Title; Associated Form; and OMB Number: Third Party Collection Program/Medical Services Account/Other Health Insurance; DD Form 2569; OMB Control Number 0720-TBD (previously OMB Control Number 0704-0323).

Needs and Uses: The information collection requirement is necessary to obtain health insurance policy information used for coordination of health care benefits and billing third-party payers. DoD implemented the Third Party Collection Program (TPCP) in FY87 based on the authority granted in 10 U.S.C. 1095 and implemented by

32 CFR 220 in accordance with the Consolidated Omnibus Budget Reconciliation Act of 1986 (COBRA) (Pub. L. 99-272, section 2001, April 7, 1986). Under the TPCP, DoD is authorized to collect from third-party payers the cost of inpatient and outpatient services rendered to DoD beneficiaries who have other health insurance. Military treatment facilities are required to make this form available to third-party payers upon request. A third-party payer may not request any other assignment of benefits form from the subscriber.

Affected Public: Business or other for profit; Not-for-profit institutions.

Annual Burden Hours: 146,845.

Number of Respondents: 2,936,905.

Responses per Respondent: 1.

Average Burden per Response: 3 minutes.

Frequency: Annually, or on occasion (when insurance information changes).

SUPPLEMENTARY INFORMATION:

Summary of Information Collection

The administration has placed an increased emphasis upon recovery of health care expenses under the TPCP, as authorized by 10 U.S.C. 1095 and 1097b. Completion of this form, while increasing total burden hours, will aid in increasing revenue to improve services, operating efficiency and effectiveness within the Military Health System. Funds collected return directly to the operation and maintenance budget of the MTF where the care was delivered and are used to improve the quality of healthcare. Often the funds allow the continuation of programs or purchasing of equipment at the facilities for which there would otherwise not be funding. This information is collected either during the admission and/or discharge process for an inpatient stay or during the registration process for an outpatient visit.
