

maintain for five years the compliance policies and procedures and the chief compliance officer's annual report to the board.

The rule contains certain information collection requirements that are designed to ensure that funds establish and maintain comprehensive, written internal compliance programs. The information collections also assist the Commission's examination staff in assessing the adequacy of funds' compliance programs.

While Rule 38a-1 requires each fund to maintain written policies and procedures, most funds are located within a fund complex. The experience of the Commission's examination and oversight staff suggests that each fund in a complex is able to draw extensively from the fund complex's "master" compliance program to assemble appropriate compliance policies and procedures. Many fund complexes already have written policies and procedures documenting their compliance programs. Further, a fund needing to develop or revise policies and procedures on one or more topics in order to achieve a comprehensive compliance program can draw on a number of outlines and model programs available from a variety of industry representatives, commentators, and organizations.

There are approximately 4,237 funds subject to Rule 38a-1. Among these funds, 146 were newly registered in the past year. These 146 funds, therefore, were required to adopt and document the policies and procedures that make up their compliance programs. Commission staff estimates that the average annual hour burden for a fund to adopt and document these policies and procedures is 105 hours. Thus, we estimate that the aggregate annual burden hours associated with the adoption and documentation requirement is 15,330 hours.

In 2010, Commission staff began to estimate the hour burden associated with money market funds' adoption of certain policies and procedures aimed at ensuring that these funds meet reasonably foreseeable shareholder redemptions (the "general liquidity requirement"). Commission staff estimates that each newly-registered money market fund will incur a one-time additional average burden of 9 hours to document and adopt policies and procedures that will assist in complying with the general liquidity requirement. Approximately 10 money market funds were newly registered in the past year. Thus, we estimate that the additional aggregate annual burden hours associated with general liquidity

requirement policies and procedures is 90 hours.

All funds are required to conduct an annual review of the adequacy of their existing policies and procedures and the policies and procedures of each investment adviser, principal underwriter, administrator, and transfer agent of the fund, and the effectiveness of their implementation. In addition, each fund chief compliance officer is required to prepare an annual report that addresses the operation of the policies and procedures of the fund and the policies and procedures of each investment adviser, principal underwriter, administrator, and transfer agent of the fund, any material changes made to those policies and procedures since the date of the last report, any material changes to the policies and procedures recommended as a result of the annual review, and certain compliance matters that occurred since the date of the last report. The staff estimates that each fund spends 49 hours per year, on average, conducting the annual review and preparing the annual report to the board of directors. Thus, we estimate that the annual aggregate burden hours associated with the annual review and annual report requirement is 207,613 hours.

Finally, the staff estimates that each fund spends 6 hours annually, on average, maintaining the records required by proposed Rule 38a-1. Thus, the annual aggregate burden hours associated with the recordkeeping requirement is 25,422 hours.

In total, the staff estimates that the aggregate annual information collection burden of Rule 38a-1 is 248,455 hours. The estimate of burden hours is made solely for the purposes of the Paperwork Reduction Act. The estimate is not derived from a comprehensive or even a representative survey or study of the costs of Commission rules. Complying with this collection of information requirement is mandatory. Responses will not be kept confidential. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

Applicants' Representations

1. The Trust is a Delaware statutory trust and will be registered with the Commission as an open-end management investment company. The Trust initially will be comprised of a single series, Yorkville PTP ETF ("Initial Fund"), which will hold some or all of the component securities ("Component Securities") of an index, Solactive PTP Index ("Initial Underlying Index").²

² The Initial Underlying Index will be a domestic rules based index designed to give investors a means of tracking the performance of U.S. Publicly Traded Partnerships of which approximately 80%, as measured by market capitalization, are Master Limited Partnerships. The compiler of the Initial Underlying Index is not an affiliated person or a

2. Applicants request that the Order apply to the Initial Fund and any future series of the Trust and future open-end management investment companies or series thereof advised by the Adviser or an entity controlling, controlled by, or under common control with the Adviser that comply with the terms and conditions of the Application (each such company or series, a "Future Fund" and together with the Initial Fund, the "Funds"). In addition, applicants request that any exemption under Section 12(d)(1)(J) from Sections 12(d)(1)(A) and (B) apply to: (a) Each Fund that is currently or subsequently part of the same "group of investment companies" as the Trust within the meaning of Section 12(d)(1)(G)(ii) of the Act, as well as any principal underwriter for the Funds and any broker or dealer registered under the Securities Exchange Act of 1934 ("Broker") selling Shares of a Fund to Funds of Funds; and (b) each Fund of Funds that enters into a participation agreement ("FOF Participation Agreement") with a Fund.³

3. Each Fund will hold certain equity or fixed income securities ("Portfolio Securities") and financial instruments selected to correspond before fees and expenses generally to the performance of a specified securities index ("Underlying Index"). Each Fund will offer separate investment portfolios comprised primarily of equity securities ("Equity Funds") or fixed income securities (or a combination of equity and fixed income securities) ("Fixed Income Funds"). Certain of the Funds may seek to track Underlying Indices comprised of foreign and domestic equity and/or fixed income securities and/or solely foreign equity and/or fixed income securities ("Foreign Funds"). The Funds may also invest in "Depository Receipts" representing foreign securities.⁴ A Fund will not invest in any Depository Receipts that the Adviser or Sub-Adviser deems to be illiquid or for which pricing information is not readily available.

4. The Adviser will be the investment adviser to the Initial Fund. The Adviser

Second-Tier Affiliate (as defined below) of the Trust or a Fund, of the Adviser, of any Sub-Adviser (as defined below) to or promoter of a Fund, or of the Distributor (as defined below).

³ In no case will a Fund that invests in other open- and/or closed-end investment companies and/or ETFs as a "fund of funds" rely on the exemption from Section 12(d)(1).

⁴ Depository Receipts are typically issued by a financial institution, a "Depository", and evidence ownership in a security or pool of securities that have been deposited with the Depository. No affiliated persons of applicants or any Sub-Adviser will serve as the Depository for any Depository Receipts held by a Fund.

is a Delaware limited liability company and is registered as an investment adviser under the Investment Advisers Act of 1940 (the "Advisers Act"). The Adviser may in the future enter into sub-advisory agreements with one or more additional investment advisers to act as sub-advisers (each, a "Sub-Adviser") for the Funds. Any Sub-Adviser will be registered under the Advisers Act.

5. The Trust will enter into a distribution agreement with one or more distributors. Each distributor will be a Broker and will act as distributor and principal underwriter of one or more of the Funds ("Distributor"). No Distributor will be affiliated with any Exchange. The Distributor of any Fund may be an affiliated person of that Fund's Adviser and/or Sub-Advisers, or an affiliated person of that affiliated person ("Second-Tier Affiliate").

6. No entity that creates, compiles, sponsors or maintains an Underlying Index ("Index Provider") is or will be an affiliated person, as defined in section 2(a)(3) of the Act, or a Second-Tier Affiliate, of the Trust or a Fund, a promoter of a Fund, the Adviser, any Sub-Adviser, or a Distributor.

7. The investment objective of each Fund will be to provide investment results that correspond, before fees and expenses, generally to the performance of its Underlying Index.⁵ Each Fund will sell and redeem Creation Units only on a "Business Day," which is defined as any day that the NYSE is open for business and includes any day that a Fund is required to be open under section 22(e) of the Act. A Fund will utilize either a replication or representative sampling strategy to track its Underlying Index. A Fund using a replication strategy will invest in the Component Securities in its Underlying Index in the same approximate proportions as in the Underlying Index. A Fund using a representative sampling strategy will hold some, but not necessarily all of the Component

⁵ Applicants represent that each Fund will invest at least 80% of its total assets in Component Securities. In the case of Foreign Funds, each Fund will invest at least 80% of its total assets in Component Securities and Depository Receipts representing such Component Securities (or, where Depository Receipts are themselves Component Securities of an Underlying Index, the securities underlying such Depository Receipts). In the case of certain Fixed Income Funds, each Fund will invest at least 80% of its total assets in Component Securities and TBA Transactions representing Component Securities. Each Fund also may invest up to 20% of its total assets in futures contracts, options on future contracts, options, swaps, cash, cash equivalents and securities that are not Component Securities but which the Adviser or Sub-Adviser believes will assist the Fund in tracking the performance of its Underlying Index.

Securities of its Underlying Index.⁶ Applicants state that, if a representative sampling strategy is used, a Fund will not be expected to track the performance of its Underlying Index with the same degree of accuracy as would a Fund that invests in every Component Security of the Underlying Index with the same weighting as the Underlying Index. Applicants expect that each Fund will have a tracking error relative to the performance of its Underlying Index of no more than 5 percent.

8. Applicants state that Creation Units are expected to consist of between 25,000 and 100,000 Shares and will have an initial price in the range of \$1,000,000 to \$10,000,000. All Orders to purchase Creation Units must be placed with the Distributor by or through a party that has entered into an agreement with the Distributor ("Authorized Participant"). The Distributor will be responsible for transmitting the Orders to the Funds. An Authorized Participant must be either: (i) A Broker or other participant in the Continuous Net Settlement system of the NSCC, a clearing agency registered with the Commission, or (ii) a participant in the Depository Trust Company ("DTC", and such participant, "DTC Participant"). The Distributor also will be responsible for delivering the Fund's prospectus to those persons acquiring Shares in Creation Units and for furnishing Order confirmations to those placing Orders. In addition, the Distributor will maintain a record of the instructions given to the applicable Fund to implement the delivery of its Shares.

9. Shares generally will be purchased and redeemed in Creation Units and generally on an in-kind basis. Except where the purchase or redemptions will include cash under the limited circumstances specified below, purchasers will be required to purchase Creation Units by making an in-kind deposit of specified instruments ("Deposit Instruments"), and shareholders redeeming their Shares will receive an in-kind transfer of specified instruments ("Redemption Instruments").⁷ On any given Business

Day, the names and quantities of the instruments that constitute the Deposit Instruments and the names and quantities of the instruments that constitute the Redemption Instruments will be identical, unless the Fund is Rebalancing (as defined below). In addition, the Deposit Instruments and Redemption Instruments will correspond *pro rata* to the positions in the Fund's portfolio (including cash positions),⁸ except: (a) In the case of bonds, for minor differences when it is impossible to break up bonds beyond certain minimum sizes needed for transfer and settlement; (b) for minor differences when rounding is necessary to eliminate fractional shares or lots that are not tradeable round lots;⁹ (c) TBA Transactions, short positions, derivatives and other positions that cannot be transferred in kind¹⁰ will be excluded from the Deposit Instruments and Redemption Instruments;¹¹ (d) to the extent the Fund determines, on a given Business Day, to use a representative sampling of the Fund's portfolio;¹² or (e) for temporary periods, to effect changes in the Fund's portfolio as a result of the rebalancing of its Underlying Index (any such change, a "Rebalancing").

10. If there is a difference between the NAV attributable to a Creation Unit and the aggregate market value of the Deposit Instruments or Redemption Instruments exchanged for the Creation Unit, the party conveying instruments with the lower value will also pay to the other an amount in cash equal to that difference ("Cash Amount").

11. Purchases and redemptions of Creation Units may be made in whole or in part on a cash basis, rather than in kind, solely under the following circumstances: (a) To the extent there is

Redemption Instruments that are restricted securities eligible for resale pursuant to rule 144A under the Securities Act, the Funds will comply with the conditions of Rule 144A.

⁸ The portfolio used for this purpose will be the same portfolio used to calculate the Fund's NAV for that Business Day.

⁹ A tradeable round lot for a security will be the standard unit of trading in that particular type of security in its primary market.

¹⁰ This includes instruments that can be transferred in kind only with the consent of the original counterparty to the extent the fund does not intend to seek such consents.

¹¹ Because these instruments will be excluded from the Deposit Instruments and Redemption Instruments, their value will be reflected in the determination of the Cash Amount (as defined below).

¹² A Fund may only use sampling for this purpose if the sample: (i) Is designed to generate performance that is highly correlated to the performance of the Fund's portfolio; (ii) consists entirely of instruments that are already included in the Fund's portfolio; and (iii) is the same for all Authorized Participants on a given Business Day.

a Cash Amount, as described above; (b) if, on a given Business Day, the Fund announces before the open of trading that all purchases, all redemptions, or all purchases and redemptions on that day will be made entirely in cash; (c) if, upon receiving a purchase or redemption Order from an Authorized Participant (as defined below), the Fund determines to require the purchase or redemption, as applicable, to be made entirely in cash; (d) if, on a given Business Day, the Fund requires all Authorized Participants purchasing or redeeming Shares on that day to deposit or receive (as applicable) cash in lieu of some or all of the Deposit Instruments or Redemption Instruments, respectively, solely because: (i) Such instruments are not eligible for transfer through either the NSCC or the DTC; or (ii) in the case of Foreign Funds, such instruments are not eligible for trading due to local trading restrictions, local restrictions on securities transfers or other similar circumstances; or (e) if the Fund permits an Authorized Participant to deposit or receive (as applicable) cash in lieu of some or all of the Deposit Instruments or Redemption Instruments, respectively, solely because: (i) Such instruments are, in the case of the purchase of a Creation Unit, not available in sufficient quantity; (ii) such instruments are not eligible for trading by an Authorized Participant or the investor on whose behalf the Authorized Participant is acting; or (iii) a holder of Shares of a Foreign Fund would be subject to unfavorable income tax treatment if the holder receives redemption proceeds in kind.¹³

12. Each Business Day, before the open of trading on the national securities exchange (as defined in section 2(a)(26) of the Act) ("Exchange") on which the Shares are listed, the Fund will cause to be published through the NSCC the names and quantities of the instruments comprising the Deposit Instruments and Redemption Instruments, as well as the estimated Cash Amount (if any) for that day. The Exchange will disseminate every 15 seconds throughout the trading day through the facilities of the Consolidated Tape Association an amount representing, on a per Share basis, the sum of the current value of the Deposit Instruments and any estimated Cash Amount. The list of Deposit Instruments and Redemption Instruments will apply until a new list is announced on the following Business Day, and there will be no intra-day

¹³ A "custom order" is any purchase or redemption of Shares made in whole or in part on a cash basis in reliance on clause (e)(i) or (e)(ii).

⁶ Securities are selected for inclusion in a Fund following a representative sampling strategy to have aggregate investment characteristics, fundamental characteristics, and liquidity measures similar to those of the Fund's Underlying Index taken in its entirety.

⁷ The Funds must comply with the federal securities laws in accepting Deposit Instruments and satisfying redemptions with Redemption Instruments, including that the Deposit Instruments and Redemption Instruments are sold in transactions that would be exempt from registration under the Securities Act. In accepting Deposit Instruments and satisfying redemptions with

changes to the list except to correct errors in the published list.

13. An investor acquiring or redeeming a Creation Unit from a Fund will be charged a fee ("Transaction Fee") to prevent the dilution of the interests of the remaining shareholders resulting from costs in connection with the purchase or redemption of Creation Units.¹⁴ Variations in the Transaction Fees may be imposed from time to time in accordance with rule 22d-1 under the Act. Transaction Fees will be limited to amounts that have been determined by the Fund to be appropriate and will take into account operational processing costs associated with the recent Deposit Instruments and Redemption Instruments of the Fund. In all cases, such Transaction Fees will be limited in accordance with requirements of the Commission applicable to management investment companies offering redeemable securities.

14. Purchasers of Shares in Creation Units may hold the Shares or may sell the Shares into the secondary market. Shares will be listed and traded on an Exchange. It is expected that one or more Exchange market makers ("Market Makers") will maintain a market for Shares trading on the Exchange. Prices of Shares trading on an Exchange will be based on the current bid/offer market. Shares sold in the secondary market will be subject to customary brokerage commissions and charges.

15. Applicants expect that purchasers of Creation Units will include institutional investors and arbitrageurs. Market Makers also may purchase Creation Units for use in market-making activities.¹⁵ Applicants expect that secondary market purchasers of Shares will include both institutional investors and retail investors. Applicants expect that the price at which Shares trade will be disciplined by arbitrage opportunities created by the option to continually purchase or redeem Creation Units at their NAV, which should ensure that Shares will not trade at a material discount or premium in relation to their NAV.

16. Beneficial Owners of Shares may sell their Shares in the secondary market but must accumulate enough Shares to constitute a whole Creation

Unit in Order to redeem through the applicable Fund. Redemption Orders must be placed by or through an Authorized Participant. An entity redeeming Shares in Creation Unit aggregations "outside" the ETF Clearing Process may be required to pay a higher Transaction Fee than would have been charged had the redemption been effected through the ETF Clearing Process. In addition, an entity redeeming Shares that receives cash in lieu of one or more Redemption Instruments may be assessed a higher Transaction Fee on the "cash in lieu" portion to cover the costs of selling such Redemption Instruments.

17. Applicants state that they will take such steps as may be necessary to avoid confusion in the public's mind between the Funds and a traditional "open-end investment company" or "mutual fund." Neither the Trust nor any Fund will be advertised, marketed or otherwise held out as a traditional open-end investment company or a mutual fund. Instead, each Fund will be marketed as an "ETF." All marketing materials that describe the features or method of obtaining, buying or selling Creation Units or Shares traded on an Exchange, or refer to redeemability, will prominently disclose that Shares are not individually redeemable and that the owners of Shares may purchase or redeem Shares from the Fund in Creation Units only. The Funds will provide copies of their annual and semi-annual shareholder reports to DTC Participants for distribution to Beneficial Owners.

Applicants' Legal Analysis

1. Applicants request an Order under section 6(c) of the Act for an exemption from sections 2(a)(32), 5(a)(1), 22(d), and 22(e) of the Act and rule 22c-1 under the Act, under sections 6(c) and 17(b) of the Act for an exemption from sections 17(a)(1) and 17(a)(2) of the Act, and under section 12(d)(1)(j) of the Act for an exemption from sections 12(d)(1)(A) and 12(d)(1)(B) of the Act.

2. Section 6(c) of the Act provides that the Commission may exempt any person, security or transaction, or any class of persons, securities or transactions, from any provision of the Act, if and to the extent that such exemption is necessary or appropriate in the public interest and consistent with the protection of investors and the purposes fairly intended by the policy and provisions of the Act. Section 17(b) of the Act authorizes the Commission to exempt a proposed transaction from section 17(a) of the Act if evidence establishes that the terms of the transaction, including the consideration

to be paid or received, are reasonable and fair and do not involve overreaching on the part of any person concerned, and the proposed transaction is consistent with the policies of the registered investment company and the general provisions of the Act. Section 12(d)(1)(j) of the Act provides that the Commission may exempt any person, security, or transaction, or any class or classes of persons, securities or transactions, from any provisions of section 12(d)(1) if the exemption is consistent with the public interest and the protection of investors.

Sections 5(a)(1) and 2(a)(32) of the Act

3. Section 5(a)(1) of the Act defines an "open-end company" as a management investment company that is offering for sale or has outstanding any redeemable security of which it is the issuer. Section 2(a)(32) of the Act defines a redeemable security as any security, other than short-term paper, under the terms of which the owner, upon its presentation to the issuer, is entitled to receive approximately his proportionate share of the issuer's current net assets, or the cash equivalent. Because Shares will not be individually redeemable, Applicants request an Order that would permit the Funds to register as open-end management investment companies and issue Shares that are redeemable in Creation Units only. Applicants state that investors may purchase Shares in Creation Units and redeem Creation Units from each Fund. Applicants state that listing on an Exchange will afford all holders of shares the benefit of intra-day liquidity. Applicants believe that because Creation Units may always be purchased and redeemed at NAV (less certain transactional expenses), the price of Creation Units on the secondary market and the price of the individual Shares of a Creation, taken together, should not vary substantially from the NAV of a Creation Unit.

Section 22(d) of the Act and Rule 22c-1 under the Act

4. Section 22(d) of the Act, among other things, prohibits a dealer from selling a redeemable security, which is currently being offered to the public by or through a principal underwriter, except at a current public offering price described in the prospectus. Rule 22c-1 under the Act generally requires that a dealer selling, redeeming or repurchasing a redeemable security do so only at a price based on its NAV. Applicants state that secondary market trading in Shares will take place at negotiated prices, not at a current offering price described in a Fund's prospectus, and not at a price based on

¹⁴ Where a Fund permits a purchaser to substitute cash in lieu of depositing a portion of the requisite Deposit Instruments, the purchaser may be assessed a higher Transaction Fee to cover the cost of purchasing such Deposit Instruments.

¹⁵ Shares will be registered in book-entry form only. DTC or its nominee will be the registered owner of all outstanding Shares. DTC or DTC Participants will maintain records reflecting Beneficial Owners of Shares.

NAV. Thus, purchases and sales of Shares in the secondary market will not comply with section 22(d) of the Act and rule 22c-1 under the Act.

5. Applicants assert that the concerns sought to be addressed by section 22(d) of the Act and rule 22c-1 under the Act with respect to pricing are equally satisfied by the proposed method of pricing Shares. Applicants maintain that while there is little legislative history regarding section 22(d), its provisions, as well as those of rule 22c-1, appear to have been designed to (a) prevent dilution caused by certain riskless trading schemes by principal underwriters and contract dealers, (b) prevent unjust discrimination or preferential treatment among buyers, and (c) ensure an orderly distribution of investment company shares by eliminating price competition from dealers offering shares at less than the published sales price and repurchasing shares at more than the published redemption price.

6. Applicants believe that none of these purposes will be thwarted by permitting Shares to trade in the secondary market at negotiated prices. Applicants state that (a) secondary market trading in Shares does not involve a Fund as a party and will not result in dilution of an investment in Shares, and (b) to the extent different prices exist during a given trading day, or from day to day, such variances occur as a result of third party market forces, such as supply and demand. Therefore, Applicants assert that secondary market transactions in Shares will not lead to discrimination or preferential treatment among purchasers. Finally, Applicants contend that the proposed distribution system will be orderly because competitive forces will ensure that the difference between the market price of Shares and their NAV remains narrow.

Section 22(e)

7. Section 22(e) of the Act generally prohibits a registered investment company from suspending the right of redemption or postponing the date of payment of redemption proceeds for more than seven days after the tender of a security for redemption. Applicants observe that the settlement of redemptions of Creation Units of the Foreign Funds is contingent not only on the settlement cycle of the U.S. securities markets, but also on the delivery cycles present in international markets in which those Funds invest. Applicants have been advised that, under certain circumstances, the delivery cycles for transferring Redemption Instruments to redeeming investors, coupled with local market

holiday schedules, will require a delivery process of up to 14 calendar days. Applicants therefore request relief from section 22(e) in Order to provide for payment or satisfaction of redemptions within a longer number of calendar days as required for such payment or satisfaction in the principal local markets where transactions in the Portfolio Securities of each Foreign Fund customarily clear and settle, but in all cases no later than 14 calendar days following the tender of a Creation Unit.¹⁶

8. Applicants submit that section 22(e) was designed to prevent unreasonable, undisclosed and unforeseen delays in the actual payment of redemption proceeds. Applicants state that allowing redemption payments for Creation Units of a Fund to be made within 14 calendar days would not be inconsistent with the spirit and intent of section 22(e). Applicants state that a Foreign Fund's statement of additional information will disclose those local holidays, if any, that are expected to prevent the delivery of redemption proceeds in seven calendar days, and the maximum number of days, up to 14 calendar days, needed to deliver the proceeds for each affected Foreign Fund. Applicants are not seeking relief from section 22(e) with respect to Foreign Funds that do not effect creations and redemptions of Creation Units in-kind.

Section 12(d)(1)

9. Section 12(d)(1)(A) of the Act, in relevant part, prohibits a registered investment company from acquiring securities of an investment company if such securities represent more than 3% of the total outstanding voting stock of the acquired company, more than 5% of the total assets of the acquiring company, or, together with the securities of any other investment companies, more than 10% of the total assets of the acquiring company. Section 12(d)(1)(B) of the Act prohibits a registered open-end investment company, its principal underwriter and any other broker-dealer from selling the investment company's shares to another investment company if the sale will cause the acquiring company to own more than 3% of the acquired company's voting stock, or if the sale will cause more than 10% of the acquired company's voting stock to be

owned by investment companies generally.

10. Applicants request an exemption to permit management investment companies ("Investing Management Companies") and unit investment trusts ("Investing Trusts") registered under the Act that are not part of the same "group of investment companies," as defined in section 12(d)(1)(G)(ii) of the Act, as the Funds (collectively, "Funds of Funds") to acquire shares of a Fund beyond the limits of section 12(d)(1)(A). In addition, Applicants seek relief to permit a Fund or Broker to sell Shares to Funds of Funds in excess of the limits of section 12(d)(1)(B).

11. Applicants submit that the proposed conditions to the requested relief adequately address the concerns underlying the limits in sections 12(d)(1)(A) and (B), which include concerns about undue influence by a fund of funds over underlying funds, excessive layering of fees and overly complex fund structures. Applicants believe that the requested exemption is consistent with the public interest and the protection of investors.

12. Applicants believe that neither a Fund of Funds nor a Fund of Funds Affiliate would be able to exert undue influence over the Funds.¹⁷ To limit the control that a Fund of Funds may have over a Fund, applicants propose a condition prohibiting a Fund of Funds Adviser or a Sponsor, any person controlling, controlled by, or under common control with the Fund of Funds Adviser or Sponsor, and any investment company or issuer that would be an investment company but for section 3(c)(1) or 3(c)(7) of the Act that is advised or sponsored by the Fund of Funds Adviser or Sponsor, or any person controlling, controlled by, or under common control with the Fund of Funds Adviser or Sponsor ("Fund of Funds Advisory Group") from controlling (individually or in the aggregate) a Fund within the meaning of section 2(a)(9) of the Act. The same prohibition would apply to any Fund of Funds Sub-Adviser, any person controlling, controlled by, or under common control with the Fund of Funds Sub-Adviser, and any investment company or issuer that would be an investment company but for section 3(c)(1) or 3(c)(7) of the Act (or portion

¹⁶ Applicants acknowledge that no relief obtained from the requirements of section 22(e) will affect any obligations applicants may have under rule 15c6-1 under the Exchange Act. Rule 15c6-1 requires that most securities transactions be settled within three business days of the trade.

¹⁷ A "Fund of Funds Affiliate" is the Fund of Funds Adviser, Fund of Funds Sub-Adviser(s), any Sponsor, promoter, or principal underwriter of a Fund of Funds, and any person controlling, controlled by, or under common control with any of those entities. A "Fund Affiliate" is the investment adviser, sub-adviser, promoter, or principal underwriter of a Fund and any person controlling, controlled by, or under common control with any of these entities.

of such investment company or issuer) advised or sponsored by the Fund of Funds Sub-Adviser or any person controlling, controlled by or under common control with the Fund of Funds Sub-Adviser ("Fund of Funds Sub-Advisory Group").

13. Applicants propose other conditions to limit the potential for undue influence over the Funds, including that no Fund of Funds or Fund of Funds Affiliate (except to the extent it is acting in its capacity as an investment adviser to a Fund) will cause a Fund to purchase a security in an offering of securities during the existence of an underwriting or selling syndicate of which a principal underwriter is an Underwriting Affiliate ("Affiliated Underwriting").¹⁸

14. Applicants assert that the proposed conditions address any concerns regarding excessive layering of fees. The board of directors or trustees of any Investing Management Company, including a majority of the disinterested directors or trustees, will find that the advisory fees charged to the Investing Management Company are based on services provided that will be in addition to, rather than duplicative of, services provided under the advisory contract(s) of any Fund in which the Investing Management Company may invest. In addition, under condition B.5, a Fund of Funds Adviser or a trustee or Sponsor of an Investing Trust will, as applicable, waive fees otherwise payable to it by the Fund of Funds in an amount at least equal to any compensation (including fees received pursuant to any plan adopted by a Fund under rule 12b-1 under the Act) received by the Fund of Funds Adviser, Trustee or Sponsor or an affiliated person of the Fund of Funds Adviser, Trustee or Sponsor, from the Funds in connection with the investment by the Fund of Funds in the Fund. Applicants state that any sales charges or service fees charged with respect to shares of a Fund of Funds will not exceed the limits applicable to a fund of funds set forth in NASD Conduct Rule 2830.¹⁹

¹⁸ An "Underwriting Affiliate" is a principal underwriter in any underwriting or selling syndicate that is an officer, director, member of an advisory board, Fund of Funds Adviser, Fund of Funds Sub-Adviser, Sponsor, or employee of the Fund of Funds, or a person of which any such officer, director, member of an advisory board, Fund of Funds Adviser, Fund of Funds Sub-Adviser, Sponsor, or employee is an affiliated person (except that any person whose relationship to the Fund is covered by section 10(f) of the Act is not an Underwriting Affiliate).

¹⁹ Any references to NASD Conduct Rule 2830 include any successor or replacement rule to NASD Conduct Rule 2830 that may be adopted by Financial Industry Regulatory Authority.

15. Applicants submit that the proposed arrangement will not create an overly complex fund structure. Applicants note that no Fund may acquire securities of any investment company or company relying on section 3(c)(1) or 3(c)(7) of the Act in excess of the limits contained in section 12(d)(1)(A) of the Act. To ensure that Funds of Funds comply with the terms and conditions of the requested relief from section 12(d)(1), any Fund of Funds that intends to invest in a Fund in reliance on the requested Order will enter into an agreement ("FOF Participation Agreement") between the Fund and the Fund of Funds requiring the Fund of Funds to adhere to the terms and conditions of the requested Order. The FOF Participation Agreement also will include an acknowledgement from the Fund of Funds that it may rely on the requested Order only to invest in Funds and not in any other investment company.

16. Applicants also note that a Fund may choose to reject a direct purchase of Shares in Creation Units by a Fund of Funds. To the extent that a Fund of Funds purchases Shares in the secondary market, a Fund would still retain its ability to reject initial purchases of Shares made in reliance on the requested Order by declining to enter into the FOF Participation Agreement prior to any investment by a Fund of Funds in excess of the limits of section 12(d)(1).

Sections 17(a)(1) and (2) of the Act

17. Section 17(a) of the Act generally prohibits an affiliated person of a registered investment company, or Second-Tier Affiliate, from selling any security to or acquiring any security from the company. Section 2(a)(3) of the Act defines "affiliated person" to include: (a) Any person directly or indirectly owning, controlling or holding with power to vote 5% or more of the outstanding voting securities of the other person, (b) any person 5% or more of whose outstanding voting securities are directly or indirectly owned, controlled or held with the power to vote by the other person, and (c) any person directly or indirectly controlling, controlled by or under common control with the other person. Section 2(a)(9) of the Act provides that a control relationship will be presumed where one person owns more than 25% of another person's voting securities. The Funds may be deemed to be controlled by the Adviser or an entity controlling, controlled by or under common control with the Adviser and hence affiliated persons of each other. In addition, the Funds may be deemed to

be under common control with any other registered investment company (or series thereof) advised by the Adviser or an entity controlling, controlled by or under common control with the Adviser (an "Affiliated Fund").

18. Applicants request an exemption from section 17(a) of the Act pursuant to sections 17(b) and 6(c) of the Act to permit certain affiliated persons to make in-kind purchases and redemptions with a Fund when they are affiliated persons of the Fund or Second-Tier Affiliates solely by virtue of one or more of the following: (a) Holding 5% or more, or in excess of 25%, of the outstanding Shares of one or more Funds; (b) having an affiliation with a person with an ownership interest described in (a); or (c) holding 5% or more, or more than 25%, of the shares of one or more Affiliated Funds.

19. Applicants assert that no useful purpose would be served by prohibiting these types of affiliated persons from making in-kind purchases or in-kind redemptions of Shares of a Fund in Creation Units. Both the deposit procedures for in-kind purchases and the redemption procedures for in-kind redemptions of Creation Units will be effected in the same manner for all purchases and redemptions, regardless of size or number of the purchases or redemptions of Creation Units. Portfolio Securities, Deposit Instruments, Redemption Instruments, and Cash Redemption Payments (except for any permitted cash-in-lieu amounts) will be the same regardless of the identity of the purchaser or redeemer. Deposit Instruments and Redemption Instruments will be valued in the identical manner as those Portfolio Securities currently held by the relevant Funds regardless of the identity of the purchaser or redeemer. Therefore, Applicants state that the method of valuing in-kind purchases and redemptions will not create an opportunity for affiliated persons, or Second-Tier Affiliates, of a Fund to effect a transaction detrimental to other holders of Shares of that Fund. Applicants also believe that in-kind purchases and redemptions will not result in self-dealing or overreaching of the Fund.

20. Applicants also seek relief from section 17(a) to permit a Fund that is an affiliated person of a Fund of Funds to sell its Shares to and redeem its Shares from a Fund of Funds.²⁰ Applicants

²⁰ To the extent that purchases and sales of Shares of a Fund occur in the secondary market (and not through principal transactions directly between a Fund of Funds and a Fund), relief from section 17(a) would not be necessary. The requested relief is intended to cover, however, transactions directly

state that the terms of the transactions are fair and reasonable and do not involve overreaching. Applicants note that any consideration paid by a Fund of Funds for the purchase or redemption of Shares directly from a Fund will be based on the NAV of the Shares.²¹ Applicants state that any proposed transactions directly between the Funds and Funds of Funds will be consistent with the policies of each Fund and each Fund of Funds involved. The FOF Participation Agreement will require any Fund of Funds that purchases Creation Units directly from a Fund to represent that the purchase of Creation Units from a Fund by a Fund of Funds will be accomplished in compliance with the investment restrictions of the Fund of Funds and will be consistent with the investment policies set forth in the Fund of Funds' registration statement.

Applicants' Conditions

Applicants agree that any Order of the Commission granting the requested relief will be subject to the following conditions:

A. Index-Based ETF Relief

1. The requested relief to permit ETF operations will expire on the effective date of any Commission rule under the Act that provides relief permitting the operation of index-based ETFs.

2. As long as the Funds operate in reliance on the requested Order, the Shares of each Fund will be listed on an Exchange.

3. Neither the Trust nor any Fund will be advertised or marketed as an open-end investment company or a mutual fund. Any advertising material that describes the purchase or sale of Creation Units or refers to redeemability will prominently disclose that Shares are not individually redeemable and that owners of Shares may acquire those Shares from the Fund and tender those Shares for redemption to the Fund in Creation Units only.

between Funds and Funds of Funds. Applicants are not seeking relief from section 17(a) for, and the requested relief will not apply to, transactions where a Fund could be deemed an affiliated person, or an affiliated person of an affiliated person of a Fund of Funds because the Adviser or an entity controlling, controlled by or under common control with the Adviser is also an investment adviser to the Fund of Funds.

²¹ Applicants acknowledge that the receipt of compensation by (a) an affiliated person of a Fund of Funds, or an affiliated person of such person, for the purchase by the Fund of Funds of Shares or (b) an affiliated person of a Fund, or an affiliated person of such person, for the sale by the Fund of its Shares to a Fund of Funds, may be prohibited by section 17(e)(1) of the Act. The FOF Participation Agreement also will include this acknowledgment.

4. The Web site for each Fund, which is and will be publicly accessible at no charge, will contain on a per Share basis, for each Fund, the prior Business Day's NAV and the market closing price or the Bid/Ask Price, and a calculation of the premium or discount of the market closing price or Bid/Ask Price against such NAV.

B. Section 12(d)(1) Relief

1. The members of the Fund of Funds Advisory Group will not control (individually or in the aggregate) a Fund within the meaning of section 2(a)(9) of the Act. The members of the Fund of Funds Sub-Advisory Group will not control (individually or in the aggregate) a Fund within the meaning of section 2(a)(9) of the Act. If, as a result of a decrease in the outstanding voting securities of a Fund, the Fund of Funds Advisory Group or the Fund of Funds Sub-Advisory Group, each in the aggregate, becomes a holder of more than 25 percent of the outstanding voting securities of a Fund, it will vote its voting securities of the Fund in the same proportion as the vote of all other holders of the Fund's voting securities. This condition does not apply to the Fund of Funds Sub-Advisory Group with respect to a Fund for which the Fund of Funds' Sub-Adviser or a person controlling, controlled by or under common control with the Fund of Funds' Sub-Adviser acts as the investment adviser within the meaning of section 2(a)(20)(A) of the Act.

2. No Fund of Funds or Fund of Funds Affiliate will cause any existing or potential investment by the Fund of Funds in a Fund to influence the terms of any services or transactions between the Fund of Funds or a Fund of Funds Affiliate and the Fund or a Fund Affiliate.

3. The board of directors or trustees of an Investing Management Company, including a majority of the disinterested directors or trustees, will adopt procedures reasonably designed to ensure that the Fund of Funds Adviser and any Fund of Funds Sub-Adviser are conducting the investment program of the Investing Management Company without taking into account any consideration received by the Investing Management Company or a Fund of Funds Affiliate from a Fund or a Fund Affiliate in connection with any services or transactions.

4. Once an investment by a Fund of Funds in the Shares of a Fund exceeds the limit in section 12(d)(1)(A)(i) of the Act, the Board, including a majority of the disinterested directors or trustees, will determine that any consideration paid by the Fund to the Fund of Funds

or a Fund of Funds Affiliate in connection with any services or transactions: (a) Is fair and reasonable in relation to the nature and quality of the services and benefits received by the Fund; (b) is within the range of consideration that the Fund would be required to pay to another unaffiliated entity in connection with the same services or transactions; and (c) does not involve overreaching on the part of any person concerned. This condition does not apply with respect to any services or transactions between a Fund and its investment adviser(s), or any person controlling, controlled by or under common control with such investment adviser(s).

5. The Fund of Funds Adviser, or trustee or Sponsor, as applicable, will waive fees otherwise payable to it by the Fund of Funds in an amount at least equal to any compensation (including fees received pursuant to any plan adopted by a Fund pursuant to rule 12b-1 under the Act) received from a Fund by the Fund of Funds Adviser, or trustee or Sponsor, or an affiliated person of the Fund of Funds Adviser, or trustee or Sponsor, other than any advisory fees paid to the Fund of Funds Adviser, or trustee or Sponsor, or its affiliated person by the Fund, in connection with the investment by the Fund of Funds in the Fund. Any Fund of Funds Sub-Adviser will waive fees otherwise payable to the Fund of Funds Sub-Adviser, directly or indirectly, by the Investing Management Company in an amount at least equal to any compensation received from a Fund by the Fund of Funds Sub-Adviser, or an affiliated person of the Fund of Funds Sub-Adviser, other than any advisory fees paid to the Fund of Funds Sub-Adviser or its affiliated person by the Fund, in connection with the investment by the Investing Management Company in the Fund made at the direction of the Fund of Funds Sub-Adviser. In the event that the Fund of Funds Sub-Adviser waives fees, the benefit of the waiver will be passed through to the Investing Management Company.

6. No Fund of Funds or Fund of Funds Affiliate (except to the extent it is acting in its capacity as an investment adviser to a Fund) will cause a Fund to purchase a security in an Affiliated Underwriting.

7. The Board, including a majority of the disinterested directors or trustees, will adopt procedures reasonably designed to monitor any purchases of securities by the Fund in an Affiliated Underwriting, once an investment by a Fund of Funds in the Shares of the Fund exceeds the limit of section

12(d)(1)(A)(i) of the Act, including any purchases made directly from an Underwriting Affiliate. The Board will review these purchases periodically, but no less frequently than annually, to determine whether the purchases were influenced by the investment by the Fund of Funds in the Fund. The Board will consider, among other things: (a) Whether the purchases were consistent with the investment objectives and policies of the Fund; (b) how the performance of securities purchased in an Affiliated Underwriting compares to the performance of comparable securities purchased during a comparable period of time in underwritings other than Affiliated Underwritings or to a benchmark such as a comparable market index; and (c) whether the amount of securities purchased by the Fund in Affiliated Underwritings and the amount purchased directly from an Underwriting Affiliate have changed significantly from prior years. The Board will take any appropriate actions based on its review, including, if appropriate, the institution of procedures designed to ensure that purchases of securities in Affiliated Underwritings are in the best interest of Beneficial Owners.

8. Each Fund will maintain and preserve permanently in an easily accessible place a written copy of the procedures described in the preceding condition, and any modifications to such procedures, and will maintain and preserve for a period of not less than six years from the end of the fiscal year in which any purchase in an Affiliated Underwriting occurred, the first two years in an easily accessible place, a written record of each purchase of securities in Affiliated Underwritings once an investment by a Fund of Funds in the securities of the Fund exceeds the limit of section 12(d)(1)(A)(i) of the Act, setting forth from whom the securities were acquired, the identity of the underwriting syndicate's members, the terms of the purchase, and the information or materials upon which the Board's determinations were made.

9. Before investing in the Shares of a Fund in excess of the limits in section 12(d)(1)(A), a Fund of Funds will execute a FOF Participation Agreement with the Fund stating that their respective boards of directors or trustees and their investment advisers or trustee and Sponsor, as applicable, understand the terms and conditions of the Order, and agree to fulfill their responsibilities under the Order. At the time of its investment in Shares of a Fund in excess of the limit in section 12(d)(1)(A)(i), a Fund of Funds will

notify the Fund of the investment. At such time, the Fund of Funds will also transmit to the Fund a list of the names of each Fund of Funds Affiliate and Underwriting Affiliate. The Fund of Funds will notify the Fund of any changes to the list as soon as reasonably practicable after a change occurs. The Fund and the Fund of Funds will maintain and preserve a copy of the Order, the FOF Participation Agreement, and the list with any updated information for the duration of the investment and for a period of not less than six years thereafter, the first two years in an easily accessible place.

10. Before approving any advisory contract under section 15 of the Act, the board of directors or trustees of each Investing Management Company including a majority of the disinterested directors or trustees, will find that the advisory fees charged under such contract are based on services provided that will be in addition to, rather than duplicative of, the services provided under the advisory contract(s) of any Fund in which the Investing Management Company may invest. These findings and their basis will be recorded fully in the minute books of the appropriate Investing Management Company.

11. Any sales charges and/or service fees charged with respect to shares of a Fund of Funds will not exceed the limits applicable to a fund of funds as set forth in NASD Conduct Rule 2830.

12. No Fund will acquire securities of an investment company or company relying on section 3(c)(1) or 3(c)(7) of the Act in excess of the limits contained in section 12(d)(1)(A) of the Act, except to the extent permitted by exemptive relief from the Commission permitting the Fund to purchase shares of other investment companies for short-term cash management purposes.

For the Commission, by the Division of Investment Management, under delegated authority.

Kevin M. O'Neill,
Deputy Secretary.
