

each Exchange that would not be accessible to all market participants, and the Commission believes that proceedings are appropriate to consider (1) Whether the Program's segmentation of order flow would inhibit price discovery and order interaction on an exchange, (2) Whether the potential complexity of the Program would detract from the efficient execution of securities transactions or the maintenance of fair and orderly markets, (3) Whether the Program would permit unfair discrimination, and (4) Whether the Program would create an unnecessary or inappropriate burden on competition.

Accordingly, the Commission is instituting proceedings to allow for additional analysis of the proposed rule changes' consistency with Section 6(b)(5) of the Act,²⁹ which requires that the rules of a national securities exchange promote just and equitable principles of trade, perfect the mechanism of a free and open market and a national market system, protect investors and the public interest, and not permit unfair discrimination, and with Section 6(b)(8) of the Act,³⁰ which requires that the rules of an exchange not impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act.

V. Procedure: Request for Written Comments

The Commission requests that interested persons provide written submissions of their views, data, and arguments with respect to the concerns identified above, as well as any others they may have with the Proposals. In particular, the Commission invites the written views of interested persons concerning whether the proposed rule changes are inconsistent with Section 6(b)(5) or any other provision of the Act, or the rules and regulation thereunder. Although there do not appear to be any issues relevant to approval or disapproval which would be facilitated by an oral presentation of views, data, and arguments, the Commission will consider, pursuant to Rule 19b-4, any request for an opportunity to make an oral presentation.³¹

Interested persons are invited to submit written data, views, and arguments regarding whether the proposed rule changes should be disapproved by March 24, 2014. Any person who wishes to file a rebuttal to any other person's submission must file that rebuttal by April 7, 2014.

Agency Information Collection Activities: Proposed Request and Comment Request

The Social Security Administration (SSA) publishes a list of information collection packages requiring clearance by the Office of Management and Budget (OMB) in compliance with Public Law 104-13, the Paperwork Reduction Act of 1995, effective October 1, 1995. This notice includes revisions of OMB-approved information collections.

SSA is soliciting comments on the accuracy of the agency's burden estimate; the need for the information; its practical utility; ways to enhance its quality, utility, and clarity; and ways to minimize burden on respondents, including the use of automated collection techniques or other forms of information technology. Mail, email, or fax your comments and recommendations on the information collection(s) to the OMB Desk Officer and SSA Reports Clearance Officer at the following addresses or fax numbers. Budget, Attn: Desk Officer for SSA,

I. The information collections below are pending at SSA. SSA will submit them to OMB within 60 days from the date of this notice. To be sure we consider your comments, we must receive them no later than May 2, 2014. Individuals can obtain copies of the collection instruments by writing to the above email address.

1. Disability Update Report—20 CFR 404.1589-404.1595 and 416.988-416.996—0960-0511. As part of our statutory requirements, SSA periodically uses Form SSA-455, the Disability Update Report, to evaluate current Title II disability beneficiaries' and Title XVI disability payment recipients' continued eligibility for

³¹ Section 19(b)(2) of the Act, as amended by the Securities Act Amendments of 1975, Public Law 94-29 (June 4, 1975), grants the Commission flexibility to determine what type of proceeding—either oral or notice and opportunity for written comments—is appropriate for consideration of a particular proposal by a self-regulatory organization. See Securities Act Amendments of 1975, Senate Comm. on Banking, Housing & Urban Affairs, S. Rep. No. 75, 94th Cong., 1st Sess. 30 (1975).

Social Security disability payments. Specifically, SSA uses the form to determine if: (1) There is enough evidence to warrant referring the respondent for a full medical Continuing Disability Review (CDR); (2) the respondent's impairment(s) is still present and is indicative of no medical improvement, precluding the need for a CDR; or (3) there are unresolved work-

related issues for the respondent. SSA mails Form SSA-455 to specific disability recipients, whom we select as possibly qualifying for the continuing disability review process. SSA pre-fills the form with data specific to the disability recipient, except for the sections we ask the beneficiary to complete. When SSA receives the completed form, we scan it into SSA's

system. This allows us to gather the information electronically to enable SSA to process the returned forms through automated decision logic to decide the proper course of action to take. The respondents are recipients of Title II and Title XVI Social Security disability payments.

Type of Request: Revision of an OMB-approved information collection.

Modality of completion	Number of respondents	Frequency of response	Average burden per response (minutes)	Estimated total annual burden (hours)
SSA-455	1,500,000	1	15	375,000

2. Request for Evidence from Doctor and Request for Evidence from Hospital—20 CFR 404 Subpart P and 20 CFR 416 Subpart I—0960-0722. Sections 223(d)(5) and 1614(a)(3)(H)(i) of the Social Security Act require claimants to furnish medical evidence of their disability when filing a disability claim. SSA uses Forms HA-66

and HA-67 to obtain evidence from medical sources identified by the claimants as having information relative to their impairments or ability to do work-related activities. In addition to accepting manual paper responses, SSA sends a barcode with the HA-66 and HA-67, allowing respondents to fax the information directly into the electronic

claims folder rather than submitting it manually. SSA uses the information to determine eligibility for benefits. The respondents are medical sources, doctors, and hospitals that evaluate the claimants.

Type of Request: Revision of an OMB-approved information collection.

Modality of completion	Number of respondents	Frequency of response	Number of responses	Average burden per response (minutes)	Estimated total annual burden (hours)

II. SSA submitted the information collections below to OMB for clearance. Your comments regarding the information collections would be most useful if OMB and SSA receive them 30 days from the date of this publication. To be sure we consider your comments, we must receive them no later than April 2, 2014. Individuals can obtain copies of the OMB clearance packages

by writing to *OR.Reports.Clearance@ssa.gov*.

requirements for student benefits. The data we collect allows SSA to determine entitlement to initial and continuing student benefits. The respondents are student claimants for Social Security benefits, their respective schools and, in some cases, their representative payees.

DEPARTMENT OF TRANSPORTATION

Office of the Secretary of Transportation

[Docket No. DOT–OST–2014–XXXX]

Notice of Funding Availability for the Department of Transportation's National Infrastructure Investments under the Consolidated Appropriations Act, 2014

AGENCY: Office of the Secretary of Transportation, DOT.

ACTION: Notice of Funding Availability.

SUMMARY: This notice announces the availability of funding and requests proposals for the Department of Transportation's National Infrastructure Investments. This notice is addressed to organizations that are interested in applying and provides guidance on selection criteria and application requirements for the National Infrastructure Investments.

The Consolidated Appropriations Act, 2014 (Pub. L. 113–76, January 17, 2014) (“FY 2014 Appropriations Act”) appropriated \$600 million to be awarded by the Department of Transportation (“DOT”) for National

Infrastructure Investments. This appropriation is similar, but not identical, to the program funded and implemented pursuant to the American Recovery and Reinvestment Act of 2009 (the “Recovery Act”) known as the Transportation Investment Generating Economic Recovery, or “TIGER Discretionary Grants,” program. Because of the similarity in program structure, DOT will continue to refer to the program as “TIGER Discretionary Grants.” As with previous rounds of TIGER, funds for the FY 2014 TIGER program (“TIGER FY 2014”) are to be awarded on a competitive basis for projects that will have a significant impact on the Nation, a metropolitan area, or a region.

Through this notice, DOT is soliciting applications for TIGER Discretionary Grants. In the event that this solicitation does not result in the award and obligation of all available funds, DOT may decide to publish an additional solicitation(s).

DATES: You must submit final applications through Grants.gov by April 28, 2014, at 5:00 p.m. EDT (the “Application Deadline”). The Grants.gov “Apply” function will open on April 3, 2014, allowing applicants to submit applications. You are strongly encouraged to submit applications in advance of the deadline. Please be aware that you must complete the registration process before submitting an application, and that this process usually takes 2–4 weeks to complete. If interested parties experience difficulties

at any point during the registration or application process, please call the Grants.gov Customer Support Hotline at 1–800–518–4726, Monday-Friday from 7:00 a.m. to 9:00 p.m. EDT. Additional information on applying through Grants.gov is available in *Information about Applying for Federal Grants through Grants.gov* at www.dot.gov/TIGER.

ADDRESSES: You must submit applications electronically through Grants.gov. Only applications received electronically through Grants.gov will be deemed properly filed. Instructions for submitting applications through Grants.gov can be found on the TIGER Web site (www.dot.gov/TIGER).

FOR FURTHER INFORMATION CONTACT: For further information concerning this notice please contact the TIGER Discretionary Grant program staff via email at TIGERGrants@dot.gov, or call Howard Hill at 202–366–0301. A TDD is available for individuals who are deaf or hard of hearing at 202–366–3993. In addition, DOT will regularly post answers to questions and requests for clarifications on DOT's Web site at www.dot.gov/TIGER. Applicants are encouraged to contact DOT directly rather than rely on third parties to receive information about TIGER Discretionary Grants.

SUPPLEMENTARY INFORMATION: This notice is substantially similar to the final notice published for the TIGER Discretionary Grant program in the **Federal Register** on April 26, 2013.
