

establish Tier 4 eligibility. Under the phase-out provisions, claimants in this state can receive any remaining entitlement they have in Tier 4 after May 12, 2012.

- Claimants in states that are triggered “on” to Tier 4 of the EUC08 program, but not triggered “on” to EB, may be eligible for augmentation of their Tier 4 entitlement from a maximum potential duration of 6 weeks to a maximum potential duration of 16 weeks. Details on this can be found at the bottom of the page for this link: http://wdr.doleta.gov/directives/corr_doc.cfm?DOCN=5271. States currently affected by this provision are Arizona, Georgia, Indiana, Kentucky, Michigan, Mississippi, Oregon, Puerto Rico, and South Carolina. States that will be eligible to provide for up to 16 weeks of Tier 4 benefits for new Tier 4 claimants starting May 13 are California, Florida, Illinois, and North Carolina.

Information for Claimants

The duration of benefits payable in the EUC08 program, and the terms and conditions under which they are payable, are governed by Public Laws 110–252, 110–449, 111–5, 111–92, 111–118, 111–144, 111–157, 111–205, 111–312, 112–96, and the operating instructions issued to the states by the Department. In the case of a state concluding an EB period, the State Workforce Agency will furnish a written notice of any change in potential entitlement to each individual who had established eligibility for EB (20 CFR 615.13(c)(4)). Persons who believe they may be entitled to benefits under the EB or EUC08 program, or who wish to inquire about their rights under the program, should contact their State Workforce Agency.

SUPPLEMENTARY INFORMATION: The Assistant Secretary of Labor for Occupational Safety and Health (Assistant Secretary) invites interested individuals to submit nominations for membership on the Whistleblower Protection Advisory Committee (WPAC).

WPAC’s duties are solely advisory and consultative. WPAC advises, consults with, and makes recommendations to the Secretary of Labor (Secretary) and the Assistant Secretary on matters relating to the improvement of the fairness, efficiency, effectiveness and transparency of OSHA’s whistleblower protection activities. In particular, WPAC will make recommendations regarding the development and/or implementation of:

- Better customer service to both workers who raise complaints and employers who are the subject of investigations;
- Improvement in the investigative and enforcement process, and the training of OSHA investigators;
- Improvement of regulations governing OSHA investigations;
- Cooperative activities with federal agencies responsible for areas also covered by the whistleblower protection statutes enforced by OSHA; and
- Other matters concerning the fairness, efficiency and transparency of OSHA's whistleblower investigations as identified by the Secretary or the Assistant Secretary.

WPAC is a continuing advisory body and operates in compliance with the Occupational Safety and Health Act of 1970, as well as the Federal Advisory Committee Act (5 U.S.C. App. 2) and its implementing regulations (see "Authority and Signature" section).

WPAC is comprised of 12 voting members, all of whom the Secretary appoints. The composition of WPAC and categories of new members to be appointed are as follows:

- Four management representatives who are employers or are from employer associations in industries covered by one or more of the whistleblower laws;
- Four labor representatives who are workers or from worker advocacy organizations in industries covered by one or more of the whistleblower laws;
- One member represents the State Plan states; and
- Three public representatives from colleges, universities, non-partisan think tanks, and/or other entities, that have extensive knowledge and expertise on whistleblower statutes and issues.

In addition, the committee will also have three Ad hoc/Ex-officio/Non-voting members who are regular government employees from other Federal Government agencies. They will be selected by the Secretary from Departments that have jurisdiction over statutes with whistleblower provisions, for example, the Securities and Exchange Commission (Sarbanes-Oxley Act), or the Department of Transportation's Federal Aviation Administration (Wendell H. Ford Aviation Investment and Reform Act for the 21st Century), or the Federal Railroad Administration (Federal Railroad Safety Act).

The members serve two-year terms, unless a member becomes unable to serve, resigns, ceases to be qualified to serve, or is removed by the Secretary. If a vacancy occurs before a term expires, the Secretary may appoint a new

member who represents the same interest as the predecessor to serve for the remainder of the unexpired term. The committee meets at least two times a year.

Any individual or organization may nominate one or more qualified persons for membership. Nominations must include the nominee's name, contact information, and current occupation or position. The nomination also must include a resume of the nominee's background, experience and qualifications. The nomination must identify the category that the candidate is qualified to represent, and include a statement that the nominee is aware of the nomination and is willing to serve on WPAC for a two-year term.

WPAC members will be selected on the basis of their experience, knowledge, and competence in the field of whistleblower protection. The information received through this nomination process, in addition to other relevant sources of information, will assist the Secretary in appointing members to serve on WPAC. In selecting WPAC members, the Secretary will consider individuals nominated in response to this **Federal Register** notice, as well as other qualified individuals.

Before candidates are appointed, the U.S. Department of Labor (Department) conducts a basic background check using publically available, Internet-based sources.

The Department is committed to bringing greater diversity of thought, perspective and experience to its advisory committees. In addition, the Department encourages nominees of all races, genders, ages, disabilities and sexual orientations to apply.

NATIONAL ARCHIVES AND RECORDS ADMINISTRATION

Records Schedules; Availability and Request for Comments

AGENCY: National Archives and Records Administration (NARA).

ACTION: Notice of availability of proposed records schedules; request for comments.

SUMMARY: The National Archives and Records Administration (NARA) publishes notice at least once monthly of certain Federal agency requests for records disposition authority (records schedules). Once approved by NARA, records schedules provide mandatory instructions on what happens to records when no longer needed for current Government business. They authorize the preservation of records of continuing value in the National Archives of the United States and the destruction, after a specified period, of records lacking administrative, legal, research, or other value. Notice is published for records schedules in which agencies propose to destroy records not previously authorized for disposal or reduce the retention period of records already authorized for disposal. NARA invites public comments on such records schedules, as required by 44 U.S.C. 3303a(a).

DATES: Requests for copies must be received in writing on or before July 12, 2012. Once the appraisal of the records is completed, NARA will send a copy of the schedule. NARA staff usually prepare appraisal memorandums that contain additional information concerning the records covered by a proposed schedule. These, too, may be requested and will be provided once the appraisal is completed. Requesters will be given 30 days to submit comments.

ADDRESSES: You may request a copy of any records schedule identified in this notice by contacting Records Management Services (ACNR) using one of the following means:

Mail: NARA (ACNR), 8601 Adelphi Road, College Park, MD 20740–6001.

Email: request.schedule@nara.gov.

Fax: 301–837–3698.

Requesters must cite the control number, which appears in parentheses after the name of the agency which submitted the schedule, and must provide a mailing address. Those who desire appraisal reports should so indicate in their request.
