## DEPARTMENT OF HEALTH AND HUMAN SERVICES

### Guidance for Temporary Reassignment of State and Local Personnel During a Public Health Emergency

**AGENCY:** Department of Health and  
Human Services, Office of the Secretary.

**ACTION:** Notice of availability and  
request for comments.

**SUMMARY:** The Department of Health and  
Human Services (HHS) is accepting  
comments on proposed "Guidance for  
Temporary Reassignment of State and  
Local Personnel during a Public Health  
Emergency." Section 201 of the  
Pandemic and All-Hazards  
Preparedness Reauthorization Act of  
2013 (PAHPRA), Public Law 113-5,  
amends section 319 of the Public Health  
Service (PHS) Act to provide the  
Secretary of HHS with discretion to  
authorize the temporary reassignment of  
state, tribal, and local personnel during  
a declared Federal public health  
emergency upon request by a state or  
tribal organization or their designee.  
This proposed guidance addresses that  
provision.

**DATES:** Public comments will be  
accepted for sixty days from the date  
this notice publishes in the **Federal  
Register**.

**ADDRESSES:** The guidance is available  
online at [www.phe.gov/section201](http://www.phe.gov/section201).  
Comments may be submitted via a form  
on that Web site. This document is also  
available in hard-copy for all those that  
request it from the point of contact  
listed in the "Additional Information"  
section below.

**FOR FURTHER INFORMATION CONTACT:** For  
additional information, please contact:  
Lisa Kaplowitz, MD, MSHA, Deputy  
Assistant Secretary, Office of Policy and  
Planning, Office of the Assistant  
Secretary for Preparedness and  
Response, 200 Independence Avenue  
SW., Washington, DC 20201, telephone  
number (202) 205-2882.

**SUPPLEMENTARY INFORMATION:** Section  
201 of the Pandemic and All-Hazards  
Preparedness Reauthorization Act of  
2013 (PAHPRA), Public Law 113-5,  
amends section 319 of the PHS Act to  
provide the Secretary of HHS with  
discretion to authorize the temporary  
reassignment of state, tribal, and local  
personnel during a declared Federal  
public health emergency upon request  
by a state governor or tribal organization  
or their designee. PAHPRA requires that  
HHS issue proposed guidance on this  
provision, to be followed by a 60-day  
public comment period.

The temporary reassignment  
provision is applicable to state, tribal,  
and local public health department or  
agency personnel whose positions are  
funded, in full or part, under PHS  
programs. This authority terminates on  
September 30, 2018.

This new provision provides an  
important flexibility to state and local  
health departments and tribal  
organizations during an event requiring  
all the resources at their disposal. The  
temporary reassignment provision  
permits state, tribal, and local personnel  
to be voluntarily reassigned so they can  
immediately respond to the public  
health emergency in the affected  
jurisdiction.

**Statutory Authority:** Section 201 of the  
Pandemic and All-Hazards Preparedness  
Reauthorization Act of 2013 (PAHPRA),  
Public Law 113-5

Dated: September 23, 2013.

**Kathleen Sebelius,**  
Secretary.

## DEPARTMENT OF HEALTH AND HUMAN SERVICES

### Centers for Disease Control and Prevention

[30-Day-13-0870]

### Agency Forms Undergoing Paperwork Reduction Act Review

The Centers for Disease Control and  
Prevention (CDC) publishes a list of  
information collection requests under  
review by the Office of Management and  
Budget (OMB) in compliance with the  
Paperwork Reduction Act (44 U.S.C.  
Chapter 35). To request a copy of these  
requests, call (404) 639-7570 or send an  
email to [omb@cdc.gov](mailto:omb@cdc.gov). Send written  
comments to CDC Desk Officer, Office of  
Management and Budget, Washington,  
DC or by fax to (202) 395-5806. Written  
comments should be received within 30  
days of this notice.

### Proposed Project

Monitoring and Reporting System for  
Chronic Disease Prevention and Control  
Programs (OMB No. 0920-0870, exp.  
11/30/2013)—Revision—National  
Center for Chronic Disease Prevention  
and Health Promotion (NCCDPHP),  
Centers for Disease Control and  
Prevention (CDC).

### Background and Brief Description

CDC requests OMB approval to  
continue the collection of information  
from tobacco control program awardees  
funded through cooperative agreement

DP09–901, Collaborative Chronic Disease, Health Promotion, and Surveillance Program Announcement: Healthy Communities, Tobacco Control, Diabetes Prevention and Control, and Behavioral Risk Factor Surveillance System. These cooperative agreements will end on March 28, 2014, and final reports on awardee activities are due to CDC approximately 90 days after the end of the funding period. OMB approval is requested for one year to allow submission of progress reports relating to the final year of funding under the current cooperative agreement.

Fifty-three awardees which consist of state departments of health in the 50 States, the District of Columbia, Puerto Rico, and the Virgin Islands will continue to submit semi-annual progress reports through a Web-based management information system (MIS). There are no changes to the number of

tobacco control program respondents, the content of the information collection, the frequency of information collection, or the estimated burden per response. However, the total estimated burden hours will decrease due to discontinuation of reporting requirements for three program components that were originally funded under the DP09–901 cooperative agreement: diabetes prevention and control, state BRFSS activities, and Healthy Communities. Due to organizational and funding changes within CDC, funding for these program components was discontinued under the DP09–901 cooperative agreement and semi-annual reports are no longer required.

CDC will continue to collect information about each awardee's tobacco control objectives, planning, activities, resources, partnerships, strategies, and progress toward meeting

objectives. Awardees will use the information reported through the electronic MIS to manage and coordinate their activities and to improve their efforts. CDC will use the information reported through the MIS to document and monitor each awardee's progress and to make adjustments, as needed, in the type and level of technical assistance provided to them. The information collection allows CDC to oversee the use of federal funds, and identify and disseminate information about successful strategies implemented by awardees. CDC also uses the information to respond to Congressional and stakeholder inquiries about awardee activities, program implementation, and program impact.

Progress reporting through the MIS is required for cooperative agreement awardees. There are no costs to respondents other than their time. The total estimated burden hours are 636.

#### ESTIMATED ANNUALIZED BURDEN HOURS

Type of respondents	Form name	Number of respondents	Number of responses per respondent	Average burden per response (in hours)
State Tobacco Control Program .....	Management Information System .....	53	2	6

#### DEPARTMENT OF HEALTH AND HUMAN SERVICES

##### Administration for Children and Families

##### Submission for OMB Review; Comment Request

*Title:* Federally Assisted State Transmitted (FAST) Levy.

*OMB No.:* New Collection.

*Description:* State IV–D child support enforcement agencies are required to have procedures to secure assets in cases where there is a support arrearage to satisfy any current support obligation

and the arrearage by attaching and seizing assets of the obligor held in financial institutions. To assist states in fulfilling this statutory requirement the federal Office of Child Support Enforcement (OCSE) is proposing a new information collection using the Federally Assisted State Transmitted Levy (FAST Levy) application. FAST Levy is a centralized, secure and automated method of collecting and disseminating electronic levy notices between child support enforcement agencies and multistate financial institutions to secure the assets in an obligor's account.

The anticipated impact of employing FAST Levy is the significant reduction in existing delays to execute a levy notice, thereby diminishing opportunity for an obligor to close accounts; increase collections of past-due payments to state agencies and families; cut the states' and multistate financial institutions'

administrative and implementation costs of manually executing levy notices; and strengthen document security.

The proposed information collection using the FAST Levy application is authorized by: (1) 42 U.S.C. 652(a)(7), which requires OCSE to provide technical assistance to state child support agencies to help them establish effective systems for collecting child and spousal support; (2) 42 U.S.C. 666 (a)(2) and (c)(1)(G)(ii), which requires state child support agencies to have procedures to secure assets of an obligor to satisfy past due support orders; and (3) 45 CFR 303.7(a)(5), which requires state child support agencies to transmit requests for information and provide requested information electronically to the greatest extent possible.

*Respondents:* Multistate Financial Institutions and State Child Support Agencies.

#### ANNUAL BURDEN ESTIMATES

Instrument	Number of respondents	Number of responses per respondent	Average burden hours per response	Total burden hours
FAST-Levy Response Withhold Record Specifications: Multistate Financial Institutions .....	5	1	317.5	1,587.5
