SUPPLEMENTARY INFORMATION:

Overview of This Information Collection

Collection Title: Informational requirements under Title II of the Older Workers Benefit Protection Act of 1990 (OWBPA), 29 CFR 1625.22.

OMB Number: 3046–0042.

Type of Respondent: Business, State or local governments, not for profit institutions.

Description of Affected Public: Any employer with 20 or more employees that seeks waiver agreements in connection with an exit incentive or other employment termination program.

Number of Responses: 17,080.

Reporting Hours: 25,620.

Number of Forms: None.

Burden Statement: The only paperwork burden involved is the inclusion of the relevant data in requests for waiver agreements under the OWBPA.

Abstract: The EEOC enforces the Age Discrimination in Employment Act (ADEA) which prohibits discrimination against employees and applicants for employment who are age 40 or older. The OWBPA, enacted in 1990, amended the ADEA to require employers to disclose certain information to employees (but not to EEOC) in writing when they ask employees to waive their rights under the ADEA in connection with an exit incentive program or other employment termination program. The regulation at 29 CFR 1625.22 reiterates those disclosure requirements. The EEOC seeks an extension without change for the third-party disclosure requirements contained in this regulation. On May 14, 2013, the Commission published a 60-Day Notice informing the public of its intent to request an extension of the information collection requirements from the Office of Management and Budget. 78 FR 28214–28215 (May 14, 2013). No comments were received.

Dated: July 19, 2013.

For the Commission.

Jacqueline A. Berrien,
Chair.

SUPPLEMENTARY INFORMATION:

Proposal to renew the following currently-approved collection of information:

Title: Application for Consent to Exercise Trust Powers.

OMB Number: 3064–0025.

Form Number: FDIC 6200/09.

Frequency of Response: On occasion.

Affected Public: Insured State nonmember banks wishing to exercise trust powers.

Estimated Number of Respondents: 15

Estimated Time per Response for Eligible Depository Institutions: 8 hours.

Estimated Time per Response for Institutions That Do Not Qualify as Eligible Institutions: 24 hours.

Total Estimated Annual Burden: 200 hours.

General Description of Collection: FDIC regulations (12 CFR 333.2) prohibit any insured State nonmember bank from changing the general character of its business without the prior written consent of the FDIC. The exercise of trust powers by a bank is usually considered to be a change in the general character of a bank's business if the bank did not exercise those powers previously. Therefore, unless a bank is currently exercising trust powers, it must file a formal application to obtain the FDIC's written consent to exercise trust powers. State banking authorities, not the FDIC, grant trust powers to their banks. The FDIC merely consents to the exercise of such powers. Applicants use form FDIC 6200/09 to obtain FDIC's consent.

Request for Comment

Comments are invited on: (a) Whether the collection of information is necessary for the proper performance of the FDIC's functions, including whether the information has practical utility; (b) the accuracy of the estimates of the burden of the information collection, including the validity of the methodology and assumptions used; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the information collection on respondents, including through the use of automated collection techniques or other forms of information technology. All comments will become a matter of public record.

Dated at Washington, DC, this 22th day of July 2013.

Some of the restrictions apply to all insured savings associations and some to state chartered associations only. The statute exempts some federal savings banks and associations from the restrictions, and provides for the FDIC to grant exemptions to other associations under certain circumstances.
