The Agreement is the successor to the agreement approved in Docket No. CP2012–31. *Id.* at 3. The Agreement is intended to take effect July 8, 2013, following the July 7, 2013 expiration of the current agreement.⁴ *Id.* It is set to expire 1 year after its effective date. *Id.* Attachment 1 at 7.

III. Contents of Filing

The Notice includes the following attachments:

- Attachment 1—a redacted copy of the Agreement;
- Attachment 2—a redacted copy of the certified statement required by 39 CFR 3015.5(c)(2);
- Attachment 3—a redacted copy of Governors' Decision No. 08–7, which establishes prices and classifications for Global Expedited Package Services Contracts; and
- Attachment 4—an application for non-public treatment of materials to be filed under seal.

Materials filed under seal include unredacted copies of the Agreement, the certified statement, and supporting financial workpapers. *Id.* Attachment 4 at 3. The Postal Service filed redacted versions of the financial workpapers as public Excel files.

The Postal Service states that these differences affect neither the fundamental service being offered under the Agreement nor the Agreement's fundamental structure. *Id.* at 7.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-69790; File No. SR-NYSEArca-2013-59]

Self-Regulatory Organizations; NYSE Arca, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Amending Commentary .02 to NYSE Arca Options Rule 6.72 To Extend the Penny Pilot in Options Classes in Certain Issues Through December 31, 2013

June 18, 2013.

Pursuant to Section 19(b)(1)¹ of the Securities Exchange Act of 1934 (the "Act")² and Rule 19b-4 thereunder,³ notice is hereby given that on June 10, 2013, NYSE Arca, Inc. ("Exchange" or "NYSE Arca") filed with the Securities and Exchange Commission (the "Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit

comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend Commentary .02 to NYSE Arca Options Rule 6.72 in order to extend the Penny Pilot in options classes in certain issues ("Pilot Program") previously approved by the Securities and Exchange Commission ("Commission") through December 31, 2013. The text of the proposed rule change is available on the Exchange's Web site at www.nyse.com, at the Exchange's principal office and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange hereby proposes to amend Commentary .02 to Exchange Rule 6.72 to extend the time period of the Pilot Program,⁴ which is currently scheduled to expire on June 30, 2013 through December 31, 2013.⁵ The Exchange also proposes that the dates to replace issues in the Pilot Program that have been delisted be revised to the second trading day following July 1, 2013.⁶

This filing does not propose any substantive changes to the Pilot

Program: All classes currently participating will remain the same and all minimum increments will remain unchanged. The Exchange believes the benefits to public customers and other market participants who will be able to express their true prices to buy and sell options have been demonstrated to outweigh the increase in quote traffic.

2. Statutory Basis

The proposed rule change is consistent with Section 6(b)⁷ of the Securities Exchange Act of 1934 (the "Act"), in general, and furthers the objectives of Section 6(b)(5),⁸ in particular, in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, and to remove impediments to and perfect the mechanisms of a free and open market and a national market system. The Exchange believes that the Pilot Program promotes just and equitable principles of trade by enabling public customers and other market participants to express their true prices to buy and sell options. The proposal to extend the Pilot Program is designed to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, and to remove impediments to and perfect the mechanisms of a free and open market and a national market system, by allowing the Exchange and the Commission additional time to analyze the impact of the Pilot Program while also allowing the Exchange to continue to compete for order flow with other exchanges in option issues trading as part of the Pilot Program.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on Competition that is not necessary or appropriate in furtherance of the purposes of the Act. Specifically, the Exchange believes that, by extending the expiration of the Pilot Program, the proposed rule change will allow for further analysis of the Pilot Program and a determination of how the Program should be structured in the future. In doing so, the proposed rule change will also serve to promote regulatory clarity and consistency, thereby reducing burdens on the marketplace and facilitating investor protection. The

⁵ The Exchange has filed to make the Pilot Program permanent. See SR-NYSEArca-2013-42.

⁶ The month immediately preceding a replacement class's addition to the Pilot Program (i.e., June) would not be used for purposes of the analysis for determining the replacement class. Thus, a replacement class to be added on the second trading day following July 1, 2013 would be identified based on The Option Clearing Corporation's trading volume data from December 1, 2012 through May 31, 2013. The Exchange will announce the replacement issues to the Exchange's membership through a Trader Update.
