Joshua Morris or Tyson Smith, AD/CVD Operations, Office 1, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482–1779 or (202) 482–2044, respectively.

Background

On July 31, 2012, the Department published a notice of initiation of an antidumping duty administrative review of the antidumping order on certain small diameter carbon and alloy seamless standard, line and pressure pipe (under 4½ inches) (hereinafter, "small diameter pipe") from Japan for the period of June 1, 2011, through May 31, 2012. The review covered Canadian

Natural Resources Ltd. (“CNRL”), a Canadian exporter of small diameter pipe, which had requested an administrative review of itself.¹

Rescission of Administrative Review

Pursuant to 19 CFR 351.213(d)(1), the Secretary will rescind an administrative review, in whole or in part, if the party that requested the review withdraws the request within 90 days of the date of publication of the notice of initiation of the requested review. On August 30, 2012, CNRL withdrew its request for review within the 90-day period. No other party requested a review and, therefore, the Department is rescinding this administrative review.

Assessment

The Department will instruct U.S. Customs and Border Protection (“CBP”) to assess antidumping duties on all appropriate entries. For CNRL, antidumping duties shall be assessed at rates equal to the cash deposit rate in effect on the date of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). The Department intends to issue appropriate assessment instructions to CBP 15 days after publication of this notice of rescission of administrative review.

Notification Regarding Administrative Protective Order

This notice serves as a final reminder to parties subject to administrative protective order (“APO”) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a sanctionable violation.

This notice is issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Tariff Act of 1930, as amended, and 19 CFR 351.213(d)(4).

Dated: September 20, 2012.

A list of the issues which parties raised, and to which we respond in the I&D Memo is attached to this notice as Appendix I. The I&D Memo is a public document and is on file electronically via Import Administration’s Antidumping and Countervailing Duty Centralized Electronic Service System (“IA ACCESS”). IA ACCESS is available to registered users at <http://iaaccess.trade.gov> and in the Central Records Unit (“CRU”), room 7046 of the main Department of Commerce building. The signed I&D Memo and the electronic versions of the I&D Memo are identical in content.

Changes Since the Preliminary Results

The Department has made changes to the preliminary margin calculation. Specifically, we:

- Used the unconsolidated financial statement of Aditya Birla Chemicals (Thailand), Ltd., to calculate all surrogate financial ratios;³
- Valued electricity using data from the Thai Metropolitan Electric Authority;⁴
- Capped Xingfa’s supplier distances;⁵
- Valued truck freight and brokerage and handling using *Doing Business: Thailand 2011*;⁶
- Valued white coal using a Thai harmonized tariff schedule number (“HTS”) for anthracite; and⁷
- Valued super sacks using a Thai HTS.⁸

Scope of the Order

The merchandise subject to this review is sodium hexametaphosphate. Sodium hexametaphosphate is a water-soluble polyphosphate glass that consists of a distribution of polyphosphate chain lengths. It is a collection of sodium polyphosphate polymers built on repeating NaPO₃ units. Sodium hexametaphosphate has a P₂O₅ content from 60 to 71 percent.
