SUPPLEMENTARY INFORMATION: This ICR seeks to extend PRA authorization for the information collection requirements needed for the OLMS to administer Federal Transit Act section 5333(b) Urban Program worker protections. *See* 49 U.S.C. 5333(b). Section 5333(b) provides that the DOL must ensure that a recipient of Federal funds used to acquire, improve, or operate a transit system establishes arrangements to protect the rights of affected transit employees. Federal law requires such an arrangement to be fair and equitable, and the DOL must certify the arrangement before the U.S. Department of Transportation, Federal Transit Administration (FTA) can award certain funds to grantees. An employee protective arrangement must include provisions that may be necessary for the preservation of rights, privileges, and benefits under existing collective bargaining agreements or otherwise; the continuation of collective bargaining rights; the protection of individual employees against a worsening of their positions related to employment; assurances of employment to employees of acquired transportation systems; assurances of priority of reemployment of employees whose employment is ended or who are laid off; and paid training or retraining programs. *See* 49 U.S.C. 5333(b)(2).

Pursuant to regulations 29 CFR part 215, upon receipt of copies of applications for Federal assistance subject to 49 U.S.C. 5333(b) from the FTA, together with a request for DOL certification of employee protective arrangements, the DOL will process those applications, which must be in final form. The FTA will provide the DOL with information necessary to enable the DOL to process employee protections for certification of the project.

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless it is approved by the OMB under the PRA and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid Control Number. *See* 5 CFR 1320.5(a) and 1320.6. The DOL obtains OMB approval for this information collection under Control Number 1245-0006.

OMB authorization for an ICR cannot be for more than three (3) years without

renewal, and the current approval for this collection is scheduled to expire on March 31, 2014. The DOL seeks to extend PRA authorization for this information collection for three (3) more years, without any change to existing requirements. The DOL notes that existing information collection requirements submitted to the OMB receive a month-to-month extension while they undergo review.
