Automatic Underfrequency Load Shedding and Load Shedding Plans Reliability Standards; Notice of Compliance Filing

Take notice that on August 9, 2012, North American Electric Reliability Corporation submitted a compliance filing in response to the directives in Order No. 763.¹

Any person desiring to intervene or to protest this filing must file in accordance with Rules 211 and 214 of the Commission’s Rules of Practice and Procedure (18 CFR 385.211, 385.214). Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a notice of intervention or motion to intervene, as appropriate. Such notices, motions, or protests must be filed on or before the comment date. On or before the comment date, it is not necessary to serve motions to intervene or protests on persons other than the Applicant.

The Commission encourages electronic submission of protests and interventions in lieu of paper using the “eFiling” link at <http://www.ferc.gov>. Persons unable to file electronically should submit an original and 14 copies of the protest or intervention to the Federal Energy Regulatory Commission,

888 First Street, NE., Washington, DC 20426.

Jordan Cove Energy Project LP, Pacific Connector Gas Pipeline LP; Notice of Extension of Comment Period and Additional Public Scoping Meetings for the Jordan Cove Liquefaction and Pacific Connector Pipeline Projects

This notice announces the extension of the public scoping process and comment period for Jordan Cove Energy Project LP's (Jordan Cove) proposed liquefaction project in Coos County, Oregon, in Docket No. PF12-7-000, and

Pacific Connector Gas Pipeline LP's (Pacific Connector) proposed pipeline project crossing portions of Klamath, Jackson, Douglas, and Coos Counties, Oregon, in Docket No. PF12-17-000. In addition to extending the scoping period, the Commission staff will conduct two additional public scoping meetings, with dates and times to be announced at a later date. Please note that the scoping period will now close on October 29, 2012.

On August 2, 2012, the Federal Energy Regulatory Commission (FERC or Commission), in cooperation with the U.S. Department of Agriculture Forest Service (Forest Service), and the U.S. Department of the Interior Bureau of Land Management (BLM), issued a *Notice of Intent to Prepare an Environmental Impact Statement for the Planned Jordan Cove Liquefaction and Pacific Connector Pipeline Projects, Requests for Comments on Environmental Issues, and Notice of Public Scoping Meetings* (NOI). The NOI solicited comments on the potential environmental impacts of the proposed projects and announced the time and location of four public meetings. The environmental comments received will allow the staffs of the Commission, Forest Service, and BLM to focus attention on issues important to the public during our preparation of an Environmental Impact Statement (EIS) for the projects.

You can attend any of the scoping meetings to provide verbal comments.¹ In lieu of or in addition to providing comments at the meetings, you can submit written comments to the Commission. In order for your written comments to be considered and addressed in the EIS, they should be properly filed with the Commission. There are three methods you can use to submit your comments to the FERC. In all instances, please reference the docket numbers for these projects (PF12-7-000 and PF12-17-000) with your submission.

(1) You can file your comments electronically using the eComment feature located on the Commission's Web site (www.ferc.gov) under the Documents & Filings link. This is an easy method for interested persons to submit brief, text-only comments on a project;

(2) You can file your comments electronically using the eFiling feature located on the Commission's Web site (www.ferc.gov) under the Documents & Filings link. With eFiling, you can

¹ Verbal comments at the public scoping meetings will be transcribed by a court reporter and placed into the public record for these proceedings.

provide comments in a variety of formats by attaching them as a file with your submission. New eFiling users must first create an account by clicking on "eRegister." You must select the type of filing you are making. If you are filing a comment on a particular project, please select "Comment on a Filing;" or

(3) You can file a paper copy of your comments by mailing them to the following address: Kimberly D. Bose, Secretary, Federal Energy Regulatory Commission, 888 First Street NE., Room 1A, Washington, DC 20426.
