SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-69785; File No. SR-MIAX-2013-28]

Self-Regulatory Organizations; Miami International Securities Exchange LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change to Extend the Penny Pilot Program

June 18, 2013.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on June 12, 2013, Miami International Securities Exchange LLC ("MIAX" or "Exchange") filed with the Securities and Exchange Commission (the "Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange is filing a proposal to amend Rule 510, Interpretations and Policies .01 to extend the pilot program for the quoting and trading of certain options in pennies (the "Penny Pilot Program") and to revise the provision describing how the Exchange specifies which option classes trade in the Penny Pilot Program.

The text of the proposed rule change is available on the Exchange's Web site

at http://www.miaxoptions.com/filter/wotitle/rule_filing, at MIAX's principal office, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange is a participant in an industry-wide pilot program that provides for the quoting and trading of certain option classes in penny increments (the "Penny Pilot Program" or "Program"). Specifically, the Penny Pilot Program allows the quoting and trading of certain option classes in minimum increments of \$0.01 for all series in such option classes with a price of less than \$3.00; and in minimum increments of \$0.05 for all series in such option classes with a price of \$3.00 or higher. Options overlying the PowerShares QQQ Trust ("QQQ")[®], SPDR S&P 500 Exchange Traded Funds ("SPY"), and iShares Russell 2000 Index Funds ("IWM"), however, are quoted and traded in minimum increments of \$0.01 for all series regardless of the price. The Penny Pilot Program was initiated at the then existing option exchanges in January 2007 and currently includes more than 300 of the most active option classes. The Penny Pilot Program is currently scheduled to expire on June 30, 2013. The purpose of the proposed rule change is to extend the Penny Pilot Program in its current format through December 31, 2013.

In addition to the extension of the Penny Pilot Program through December 31, 2013, the Exchange will replace any Penny Pilot issues that have been delisted with the next most actively traded multiply listed option classes that are not yet included in the Penny Pilot Program. The replacement issues will be selected based on trading activity in the previous six months and

2009) (SR-NYSEArca-2009-44). See also *supra* note 3.

¹³ For purposes only of waiving the operative delay for this proposal, the Commission has considered the proposed rule's impact on efficiency, competition, and capital formation. See 15 U.S.C. 78c(f).

¹⁴ 17 CFR 200.30-3(a)(12).

¹⁵ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.

will be added to the Penny Pilot Program on the second trading day following July 1, 2013. Please note, the month immediately preceding a replacement class's addition to the Pilot program (*i.e.*, June) will not be used for purposes of the six-month analysis. Thus, a replacement added on the second trading day following July 1, 2013 will be identified based on trading activity from December 1, 2012 through May 31, 2013. Rule 510 has been updated to reflect the new date replacement issues will be added to the Penny Pilot Program.

Finally, the Exchange proposes to revise the provision describing how the Exchange specifies which option classes trade in the Penny Pilot Program. Currently, the rule provides that the Exchange specifies which option classes trade in the Penny Pilot Program and in what increments in a Regulatory Circular that has been filed with the Commission pursuant to Rule 19b-4 under the Exchange Act and distributed to its Members. The Exchange now proposes to revise that provision to indicate information regarding the option classes trading in the Penny Pilot Program will be communicated to Members through a Listings Alert and posted on the Exchange's Web site.³ By revising this provision, the Exchange will eliminate the requirement to file a Regulatory Circular with the Commission pursuant to Rule 19b-4.

2. Statutory Basis

MIAX believes that its proposed rule change is consistent with Section 6(b) of the Act⁴ in general, and furthers the objectives of Section 6(b)(5) of the Act⁵ in particular, in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, to remove impediments to and perfect the mechanisms of a free and open market and a national market system and, in general, to protect investors and the public interest. In particular, the proposed rule change, which extends the Penny Pilot Program for six months, allows the Exchange to continue to

participate in a program that has been viewed as beneficial to traders, investors and public customers and viewed as successful by the other options exchanges participating in it. In addition, the revision to how the Exchange will specify which options participate in the Penny Pilot Program promotes just and equitable principles of trade since it clarifies how Members and other market participants will be made aware of which options classes are trading in the Penny Pilot Program and eliminates an unnecessary requirement that the Exchange specify which option classes are in the Penny Pilot Program through a Regulatory Circular that has been filed with Commission pursuant to Rule 19b-4 under the Act. The requirement to file the Regulatory Circular with the Commission is unnecessary because most (*i.e.*, all but two option exchanges⁶) do not require such a submission to the Commission.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. Specifically, the Exchange believes that, by extending the expiration of the Pilot Program, the proposed rule change will allow for further analysis of the Penny Pilot Program and a determination of how the Program should be structured in the future. In doing so, the proposed rule change will also serve to promote regulatory clarity and consistency, thereby reducing burdens on the marketplace and facilitating investor protection. In addition, consistent with previous practices, the Exchange believes the other options exchanges will be filing similar extensions of the Penny Pilot Program.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The Exchange has filed the proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act⁷ and Rule

19b-4(f)(6) thereunder.⁸ Because the proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative prior to 30 days from the date on which it was filed, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest, the proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act⁹ and Rule 19b-4(f)(6)(iii) thereunder.¹⁰

A proposed rule change filed under Rule 19b-4(f)(6) normally does not become operative prior to 30 days after the date of the filing.¹¹ However, pursuant to Rule 19b-4(f)(6)(iii),¹² the Commission may designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has asked the Commission to waive the 30-day operative delay so that the proposal may become operative immediately upon filing. The Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest because doing so will allow the Pilot Program to continue without interruption in a manner that is consistent with the Commission's prior approval of the extension and expansion of the Pilot Program and will allow the Exchange and the Commission additional time to analyze the impact of the Pilot Program. Accordingly, the Commission designates the proposed rule change as operative upon filing with the Commission.¹³

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

¹⁰ 17 CFR 240.19b-4(f)(6)(iii).

¹¹ 17 CFR 240.19b-4(f)(6). In addition, Rule 19b-4(f)(6)(iii) requires the Exchange to give the Commission written notice of the Exchange's intent to file the proposed rule change along with a brief description and the text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this pre-filing requirement.

¹² 17 CFR 240.19b-4(f)(6)(iii).

¹³ For purposes only of waiving the operative delay for this proposal, the Commission has considered the proposed rule's impact on efficiency, competition, and capital formation. See 15 U.S.C. 78c(f).

³ This revision is consistent with rules at most of the other options exchanges participating in the Penny Pilot Program: BATS Exchange, Inc. ("BATS") Rule 21.5, Interpretations and Policies .01; NASDAQ OMX BX, Inc. ("BX") Chapter VI, Section 5(3); NASDAQ OMX PHLX, Inc. ("PHLX") Rule 1034(a)(i)(B); The NASDAQ Stock Market LLC ("NOM") Chapter VI, Section 5; NYSE MKT LLC Rule 960NY, Commentary .02; and NYSE Arca, Inc. Rule 6.72, Commentary .02.

⁵ 15 U.S.C. 78f(b)(5).

⁶ Only BOX Options Exchange LLC (at Rule 7050(b)) and International Securities Exchange, LLC (at Rule 710, Supplementary Materials .01) require that the Regulatory Information Circulars specifying which options trade in the Penny Pilot Program be submitted to the Commission.
