

*Policy Justification**Thailand—UH-60M BLACK HAWK Helicopters*

The Government of Thailand (GoT) has requested a possible sale of 4 UH-60M BLACK HAWK Helicopters, 10 T700-GE-701D Engines (8 installed and 2 spares), warranty, support equipment, spare and repair parts, personnel training and training equipment, publications and technical data, U.S. Government and contractor technical assistance, and other related logistics support. The estimated cost is \$235 million.

This proposed sale will contribute to the foreign policy and national security of the United States, by helping to improve the security of a friendly country which has been, and continues to be, an important force for political stability and economic progress in South-East Asia.

The Government of Thailand intends to use the UH-60s to modernize its armed forces. This proposed sale will contribute to the GoT objective to update its military capabilities and improve interoperability between

Thailand and the U.S., and among other allies.

The proposed sale of these helicopters and support will not alter the basic military balance in the region.

The principal contractors will be Sikorsky Aircraft Company in Stratford, Connecticut; and General Electric Aircraft Company (GEAC) in Lynn, Massachusetts. There are no known offset agreements proposed in connection with this potential sale.

Implementation of this proposed sale will require U.S. Government representatives to travel to Thailand for a period of 5 weeks for equipment deprocessing/fielding, system checkout and new equipment training and a Contractor Furnished Service Representative (CFSR) for a period of one year.

There will be no adverse impact on U.S. defense readiness as a result of this proposed sale.
