Amendments To Implement Certain Provisions of the Moving Ahead for Progress in the 21st Century Act (MAP-21)

AGENCY: Federal Motor Carrier Safety Administration (FMCSA), DOT.

ACTION: Final rule.

SUMMARY: The Federal Motor Carrier Safety Administration (FMCSA) adopts, as final, certain regulations required by the Moving Ahead for Progress in the 21st Century surface transportation reauthorization legislation. The majority of these statutory changes went into effect on October 1, 2012, while others will go into effect on October 1, 2013. It is necessary to make conforming changes to ensure that FMCSA's regulations are current and consistent with the applicable statutes. Adoption of the rules is a nondiscretionary ministerial action that can be taken without issuing a notice of proposed rulemaking and receiving public comment, in accordance with the good cause exception available to Federal agencies under the Administrative Procedure Act (APA).

DATES: *Effective Date:* This final rule is effective Tuesday, October 1, 2013. Petitions for Reconsideration must be received by the Agency no later than December 2, 2013.

If you have questions regarding the docket, call Ms. Barbara Hairston, Docket Operations, telephone 202-366-3024.

SUPPLEMENTARY INFORMATION:

Executive Summary

Purpose and Summary of the Major Provisions

This rule makes nondiscretionary ministerial changes to FMCSA regulations that are required by MAP-21.

Benefits and Costs

The rule provisions considered both individually and in the aggregate do not rise to the level of economic significance. The only costs associated with this rule arise out of 49 U.S.C. 32918(a), which requires brokers and freight forwarders to provide evidence of minimum financial security in the amount of \$75,000. The annual overall cost of this new requirement is approximately \$15.9 million.

Legal Basis for the Rulemaking

This rule is based on the MAP-21 Act (Pub. L. 112-141, 126 Stat. 405, July 6, 2012). Certain provisions of MAP-21 made mandatory, non-discretionary changes to FMCSA programs. The majority of these statutory changes went into effect on October 1, 2012, while others will go into effect on October 1, 2013. It is necessary to make conforming changes to ensure that FMCSA's regulations are current and consistent with the applicable statutes.

The provisions implemented in this final rule in Title 49, United States Code (U.S.C.) are from the following sections of MAP-21:

1. Section 32102 Safety Fitness of New Operators
2. Section 32108 Increased Penalties for Operating Without Registration
3. Section 32110 Revocation of Registration and Other Penalties for Failure To Respond to Subpoena
4. Section 32111 Fleetwide Out of Service Order for Operating Without Required Registration
5. Section 32203 State Reporting of Foreign Commercial Driver Convictions
6. Section 32204 Authority To Disqualify Foreign Commercial Drivers
7. Section 32205 Revocation of Foreign Motor Carrier Operating Authority for Failure To Pay Civil Penalties
8. Section 32307 Employer Responsibilities
9. Section 32501 Inspection Demand and Display of Credentials
10. Section 32503 Penalties for Violation of Operation Out of Service Orders
11. Section 32505 Increased Penalties for Evasion of Regulations
12. Section 32506 Violations Relating to Commercial Motor Vehicle Safety Regulation and Operators
13. Section 32507 Emergency Disqualification for Imminent Hazard
14. Section 32601 Motor Carrier Safety Assistance Program
15. Section 32913 Waivers, Exemptions, and Pilot Programs

16. Section 32918 Financial Security of Brokers and Freight Forwarders
17. Section 33010 Civil Penalties

FMCSA is authorized to implement these statutory provisions by delegation from the Secretary of Transportation in 49 CFR 1.87.

Generally, agencies may promulgate final rules only after issuing a notice of proposed rulemaking and providing an opportunity for public comment under procedures required by the APA, as provided in 5 U.S.C. 553(b) and (c). The APA, in 5 U.S.C. 553(b)(3)(B), provides an exception from these requirements when notice and public comment procedures are "impracticable, unnecessary, or contrary to the public interest." FMCSA finds that notice and comment is unnecessary prior to adoption of each provision in this final rule because the changes to regulations are statutorily mandated by Congress, and the Agency is performing a nondiscretionary, ministerial act. Therefore, the Agency may adopt this rule without issuing a notice of proposed rulemaking and receiving public comment, in accordance with the APA. For these same reasons, the rule will be effective on October 1, 2013, the day many of these statutory changes go into effect.

MAP-21 Provisions Implemented by the Final Rule

The Federal Motor Carrier Safety Regulations amended by this final rule encompass diverse subject areas. Those amendments are explained below.

Section 32102—Safety Fitness of New Operators

Previously, 49 U.S.C. 31144 required new entrant motor carriers to undergo a safety review within 18 months of beginning operations. Section 32102 of MAP-21 changed that time period to 12 months for property carriers and 120 days for passenger carriers. This final rule amends 49 CFR 385.3 and 49 CFR part 385, Appendix A(I)(a), to change references from an 18-month safety review to 12-month and 120-day safety reviews.

Section 32108—Increased Penalties for Operating Without Registration

Previously, 49 U.S.C. 14901(a) set the civil penalty for violating the Agency's reporting, recordkeeping, and registration requirements at \$500, except for violations of passenger carrier registration requirements, which were set at \$2,000.¹ MAP-21 Section 32108

¹ The penalties referenced in this rule refer to statutorily enacted amounts. In 2007, the Agency amended 49 CFR part 386, Appendix B to increase
