[Investigation No. 337-TA-818]

Certain Devices With Secure Communication Capabilities, Components Thereof, and Products Containing the Same Decision Not To Review an Initial Determination Terminating the Investigation Due To Lack of Standing and Order No. 14 Denying Complainant's Renewed Motion To Amend the Complaint and Notice of Investigation; Termination of the Investigation**AGENCY:** U.S. International Trade Commission.**ACTION:** Notice.

SUMMARY: Notice is hereby given that the U.S. International Trade Commission has determined not to review an initial determination ("ID") (Order No. 15) of the presiding administrative law judge ("ALJ") terminating the above-captioned investigation due to lack of standing of complainant VirnetX, Inc. ("VirnetX") of Zephyr Cove, Nevada. The Commission has also determined not to review the ALJ's Order No. 14 denying complainant's renewed motion to amend the complaint and notice of investigation to add Science Applications International Corporation ("SAIC") as a complainant. The Commission has terminated the investigation.

FOR FURTHER INFORMATION CONTACT: Clint Gerdine, Esq., Office of the General Counsel, U.S. International Trade Commission, 500 E Street SW., Washington, DC 20436, telephone (202) 708-2310. Copies of non-confidential documents filed in connection with this investigation are or will be available for inspection during official business hours (8:45 a.m. to 5:15 p.m.) in the Office of the Secretary, U.S. International Trade Commission, 500 E Street SW., Washington, DC 20436, telephone (202) 205-2000. General information concerning the Commission may also be obtained by accessing its Internet server at <http://www.usitc.gov>. The public record for this investigation may be viewed on the Commission's electronic docket (EDIS) at <http://edis.usitc.gov>. Hearing-impaired persons are advised that information on this matter can be obtained by contacting the Commission's TDD terminal on (202) 205-1810.

SUPPLEMENTARY INFORMATION: The Commission instituted this investigation on December 7, 2011, based on a complaint filed by VirnetX. 76 FR

76435-36. The complaint alleges a violation of section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337, in the importation into the United States, the sale for importation, and the sale within the United States after importation of certain devices with secure communication capabilities, components thereof, and products containing the same by reason of infringement of certain claims of U.S. Patent No. 8,051,181 ("the '181 patent"). The complaint further alleges the existence of a domestic industry. The Commission's notice of investigation named Apple Inc. ("Apple") of Cupertino, California as the sole respondent. No Commission investigative attorney is participating in this investigation.

On April 30, 2012, Apple moved to terminate the investigation based on VirnetX's lack of standing pursuant to Commission rule 210.21(a)(1). VirnetX filed an opposition to the motion.

The ALJ issued the subject ID on July 18, 2012, granting Apple's motion for termination of the investigation. He found that VirnetX does not possess all substantial rights in the '181 patent, and therefore lacks standing to assert the patent in this investigation. On the same date, the ALJ issued Order No. 14 denying VirnetX's renewed motion to amend the complaint and notice of investigation to add SAIC as a complainant. VirnetX petitioned for review of the ALJ's ID and Order No. 14 on July 27, 2012, and Apple filed a response in opposition on August 3, 2012.

Having reviewed the record including the parties' briefing, the Commission has determined not to review the ALJ's ID or Order No. 14, and has terminated the investigation.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337, and in sections 210.21 and 210.42(h) of the Commission's Rules of Practice and Procedure, 19 CFR 210.21, 210.42(h).

Issued: August 20, 2012.

By order of the Commission.

Lisa R. Barton,

Acting Secretary to the Commission.

BILLING CODE 4410-15-P

DEPARTMENT OF JUSTICE

Notice of Lodging of Proposed Fourth Amendment to the Consent Decree Under the Clean Air Act

Notice is hereby given that on August 17, 2012, a proposed Fourth Amendment to Consent Decree was lodged with the United States District Court for the Eastern District of Pennsylvania in *United States of America; Commonwealth of Pennsylvania; City of Philadelphia; State of Oklahoma; and State of Ohio v. Sunoco, Inc.*, Civil Action 05-02866.

The Court entered the Original Consent Decree in this case on March 21, 2006. The Court entered the First Amendment to the Consent Decree on June 3, 2009. On August 31, 2011, the Court entered and approved the Second and Third Amendments to the Consent Decree.

This Fourth Amendment to the Consent Decree proposes four revisions to the consent decree. They are: (1) A transfer of uncompleted or ongoing responsibilities for the Philadelphia Refinery to PES R&M LLC; (2) an extension of the time for achieving final SO₂ and NO_x emissions limits at Philadelphia's 868 FCCU from 2014 until 2016; (3) allowance of the emissions reductions achieved by reaching the final SO₂ and NO_x limits on the 868 FCCU or achieved from the

permanent shut down of the Marcus Hook Refinery (to the extent the Philadelphia and Marcus Hook Refineries are determined to be a single source) to be used as credits or offsets in any PSD, major non-attainment and or minor NSR permits provided that the new or modified units meet BACT; and (4) a requirement to install, operate and maintain fence line monitoring of refinery pollutants.

Sunoco has completed the installation of the WGS and SCR at the Philadelphia 1232 FCCU as required under the Consent Decree. PES R&M LLC will step into the shoes of Sunoco for all injunctive relief requirements that have not yet been fulfilled or that are ongoing. The amendment changes references from "Sunoco" where appropriate to "PES R&M LLC", and changes other references, where there are similar requirements across all refineries, to "PES R&M LLC (with regard to the Philadelphia refinery)."

The publication of this notice opens a period for public comment on the Fourth Amendment to the Consent Decree. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, and should refer to *United States of America; Commonwealth of Pennsylvania; City of Philadelphia; State of Oklahoma; and State of Ohio v.
