope. We will consider all comments and material received

during the comment period and may change the rule based on your comments.

### Viewing Comments and Documents

To view comments, as well as documents mentioned in this preamble as being available in the docket, go to <http://www.regulations.gov>, type the docket number USCG–2012–0352 in the “SEARCH” box and click “SEARCH.” Click on Open Docket Folder on the line associated with this rulemaking. You may also visit the Docket Management Facility in Room W12–140 on the ground floor of the Department of Transportation West Building, 1200 New Jersey Avenue SE., Washington, DC 20590, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays. We have an agreement with the Department of Transportation to use the Docket Management Facility.

### Privacy Act

Anyone can search the electronic form of comments received into any of our dockets by the name of the individual submitting the comment (or signing the comment, if submitted on behalf of an association, business, labor union, etc.). You may review a Privacy Act notice regarding our public dockets in the January 17, 2008, issue of the **Federal Register** (73 FR 3316).

### Public Meeting

We do not now plan to hold a public meeting. But you may submit a request for one using one of the four methods specified under **ADDRESSES**. Please explain why you believe a public meeting would be beneficial. If we determine that one would aid this rulemaking, we will hold one at a time and place announced by a later notice in the **Federal Register**.

### Background and Purpose

Between 9:15 p.m. and 9:45 p.m. on July 4, 2012 a fireworks display will take place on the Niagara River near Tonawanda-Tonawanda Island, NY. The Captain of the Port Buffalo has determined that fireworks launched proximate to watercraft presents significant hazards to public spectators and participants. Such hazards include premature detonations, dangerous detonations, dangerous projectiles, and falling or burning debris.

### Discussion of Proposed Rule

The proposed safety zone would be effective and enforced from 8:45 p.m. until 10:15 p.m. on July 4, 2012. The proposed safety zone would encompass all waters of Niagara River, Tonawanda, NY within a 1400 FT radius of position

43°01'39.59" N and 78°53'07.48" W (NAD 83).

Entry into, transiting, or anchoring within the proposed safety zone is prohibited unless authorized by the Captain of the Port Buffalo or his on-scene representative. The Captain of the Port or his on-scene representative may be contacted via VHF Channel 16.

We believe this proposed temporary safety zone is necessary to ensure the safety of spectators and vessels during the City of Tonawanda July 4th Celebration.

### Regulatory Analyses

We developed this proposed rule after considering numerous statutes and executive orders related to rulemaking. Below we summarize our analyses based on 13 of these statutes or executive orders.

### Regulatory Planning and Review

This proposed rule is not a significant regulatory action under section 3(f) of Executive Order 12866, Regulatory Planning and Review, and does not require an assessment of potential costs and benefits under section 6(a)(3) of that Order. The Office of Management and Budget has not reviewed it under that Order. It is not “significant” under the regulatory policies and procedures of the Department of Homeland Security (DHS). We conclude that this proposed rule is not a significant regulatory action because we anticipate that it will have minimal impact on the economy, will not interfere with other agencies, will not adversely alter the budget of any grant or loan recipients, and will not raise any novel legal or policy issues. The safety zone created by this proposed rule will be relatively small and enforced for relatively short time. Also, the safety zone is designed to minimize its impact on navigable waters. Furthermore, the safety zone has been designed to allow vessels to transit around it. Thus, restrictions on vessel movement within that particular area are expected to be minimal. Under certain conditions, moreover, vessels may still transit through the safety zone when permitted by the Captain of the Port.

### Small Entities

Under the Regulatory Flexibility Act (5 U.S.C. 601–612), we have considered whether this proposed rule would have a significant economic impact on a substantial number of small entities. The term “small entities” comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and

governmental jurisdictions with populations of less than 50,000.

The Coast Guard certifies under 5 U.S.C. 605(b) that this proposed rule would not have a significant economic impact on a substantial number of small entities.

This proposed temporary final rule may affect the following entities, some of which might be small entities: the owners of operators of vessels intending to transit or anchor in a portion of the Niagara River near Tonawanda-Tonawanda Island, New York between 8:45 p.m. to 10:15 p.m. on July 4, 2012.

This proposed safety zone will not have a significant economic impact on a substantial number of small entities for the following reasons: this proposed rule will be in effect for only 90 minutes and the proposed safety zone will allow vessels to move freely around the safety zone on the Niagara River. If you think that your business, organization, or governmental jurisdiction qualifies as a small entity and that this proposed rule would have a significant economic impact on it, please submit a comment (see **ADDRESSES**) explaining why you think it qualifies and how and to what degree this rule would economically affect it.

### Assistance for Small Entities

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we want to assist small entities in understanding this proposed rule so that they can better evaluate its effects on them and participate in the rulemaking process. If this proposed rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact LT Christopher Mercurio, Chief of Waterway Management, U.S. Coast Guard Sector Buffalo; telephone 716–843–9343, email [SectorBuffaloMarineSafety@uscg.mil](mailto:SectorBuffaloMarineSafety@uscg.mil). The Coast Guard will not retaliate against small entities that question or complain about this proposed rule or any policy or action of the Coast Guard.

### Collection of Information

This proposed rule would call for no new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

### Federalism

A rule has implications for under Executive Order 13132, Federalism, if it has a substantial direct effect on State or local governments and would either preempt State law or impose a substantial direct cost of compliance on

them. We have analyzed this proposed rule under that Order and have determined that it does not have implications for federalism.

#### Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this proposed rule would not result in such expenditure, we do discuss the effects of this proposed rule elsewhere in this preamble.

#### Taking of Private Property

This proposed rule would not cause a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

#### Civil Justice Reform

This proposed rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

#### Protection of Children

We have analyzed this proposed rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This proposed rule is not an economically significant rule and would not create an environmental risk to health or risk to safety that might disproportionately affect children.

#### Indian Tribal Governments

This proposed rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it would not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

#### Energy Effects

We have analyzed this proposed rule under Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use. We have determined that it is not a “significant

energy action” under that order because it is not a “significant regulatory action” under Executive Order 12866 and is not likely to have a significant adverse effect on the supply, distribution, or use of energy. The Administrator of the Office of Information and Regulatory Affairs has not designated it as a significant energy action. Therefore, it does not require a Statement of Energy Effects under Executive Order 13211.

#### Technical Standards

The National Technology Transfer and Advancement Act (NTTAA) (15 U.S.C. 272 note) directs agencies to use voluntary consensus standards in their regulatory activities unless the agency provides Congress, through the Office of Management and Budget, with an explanation of why using these standards would be inconsistent with applicable law or otherwise impractical. Voluntary consensus standards are technical standards (e.g., specifications of materials, performance, design, or operation; test methods; sampling procedures; and related management systems practices) that are developed or adopted by voluntary consensus standards bodies.

This proposed rule does not use technical standards. Therefore, we did not consider the use of voluntary consensus standards.

#### Environment

We have analyzed this proposed rule under Department of Homeland Security Management Directive 023–01 and Commandant Instruction M16475.ID, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (NEPA) (42 U.S.C. 4321–4370f), and have made a preliminary determination that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This proposed rule is categorically excluded, under figure 2–1, paragraph (34)(g), of the Instruction. Because it involves the establishment of a safety zone.

A preliminary environmental analysis checklist and a preliminary categorical exclusion determination are available in the docket where indicated under **ADDRESSES**.

We seek any comments or information that may lead to the discovery of a significant environmental impact from this proposed rule.

#### List of Subjects in 33 CFR Part 165

Harbors, Marine safety, Navigation (water), Reporting and recordkeeping requirements, Security measures, Waterways.

For the reasons discussed in the preamble, the Coast Guard proposes to amend 33 CFR parts 165 as follows:

#### PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

1. The authority citation for part 165 continues to read as follows:

**Authority:** 33 U.S.C. 1231; 46 U.S.C. Chapters 701, 3306, 3703; 50 U.S.C. 191, 195; 33 CFR 1.05–1, 6.04–1, 6.04–6, and 160.5; Pub. L. 107–295, 116 Stat. 2064; Department of Homeland Security Delegation No. 0170.1.

2. Add § 165.T09–0352 to read as follows:

#### § 165.T09–0352 Safety Zone; City of Tonawanda July 4th Celebration, Niagara River, Tonawanda, NY.

(a) *Location.* The safety zone will encompass all waters of the Niagara River, Tonawanda, NY within a 1400 FT radius of position 43°01'39.59" N and 78°53'07.48" W (NAD 83).

(b) *Effective and Enforcement Period.* This regulation is effective and will be enforced on July 4, 2012 from 8:45 p.m. until 10:15 p.m.

(c) *Regulations.*

(1) In accordance with the general regulations in section 165.23 of this part, entry into, transiting, or anchoring within this safety zone is prohibited unless authorized by the Captain of the Port Buffalo or his designated on-scene representative.

(2) This safety zone is closed to all vessel traffic, except as may be permitted by the Captain of the Port Buffalo or his designated on-scene representative.

(3) The “on-scene representative” of the Captain of the Port Buffalo is any Coast Guard commissioned, warrant or petty officer who has been designated by the Captain of the Port Buffalo to act on his behalf. The on-scene representative of the Captain of the Port Buffalo is any Coast Guard commissioned, warrant or petty officer who has been designated by the Captain of the Port Buffalo to act on his behalf.

(4) Vessel operators desiring to enter or operate within the safety zone shall contact the Captain of the Port Buffalo or his on-scene representative to obtain permission to do so. The Captain of the Port Buffalo or his on-scene representative may be contacted via VHF Channel 16. Vessel operators given permission to enter or operate in the safety zone must comply with all directions given to them by the Captain of the Port Buffalo, or his on-scene representative.

Dated: May 3, 2012.

#### Background and Purpose

Currently, 33 CFR 165.941 permanently lists fifty-six permanent safety zones within the Captain of the Port Detroit Zone. Each of these fifty-six permanent safety zones corresponds to an annually recurring fireworks display. A recent survey within the Captain of the Port Detroit Zone revealed four additional recurring events that we believe require a safety zone because these events will present dangers to the boating public. The likely combination of large numbers of inexperienced recreational boaters, congested waterways, darkness punctuated by bright flashes of light, alcohol use, and debris falling into the water could easily result in serious injuries or fatalities. Three of these four additional fireworks displays recur within a single month each year. The other one of these events, the Put-In-Bay Chamber of Commerce Fireworks, recurs four times a year—twice in June and twice in September.
