SUPPLEMENTARY INFORMATION:

Section 8(a)(17) of the Small Business Act (the Act), 15 U.S.C. 637(a)(17), and

SBA's implementing regulations generally require that recipients of Federal supply contracts that are set aside for small businesses, Small Disabled Veteran Owned Small Business, Women-Owned Small Businesses, or Participants in the SBA's 8(a) Business Development Program provide the product of a domestic small business manufacturer or processor if the recipient is other than the actual manufacturer or processor of the product. This requirement is commonly referred to as the Nonmanufacturer Rule. 13 CFR 121.406(b). The Act authorizes SBA to waive the Nonmanufacturer Rule for any "class of products" for which there are no small business manufacturers or processors available to participate in the Federal market. In order to be considered available to participate in the Federal market for a class of products, a small business manufacturer must have submitted a proposal for a contract or received a contract from the Federal government within the last 24 months. 13 CFR 121.1202(c). SBA defines "class of products" as an individual subdivision within a North American Industry Classification System (NAICS) Industry Number as established by the Office of Management and Budget in the NAICS Manual. 13 CFR 121.1202(d). In addition, SBA uses Product Service Codes (PSCs) to further identify particular products within the NAICS code to which a waiver would apply. SBA may then identify a specific item within a PSC and NAICS code to which a class waiver would apply.

On July 17, 2013, SBA published a notice in the **Federal Register** announcing that SBA was considering rescinding a class waiver of the Nonmanufacturer Rule for *All Other Miscellaneous Electrical Equipment and Component Manufacturing*, NAICS code 355999, based on information submitted by a small business manufacturer of *All Other Miscellaneous Electrical Equipment and Component Manufacturing*, that has done business with the Federal government within the previous 24 months. 78 FR 42817. The public comment period for the notice to rescind the class waiver under this NAICS code closed on August 1, 2013. This notice announces a reopening of the public comment period until September 19, 2013.

Ajoy K. Sinah,

Deputy Director, Office of Government Contracting.
