Changes Since the Preliminary Results

Based on our analysis of the comments received, we have corrected the programming error in the weighted-average dumping margin calculation in the *Preliminary Results*. This change, however, did not affect the final weighted-average dumping margin for CCPC. A detailed discussion of the corrections made is included in the final analysis memorandum,² which is hereby adopted by this notice and is on file electronically via Import Administration's Antidumping and Countervailing Duty Centralized Electronic Service System ("IA ACCESS"). IA ACCESS is available to registered users at <http://iaaccess.trade.gov>, and is available to all parties in the Central Records Unit, Room 7046 of the main Department of Commerce building.

Final Results of Review

As a result of this review, we determine that a weighted-average dumping margin of 0.00 percent exists for CCPC for the period September 13, 2010, through February 29, 2012.

Assessment Rates

In accordance with the *Final Modification for Reviews*,³ we will

instruct U.S. Customs and Border Protection (CBP) to liquidate CCPC's entries covered in this review without regard to antidumping duties.

The Department clarified its "automatic assessment" regulation on May 6, 2003. This clarification will apply to entries of subject merchandise during the period of review produced by CCPC for which it did not know its merchandise was destined for the United States. In such instances, we will instruct CBP to liquidate unreviewed entries at the country-specific all-others rate if there is no rate for the intermediate company(ies) involved in the transaction. For a full discussion of this clarification, see *Antidumping and Countervailing Duty Proceedings: Assessment of Antidumping Duties*, 68 FR 23954 (May 6, 2003).

We intend to issue liquidation instructions to CBP 15 days after publication of the final results of review.

Cash Deposit Requirements

The following deposit requirements will be effective upon publication of the notice of final results of administrative review for all shipments of PVA from Taiwan entered, or withdrawn from warehouse, for consumption on or after the date of publication as provided by section 751(a)(2) of the Act: (1) The cash deposit rate for CCPC will be 0.00 percent, the weighted-average dumping margin established in the final results of this administrative review; (2) for merchandise exported by manufacturers or exporters not covered in this review but covered in a prior segment of the proceeding, the cash deposit rate will continue to be the company-specific rate published for the most recently completed segment of this proceeding; (3) if the exporter is not a firm covered in this review or the original investigation but the manufacturer is, the cash deposit rate will be the rate established for the manufacturer of the merchandise for the most recently completed segment of this proceeding; and (4) the cash deposit rate for all other manufacturers or exporters will continue to be 3.08 percent, the all-others rate established in the *Antidumping Duty Order: Polyvinyl Alcohol From Taiwan*, 76 FR 13982 (March 15, 2011). These cash deposit requirements shall remain in effect until further notice.

Notifications

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to

liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Department's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

These final results of administrative review are issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

SUPPLEMENTARY INFORMATION: On March 30, 1995, Secretary of Commerce Ron Brown signed DOC's first American Indian and Alaska Native Policy. That policy recognized the unique legal and political status of federally recognized American Indian and Alaska Native tribal governments, and the Federal Government's trust responsibility to American Indian tribes. The policy acknowledged the right of American Indian Tribes and Alaska Natives to self-government which flows from their inherent sovereignty and relationship with the Federal government. The goal of the policy was to ensure that tribal rights and concerns were addressed through consultation tribal governments prior to implementing any action when developing legislation, regulations, or policies that would affect tribal governments, their economic and social development activities, and their lands and resources.

On April 26, 2012, Secretary of Commerce John Bryson issued DAO 218-8 to implement the requirements of Executive Order 13175, Consultation and Coordination with Indian Tribal Governments (November 6, 2000), and the Presidential Memorandum on Tribal Consultation (2009). On May 21, 2013, Acting Secretary Rebecca Blank issued a new Tribal Policy that builds upon and expands the 1995 DOC Policy. The 2013 policy establishes the manner in which the Department works with tribes on a government-to-government basis when formulating or implementing policies that have tribal implications. This DOC policy outlines consultation procedures for all Department operating units when

developing policies that have tribal implications.

This Draft Handbook is intended to assist NOAA, including its regional and field staff, in conducting effective government-to-government consultations and fulfilling NOAA's obligations under Executive Order 13175 and DAO 218-8 on Consultation and Coordination with Indian Tribal Governments, and the Department of Commerce Tribal Consultation Policy.
