SUPPLEMENTARY INFORMATION:

I. Background

In the **Federal Register** of July 29, 2013 (78 FR 45730), we published a proposed rule entitled ''Foreign Supplier Verification Programs for Importers of Food for Humans and Animals'' with a 120-day comment period on the provisions of the proposed rule and on the information collection provisions that are subject to review by OMB under the PRA (44 U.S.C. 3501–3520).

FDA has received requests for an extension of the comment period on the proposed rule to allow interested persons an opportunity to consider the interrelationship between this proposed rule and the proposed rule entitled ''Current Good Manufacturing Practice and Hazard Analysis and Risk-Based Preventive Controls for Food for Animals'' (78 FR 64736, October 29, 2013). FDA has considered the requests and is granting a 60-day extension of the comment period for the ''Foreign Supplier Verification Programs for Importers of Food for Humans and Animals'' proposed rule to allow interested persons an opportunity to consider the interrelationships between the proposed rules. We also are extending the comment period for the information collection provisions for 60 days to make the comment period for the information collection provisions the same as the comment period for the provisions of the proposed rule. To clarify, FDA is requesting comment on all issues raised by the proposed rule.

II. Paperwork Reduction Act of 1995

Interested persons may either submit electronic comments regarding the information collection to *oira_submission@omb.eop.gov* or fax written comments to the Office of Information and Regulatory Affairs, OMB, Attn: FDA Desk Officer, FAX: 202–395–7285.
