

examined and no evidence was found to indicate that any hazardous substances have been stored for 1 year or more, nor had any hazardous substances been disposed of or released on the subject property.

No warranty of any kind, express or implied, is given by the United States as to the title, whether or to what extent the land may be developed, its physical condition, future uses, or any other circumstance or condition. The conveyance of this parcel will not be on a contingency basis. However, to the extent required by law, the parcel is subject to the requirements of Section 120(h) of the CERCLA.

Unless other satisfactory arrangements are approved in advance by a BLM authorized officer, conveyance of title shall be through the use of escrow. Designation of the escrow agent shall be through mutual agreement between the BLM and the prospective patentee, and costs of escrow shall be borne by the prospective patentee. Requests for all escrow instructions must be received by the BLM Las Vegas Field Office 30 days before the prospective patentee's scheduled closing date. There are no exceptions.

No contractual or other rights against the United States may accrue until the BLM officially accepts the offer to purchase, and the full bid price is submitted by the 180th day following the sale.

All name changes and supporting documentation must be received at the BLM Las Vegas Field Office 30 days before the date on the high-bidder letter by 4:30 p.m., Pacific Time. Name changes will not be accepted after that date. To submit a name change, the apparent high bidder must submit the name change in writing on the Certificate of Eligibility form to the BLM Las Vegas Field Office.

The remainder of the full bid price for the parcel must be paid prior to the expiration of the 180th day following the close of the sale. Payment must be submitted in the form of a certified check, U.S. postal money order, bank draft or cashier's check made payable in U.S. dollars to the "Department of the Interior—Bureau of Land Management." Personal or company checks will not be accepted.

Arrangements for electronic fund transfer to BLM for payment of the balance due must be made a minimum of 2 weeks prior to the payment date. Failure to pay the full bid price prior to the expiration of the 180th day will disqualify the apparent high bidder and cause the entire 20 percent bid deposit to be forfeited to the BLM. Forfeiture of

the 20 percent bid deposit is in accordance with 43 CFR 2711.3–1(d). No exceptions will be made. The BLM cannot accept the remainder of the bid price after the 180th day of the sale date.

The BLM will not sign any documents related to 1031 Exchange transactions. The timing for completion of an exchange is the bidder's responsibility in accordance with Internal Revenue Service regulations. The BLM is not a party to any 1031 Exchange.

In accordance with 43 CFR 2711.3–1(f), the BLM may accept or reject any or all offers to purchase, or withdraw any parcel of land or interest therein from sale, if, in the opinion of a BLM authorized officer, consummation of the sale would be inconsistent with any law, or for other reasons.

On publication of this Notice and until completion of the sale, the BLM is no longer accepting land use applications affecting the parcel identified for sale. However, land use applications may be considered after the sale if the parcel is not sold. The parcel may be subject to land use applications received prior to publication of this Notice if processing the application would have no adverse effect on the marketability of title, or the FMV of the parcel. Encumbrances of record that may appear in the BLM public files for the parcel proposed for sale are available for review during business hours, 7:30 a.m. to 4:30 p.m., Pacific Time, Monday through Friday, at the Las Vegas Field Office, except during federally recognized holidays.

In order to determine the FMV, certain assumptions may have been made concerning the attributes and limitations of the lands and potential effects of local regulations and policies on potential future land uses. Through publication of this Notice, the BLM advises that these assumptions may not be endorsed or approved by units of local government. It is the buyer's responsibility to be aware of all applicable Federal, State, and local government laws, regulations and policies that may affect the subject lands, including any required dedication of lands for public uses. It is also the buyer's responsibility to be aware of existing or prospective uses of nearby properties. When conveyed out of Federal ownership, the lands will be subject to any applicable laws, regulations, and policies of the applicable local government for proposed future uses. It will be the responsibility of the purchaser to be aware through due diligence of those laws, regulations, and policies, and to seek any required local approvals for future uses. Buyers should also make

themselves aware of any Federal or State law or regulation that may impact the future use of the property. Any land lacking access from a public road or highway will be conveyed as such, and future access acquisition will be the responsibility of the buyer.

Information concerning the sale, appraisals, reservations, procedures and conditions, CERCLA and other environmental documents are available for review at the BLM Las Vegas Field Office at the address listed above. Only written comments will be considered properly filed.

Before including your address, phone number, email address, or other personal identifying information in your comment—you should be aware that your entire comment, including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

Any adverse comments regarding the proposed sale will be reviewed by the BLM Nevada State Director, who may sustain, vacate, or modify this realty action. In the absence of any valid adverse comments, this realty action will become the final determination of the Department of the Interior.

#### Notice of Temporary Closure on Public Lands in Mesa County, CO

**AGENCY:** Bureau of Land Management, Interior.

**ACTION:** Notice of Temporary Closure.

**SUMMARY:** Notice is hereby given that a temporary closure is in effect on public lands administered by the Bureau of Land Management (BLM), Grand Junction Field Office, Grand Junction, Colorado.

**DATES:** This Temporary Closure will be in effect from 12:01 a.m. (Mountain Time) on Thursday, July 12, 2012, until 11:59 p.m. (Mountain Time) on Friday, July 12, 2013.

**ADDRESSES:** The Grand Junction Field Office address is 2815 H Road, Grand Junction, Colorado 81506.

**FOR FURTHER INFORMATION CONTACT:** Catherine Robertson, Grand Junction Field Office Manager, at the above address or by phone at 970-244-3000. Persons who use a telecommunications device for the deaf (TDD) may call the Federal Information Relay Service (FIRS) at 800-877-8339 to contact the above individual during normal business hours. The FIRS is available 24 hours a day, 7 days a week, to leave a message or question with the above individual. You will receive a reply during normal business hours.

**SUPPLEMENTARY INFORMATION:** This temporary closure affects public lands burned in the Pine Ridge Fire northeast of Grand Junction, Mesa County, Colorado. The public lands within the temporary closure are administered by the BLM, Grand Junction Field Office. The northern boundary of the temporary closure is located at Route 7729A; the western boundary of the temporary closure is located approximately 8 miles west of De Beque, Colorado; the eastern boundary of the temporary closure is located at Interstate 70 and the Colorado River; and the southern boundary of the temporary closure is located at Cottonwood Creek. The legal description of the affected lands is:

**Colorado, Sixth Principal Meridian**

T. 9 S., R. 97 W., Sections 18, 19, and 30;  
T. 9 S., R. 98 W., Sections 13 to 36, inclusive;  
T. 10 S., R. 98 W., Sections 1 to 3, inclusive;  
T. 9 S., R. 99 W., Sections 25 and 36.

This temporary closure is necessary due to the severe intensity of the Pine Ridge Fire. The fire destroyed much of the natural vegetation that held soils in place. A temporary closure of public land to vehicle and foot traffic within the burned area is necessary to stabilize soils, prevent erosion and protect public health and safety. The BLM spread a quick germinating, hybrid annual seed and plans to disperse native species seeds in the affected area. The dispersed seeds need to be left undisturbed to create root structure and stabilize soils. Soil erosion prevention, re-seeding operations and damage surveys are required for successful stabilization and rehabilitation of the burn area. Public use of the burned area will hamper these efforts and delay rehabilitation.

The BLM will post closure signs at main entry points to the temporary closure area. The closure notice will be posted in the Grand Junction Field Office along with maps of the affected area and other documents associated with this closure including the Environmental Assessment for the Pine

Ridge Fire (DOI-BLM-CO-130-2012-0048-EA). Under the authority of Section 303(a) of the Federal Land Policy and Management Act of 1976 (43 U.S.C. 1733(a)), 43 CFR 8360.0-7 and 43 CFR 8364.1, the BLM will enforce the following rule on public land affected by the Pine Ridge Fire described as follows: You must not enter the Pine Ridge Fire Temporary Closure Area by any means of transportation, including by vehicle or foot.

The following persons are exempt from this order: Federal, state, and local officers and employees in the performance of their official duties; members of organized rescue or firefighting forces in the performance of their official duties; and persons with written authorization from the BLM.

Any person who violates the above rule(s) and/or restriction(s) may be tried before a United States Magistrate and fined no more than \$1,000, imprisoned for no more than 12 months, or both. Such violations may also be subject to the enhanced fines provided for by 18 U.S.C. 3571.
