SECURITIES AND EXCHANGE COMMISSION

Submission for OMB Review; Comment Request

Upon Written Request, Copies Available
 From: Securities and Exchange Commission, Office of Investor Education and Advocacy, Washington, DC 20549-0213.

Extension:

Rule 31 and Form R31. SEC File No. 270-537, OMB Control No. 3235-0597.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget ("OMB") a request for extension of the previously approved collection of information discussed below.

Section 31 of the Securities Exchange Act of 1934 (15 U.S.C. 78ee.) ("Exchange Act") requires the Commission to collect fees and assessments from national securities exchanges and national securities associations (collectively, "self-regulatory organizations" or "SROs") based on the volume of their securities transactions. To collect the proper amounts, the Commission adopted Rule 31 (17 CFR 240.31) and Form R31 (17 CFR 249.11) under the Exchange Act whereby the SROs must report to the Commission the volume of their securities transaction and the Commission, based on that data, calculates the amount of fees and assessments that the SROs owe pursuant to Section 31. Rule 31 and Form R31 require the SROs to provide this data on a monthly basis.

Currently, there are 22 respondents under Rule 31: 17 national securities exchanges, two security futures exchanges, and one national securities association subject to the collection of information requirements of Rule 31; there are additionally two registered clearing agencies that are required to provide certain data in their possession needed by the SROs to complete Form R31, although these two entities are not themselves required to complete and

submit Form R31. The Commission estimates that the total burden for all 22 respondents is 378 hours per year. The Commission notes that, based on previous and current experience, it estimates an additional two new national securities exchanges will become registered and subject to the reporting requirements of Rule 31 over the course of the authorization period and incur burden of 12 hours per year. Thus, the Commission estimates the total burden for the existing and expected new respondents to be 390 hours per year.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

The public may view background documentation for this information collection at the following Web site, www.reginfo.gov. Comments should be directed to: (i) Desk Officer for the Securities and Exchange Commission, Office of Information and Regulatory Affairs, Office of Management and Budget, Room 10102, New Executive Office Building, Washington, DC 20503, or by sending an email to: Shagufta_Ahmed@omb.eop.gov; and (ii) Thomas Bayer, Director/Chief Information Officer, Securities and Exchange Commission, c/o Remi Pavlik-Simon, 100 F Street NE., Washington, DC 20549 or send an email to: PRA_Mailbox@sec.gov. Comments must be submitted to OMB within 30 days of this notice.

Dated: August 6, 2013.

Kevin M. O'Neill,

Deputy Secretary.

SECURITIES AND EXCHANGE COMMISSION

Submission for OMB Review; Comment Request

Upon Written Request, Copies Available
 From: Securities and Exchange Commission, Office of Investor Education and Advocacy, Washington, DC 20549-0213.

Extension:

Rule 19b-5 and Form PILOT; SEC File No. 270-448, OMB Control No. 3235-0507.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget ("OMB") a request for approval of

extension of the previously approved collection of information provided for in Rule 19b-5 (17 CFR 240.19b-5) and Form PILOT (17 CFR 249.821) under the Securities Exchange Act of 1934, as amended ("Act") (15 U.S.C. 78a *et seq.*).

Rule 19b-5 provides a temporary exemption from the rule-filing requirements of Section 19(b) of the Act (15 U.S.C. 78s(b)) to self-regulatory organizations ("SROs") wishing to establish and operate pilot trading systems. Rule 19b-5 permits an SRO to develop a pilot trading system and to begin operation of such system shortly after submitting an initial report on Form PILOT to the Commission. During operation of any such pilot trading system, the SRO must submit quarterly reports of the system's operation to the Commission, as well as timely amendments describing any material changes to the system. After two years of operating such pilot trading system under the exemption afforded by Rule 19b-5, the SRO must submit a rule filing pursuant to Section 19(b)(2) of the Act (15 U.S.C. 78s(b)(2)) in order to obtain permanent approval of the pilot trading system from the Commission.

The collection of information is designed to allow the Commission to maintain an accurate record of all new pilot trading systems operated by SROs and to determine whether an SRO has properly availed itself of the exemption afforded by Rule 19b-5, is operating a pilot trading system in compliance with the Act, and is carrying out its statutory oversight obligations under the Act.

The respondents to the collection of information are national securities exchanges and national securities associations.

While there are 17 national securities exchanges and national securities associations that may avail themselves of the exemption under Rule 19b-5 and the use of Form PILOT, it is estimated that approximately three respondents will file a total of 3 initial reports (for a 72 hour estimated annual burden), 12 quarterly reports (for a 36 hour estimated annual burden), and 6 amendments (for an 18 hour estimated annual burden) on Form PILOT per year, with an estimated total annual response burden of 126 hours. At an average hourly cost of \$350.07, the aggregate related cost of compliance with Rule 19b-5 for all respondents is \$44,109 per year (126 burden hours multiplied by \$350.07/hour = \$44,109).

Although Rule 19b-5 does not in itself impose recordkeeping burdens on SROs, it relies on existing requirements imposed by Rule 17a-1 under the Act (17 CFR 240.17a-1) to require SROs to retain all the rules and procedures
