

shipper review. Accordingly, we will instruct U.S. Customs and Border Protection (CBP) to continue to suspend entries during the period March 1, 2012, through February 28, 2013, of subject merchandise exported by Donghua Fine Chemical until CBP receives instructions relating to the administrative review covering the period March 1, 2012, through February 28, 2013.

Cash Deposit Requirements

Effective upon publication of the final rescission or the final results of this new shipper review, we will instruct CBP to discontinue the option of posting a bond or security in lieu of a cash deposit for entries of subject merchandise by Donghua Fine Chemical. If we proceed to a final rescission of this new shipper review, the cash deposit rate will continue to be the PRC-wide rate for Donghua Fine Chemical. If we issue final results of the new shipper review, we will instruct CBP to collect cash deposits, effective upon the publication of the final results, at the rate established therein.

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Department's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

This new shipper review and notice are in accordance with sections 751(a)(2)(B) and 777(i) of the Act and 19 CFR 351.214(f).

Dated: August 16, 2013.

Analysis of Comments Received

All issues raised in the case and rebuttal briefs by parties to this new shipper review are addressed in the Issues and Decision Memorandum, which is hereby adopted by this notice. A list of the issues which parties raised and to which we respond in the Issues and Decision Memorandum is attached to this notice as an Appendix. The Issues and Decision Memorandum is a public document and is on file electronically via Import Administration's Antidumping and

Countervailing Duty Centralized Electronic Service System (IA ACCESS). Access to IA ACCESS is available to registered users at <http://iaaccess.trade.gov> and in the Central Records Unit, Room 7046 of the main Department of Commerce building. In addition, a complete version of the Issues and Decision Memorandum can be accessed directly on the Internet at <http://www.trade.gov/ia/>. The signed Issues and Decision Memorandum and the electronic versions of the Issues and Decision Memorandum are identical in content.

Changes Since the Preliminary Results

Based on a review of the record and comments received from interested

parties regarding the *Preliminary Results*, we have made the following revisions to the margin calculations for Power Dekor:⁶

- We revised overhead, SG&A, and profit margin to reflect the exclusion of Winlex Marketing Corporations' 2011 financial statements.
- We revised overhead, SG&A, and profit margin to reflect the exclusion of Davao Panels Enterprises' 2011 financial statements.

Final Results Margin

The Department finds that the following weighted-average dumping margin exists:

Exporter	Producer	Weighted-average dumping margin (percent)
Power Dekor Group Co., Ltd.	Guangzhou Homebon Timber Manufacturing Co., Ltd.	0.00

Disclosure

We intend to disclose to parties the calculations performed in this proceeding within five days of the date of publication of this notice in accordance with 19 CFR 351.224(b).

Assessment

Upon issuance of the final results, the Department will determine, and U.S. Customs and Border Protection ("CBP") shall assess, antidumping duties on all appropriate entries in accordance with 19 CFR 351.212(b). The Department intends to issue assessment instructions to CBP 15 days after the date of publication of the final results of review. Where either the respondent's weighted-average dumping margin is zero or *de minimis*, or an importer-specific assessment rate is zero or *de minimis*, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties. The Department recently announced a refinement to its assessment practice in non-market economy ("NME") cases.⁷ Pursuant to this refinement in practice, for entries that were not reported in the U.S. sales databases submitted by the company individually examined during this review, the Department will instruct CBP to liquidate such entries at the NME-wide rate. In addition, if the Department determines that the exporter

under review had no shipments of the subject merchandise, any suspended entries that entered under that exporter's case number (*i.e.*, at that exporter's rate) will be liquidated at the NME-wide rate.⁸

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of this new shipper review for all shipments of the subject merchandise from Power Dekor entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided for by section 751(a)(2)(C) of the Tariff Act of 1930, as amended (the "Act"): (1) For subject merchandise exported by Power Dekor and produced by Guangzhou Homebon Timber Manufacturing Co., Ltd., the cash deposit rate will be 0.00 percent and (2) for subject merchandise exported by Power Dekor but not produced by Guangzhou Homebon Timber Manufacturing Co., Ltd., the cash deposit rate will be the PRC-wide rate of 58.84 percent.

Notification to Importers

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation

of the relevant entries during this POR. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of the antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification Regarding APO

This notice also serves as a reminder to the parties subject to administrative protective order ("APO") of their responsibility concerning the disposition of business proprietary information ("BPI") disclosed under APO in accordance with 19 CFR 351.305(a)(3), which continues to govern BPI in this segment of the proceeding. Timely notification of return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a sanctionable violation.

This determination is issued and published in accordance with sections 751(a)(2)(B) and 777(i) of the Act.

⁶ For detailed information concerning all of the changes made, including those listed above, see Memorandum from the Department entitled "New Shipper Review for Multilayered Wood Flooring

from the People's Republic of China: Final Analysis Memo for Power Dekor Group Co., Ltd.," dated concurrently with this memorandum.
