BILLING CODE 4830-01-P

DEPARTMENT OF THE TREASURY

Proposed Collection; Comment Request

ACTION: Notice and request for comments.

SUMMARY: The Department of the Treasury, as part of its continuing effort to reduce paperwork burdens, invites the general public and other Federal agencies to comment on revisions in 2014 of two currently approved information collections that are proposed for approval by the Office of Management and Budget. The Office of International Affairs within the Department of the Treasury is soliciting comments concerning the revisions of the Treasury International Capital (TIC) Forms SHL/SHLA and SHC/SHCA.

DATES: Written comments should be received on or before May 28, 2013 to be assured of consideration.

ADDRESSES: Direct all written comments to Dwight Wolkow, International Portfolio Investment Data Systems, Department of the Treasury, Room 5422 MT, 1500 Pennsylvania Avenue NW., Washington DC 20220. In view of possible delays in mail delivery, you may also wish to send a copy to Mr. Wolkow by email (comments2TIC@do.treas.gov) or FAX (202-622-2009). Mr. Wolkow can also

be reached by telephone (202-622-1276).

FOR FURTHER INFORMATION CONTACT:

Copies of the proposed forms and instructions are available on the Treasury International Capital (TIC) Forms Web page for “Forms SHL/SHLA & SHC/SHCA”, at: <http://www.treasury.gov/resource-center/data-chart-center/tic/Pages/forms-sh.aspx>. Requests for additional information should be directed to Mr. Wolkow.

SUPPLEMENTARY INFORMATION:

Title: Treasury International Capital (TIC) Form SHL/SHLA “Foreign-Residents’ Holdings of U.S. Securities, including Selected Money Market Instruments”; TIC Form SHC/SHCA “U.S. Ownership of Foreign Securities, including Selected Money Market Instruments.”

OMB Numbers: 1505-0123 (Form SHL/SHLA); 1505-0146 (Form SHC/SHCA).

Abstract: These forms are used to conduct annual surveys of cross-border holdings of securities for portfolio investment purposes—Form SHL/SHLA collects foreign-residents’ holdings of U.S. securities; and Form SHC/SHCA collects U.S. residents’ ownership of foreign securities. These data are used by the U.S. Government in the formulation of international financial and monetary policies, and for the computation of the U.S. balance of payments accounts and of the U.S. international investment position. These data are also used to provide information to the public and to meet international reporting commitments. The SHC/SHCA survey is part of an internationally coordinated effort under the auspices of the International Monetary Fund to improve data on securities worldwide. Most of the major industrial and financial countries conduct similar surveys.

Both data collections have large benchmark surveys conducted every five years, and smaller annual surveys conducted in the non-benchmark years. The data collected under an annual survey are used in conjunction with the results of the preceding benchmark survey to make economy-wide estimates for that non-benchmark year. Currently, the determination of who must report in the annual surveys is based primarily on the data submitted during the preceding benchmark survey. The data requested in the annual survey will generally be the same as requested in the preceding benchmark report. Form SHL is used for the benchmark survey of all significant U.S.-resident custodians and U.S.-resident issuers of securities regarding foreign-residents’ holdings of U.S.

securities. In non-benchmark years Form SHLA is used for the annual surveys of primarily the largest U.S.-resident custodians and issuers. Form SHC is used for the benchmark survey of all significant U.S.-resident custodians and end-investors regarding U.S. ownership of foreign securities. In non-benchmark years Form SHCA is used for the annual surveys of primarily the very largest U.S.-resident custodians and end-investors.

Current Actions: The proposed changes will: (1) Modify the determination of who must report on the annual surveys to include consideration of those filing the monthly TIC Form SLT report; (2) streamline Forms SHL/SHLA and SHC/SHCA to provide consistency among the annual surveys and the TIC SLT (details of the changes follow below); and (3) update and clarify the instructions for both forms, including updating how to submit reports and the line-by-line instructions. The changes will improve overall survey reporting.

The remainder of the Current Actions section shows in more detail the proposed changes to streamline Form SHC/SHCA and Form SHL/SHLA, organized by schedule:

The following changes apply to Schedule 1: Reporter Contact Information and Summary of Financial Information:

d. The line for a contact fax number is eliminated.

Form SHCA Changes (only)

Form SHLA Changes (only)
