V. Program Provisions

This section of the Notice identifies the procedures the Agency will use to process and select applicants for licensing as a non-leveraged RBIC. More information about the RBIP is available in the regulation at 7 CFR part 4290.

The Agency will select applicants for licensing as a non-leveraged RBIC on a first-come, first-served basis. For Fiscal Year 2012, the Agency intends to award no more than one non-leveraged license.

The Agency will review each application it receives in response to this Notice with regard to eligibility and completeness. If the application is incomplete, the Agency will notify the applicant of the missing information. The applicant must then provide the missing information in order for the Agency to further review the application.

As noted above, the Agency will select applicants on a first-come, first-served basis. The Agency will determine the order of applications based on the date the Agency receives a complete application. For example, if an application is received on July 1, but is incomplete, and the applicant supplies the Agency with the missing information on August 1, then that application will be considered for selection on the basis of the August 1 date—the date on which the Agency received a complete application. Therefore, the Agency encourages applicants to ensure their applications are complete prior to submitting them.

Only those applications that are eligible will be processed further for determining whether the applicant will be licensed as a non-leveraged RBIC. The Agency anticipates being able to further process only one application in FY 2012. The Agency will not begin processing additional complete and eligible applications until the evaluation of the first application has been completed. Thus, most of the complete and eligible applications received in response to this Notice will be processed in FY 2013 and beyond in the order received.

For each application that receives further processing, the Agency will focus its assessment of the application on the consistency of the newly-formed RBIC's business plan with the goals of the RBIC program and on the applicant's

management team's qualifications. Following this assessment, if the initial recommendation is favorable, the Agency, or its designee, will interview the applicant's management team.

Based on the assessment and interview, a recommendation will be made as to whether or not to select the applicant for non-leveraged status. If the recommendation is favorable, the Agency will send to the applicant a Letter of Conditions (also known as a "Green Light" letter) and the applicant will be invited to submit an updated RD Form 4290-1, Part I, Management Assessment Questionnaire, and RD Form 4290-2, Part II, Exhibits. Upon receipt of the Letter of Conditions, the applicant has 24 months to raise their private equity capital. Once a selected applicant has achieved full compliance with the regulations governing licensing as an RBIC, the Agency will issue the non-leveraged license to the RBIC.

VI. Administrative Information Applicable to This Notice

A. Notifications

(1) **Eligibility.** If an applicant is determined by the Agency to be eligible for participation, the Agency will notify the applicant in writing.
