[Docket No. FR-5603-N-69]

Notice of Submission of Proposed Information Collection to OMB: Public Housing Agency, Lease Requirements, Recordkeeping Requirements

AGENCY: Office of the Chief Information Officer, HUD.

ACTION: Notice.

SUMMARY: The proposed information collection requirement described below has been submitted to the Office of Management and Budget (OMB) for review, as required by the Paperwork Reduction Act. The Department is soliciting public comments on the subject proposal.

The Public Housing lease and grievance procedures are a recordkeeping requirement on the part of Public Housing agencies (PHAs) as they are required to enter into and maintain lease agreements for each individual or family that occupies a Public Housing unit. Also, both PHAs and tenants are required to follow the protocols set forth in the grievance procedures for both an informal and formal grievance hearing. The current revision was needed to correct errors in the 2009 calculation. The earlier calculation had over the amount of time needed to complete the form. The previous submission incorrectly included the number of responding PHAs in the calculation and also incorrectly assumed that 100% of households would be reviewing or initiating a lease. The correction of the errors brought the number of burden hours down from 5,671,800 to 339,822.

DATES: *Comments Due Date:* October 26, 2012.
