

(A) Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

The purpose of proposed rule change is to update Schedule 502 of the ICC Rules in order to be consistent with the scheduled index series listings occurring on September 20, 2012 and September 27, 2012. The North American credit default swap indices scheduled to be listed (the "Scheduled Indices") are: Investment Grade, Series 19, 5- and 10-year to be listed on September 20, 2012; Emerging Markets, Series 18, 5-year to be listed on September 20, 2012; and High Yield, Series 19, 5-year to be listed on September 27, 2012. The Scheduled Indices update does not require any changes to the body of the ICC Rules. Also, the Scheduled Indices update does not require any changes to the ICC risk management framework. The only change being submitted is the update to the Scheduled Indices in Schedule 502 of the ICC Rules.

ICC believes that the update to the three Scheduled Indices is consistent with the purposes and requirements of Section 17A of the Act⁵ and the rules and regulations thereunder applicable to ICC because it will facilitate the prompt and accurate settlement of derivatives agreements.

(B) Self-Regulatory Organization's Statement on Burden on Competition

ICC does not believe the proposed rule change would have any impact, or impose any burden, on competition.

(C) Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

Written comments relating to the proposed rule change have not been solicited or received. ICC will notify the Commission of any written comments received by ICC.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)⁶ of the Act and Rule 19b-4(f)(4)(i)⁷ thereunder because by updating the three Scheduled Indices, it effects a change in an existing service of ICC that does not adversely affect the safeguarding of securities or funds in the custody or control of ICC or for which it is responsible, and does not

significantly affect the respective rights or obligations of ICC or the persons using it. At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

October 2, 2012.

On April 27, 2012, NYSE Arca, Inc. ("Exchange" or "NYSE Arca") filed with the Securities and Exchange Commission ("Commission"), pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² a proposed rule change to create and implement, on a pilot basis, a Lead Market Maker ("LMM") Issuer Incentive Program ("Fixed Incentive Program") for issuers of certain exchange-traded products ("ETPs") listed on the Exchange. The proposed rule change was published for comment in the **Federal Register** on May 17, 2012.³ The Commission initially received two comment letters on the proposal.⁴ On June 20, 2012, pursuant to Section 19(b)(2) of the Act,⁵ the Commission extended the time

period for Commission action on the proposed rule change to August 15, 2012.⁶ The Commission subsequently received one additional comment letter on the NYSE Arca Proposal.⁷ On July 11, 2012, the Commission instituted proceedings to determine whether to approve or disapprove the proposed rule change.⁸ The Commission thereafter received six comment letters and a response letter from the Exchange.⁹

Section 19(b)(2) of the Act¹⁰ provides that, after initiating disapproval proceedings, the Commission shall issue an order approving or disapproving the proposed rule change not later than 180 days after the date of publication of notice of filing of the proposed rule change. The Commission may extend the period for issuing an order approving or disapproving the proposed rule change, however, by not more than 60 days if the Commission determines that a longer period is appropriate and publishes the reasons for such determination. The proposed rule change was published for notice and comment in the **Federal Register** on May 17, 2012. November 13, 2012 is 180 days from that date, and January 12, 2013 is 240 days from that date.

The Commission finds it appropriate to designate a longer period within which to issue an order approving or disapproving the proposed rule change so that it has sufficient time to consider this proposed rule change, the issues raised in the comment letters that have been submitted in response to the proposed rule change, including comment letters submitted in response to the Order Instituting Proceedings, and the Exchange's responses to such comments.

Accordingly, the Commission, pursuant to Section 19(b)(2) of the

Act,¹¹ designates January 12, 2013 as the date by which the Commission should either approve or disapprove the proposed rule change (File Number SR–NYSEArca–2012–37).

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34–67960; File No. SR–EDGA–2012–44]

Self-Regulatory Organizations; EDGA Exchange, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Relating to EDGA Rule 11.5 To Add a New Order Type

October 2, 2012.

Pursuant to Section 19(b)(1)¹ of the Securities Exchange Act of 1934 (the “Act”)² and Rule 19b–4 thereunder,³ notice is hereby given that on September 25, 2012, EDGA Exchange, Inc. (the “Exchange” or “EDGA”) filed with the Securities and Exchange Commission (the “Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend Rule 11.5(c) to add a new order type, the NBBO Offset Peg Order, to the rule. The text of the proposed rule change is available on the Exchange's Web site at www.directedge.com, at the Exchange's principal office and at the Public Reference Room of the Commission.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the

proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The self-regulatory organization has prepared summaries, set forth in Sections A, B and C below, of the most significant aspects of such statements

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to add a new order type to Exchange Rule 11.5(c), the NBBO Offset Peg Order. While the NBBO Offset Peg Order would be available for all Users,⁴ the Exchange believes it would be particularly useful for, and therefore used predominately, if not exclusively, by Members⁵ acting as Market Makers⁶ in accordance with applicable Exchange Rules.⁷

The NBBO Offset Peg Order would enable Users to submit buy and sell orders to the Exchange that are pegged to a designated percentage away from the National Best Bid (the “NBB”) and National Best Offer (the “NBO”, and together with the NBB, the “NBBO”), respectively, while providing them full control over order origination and order marking. This retention of control, in turn, would enable Market Makers to comply independently with the requirements of Regulation SHO⁸ under the Securities Exchange Act of 1934 (the “Act”) and Rule 15c3–5⁹ under the Act (the “Market Access Rule”), as described in more detail below.¹⁰

Background

The Market Access Rule requires that any broker-dealer with market access, or that provides a customer or any other person with market access, must establish, document and maintain a system of risk management controls and supervisory procedures reasonably designed to manage the financial, regulatory and other risks of this
