

Time within 30 days after the date of publication of this notice.¹⁰ Requests should contain the party's name, address, and telephone number, the number of participants, and a list of the issues to be discussed. If a request for a hearing is made, the Department will inform parties of the scheduled time and date for the hearing, which will be held at the U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230. Parties should confirm by telephone the date, time, and location of the hearing two days before the scheduled date.

U.S. International Trade Commission ("ITC") Notification

In accordance with section 733(f) of the Act, we will notify the ITC of our preliminary negative determination of sales at LTFV. If our final determination is affirmative, the ITC will determine before the later of 120 days after the date of this preliminary determination or 45 days after our final determination whether these imports are materially injuring, or threaten material injury to, the U.S. industry.

This determination is issued and published pursuant to sections 733(f) and 777(i)(1) of the Act.

Dated: March 4, 2014.

Paul Piquado,

Assistant Secretary for Enforcement and Compliance.

National Institute of Standards and Technology

Notice of Public Meeting—Intersection of Cloud Computing and Mobility Forum and Workshop

AGENCY: National Institute of Standards and Technology, Department of Commerce.

ACTION: Notice of public forum and workshop.

SUMMARY: The National Institute of Standards and Technology (NIST) announces the Intersection of Cloud and Mobility Forum and Workshop to be held on Tuesday, March 25, Wednesday, March 26, and Thursday, March 27, 2014. The format is a three-day forum with breakout sessions held each day. The meeting was originally scheduled for October 1-3, 2013 and was rescheduled as a result of the government shutdown due to a lapse in appropriations. The NIST Intersection of Cloud and Mobility Forum and Workshop will bring together leaders and innovators from industry, academia and government in an interactive format that combines keynote presentations, panel discussions, interactive breakout sessions, and open discussion. The forum and workshop are open to the general public. NIST invites organizations to display posters and participate as exhibitors as described in the **SUPPLEMENTARY INFORMATION** section below.

DATES: The Intersection of Cloud and Mobility Forum and Workshop will be held 9:00 a.m.–5:00 p.m. Eastern Time (ET) on Tuesday, March 25, 9:00 a.m.–5:00 p.m. e.t. on Wednesday, March 26, and 9:00 a.m.–12:30 p.m. e.t. on Thursday, March 27, 2014. Registration closes at 5:00 p.m. e.t. on Monday, March 17, 2014.

ADDRESSES: To register, go to: <http://www.nist.gov/itl/cloud/intersection-of-cloud-and-mobility.cfm>. The event will be held at the National Institute of Standards and Technology, 100 Bureau Drive, Gaithersburg, MD 20899 in the Red Auditorium of the Administration Building (Building 101). Please note admittance instructions in the **SUPPLEMENTARY INFORMATION** section below.

To request an exhibit table or a poster display, contact Tara Brown at tara.brown@nist.gov or 301-975-4178.

FOR FURTHER INFORMATION CONTACT:

Michaela Iorga by email at michaela.iorga@nist.gov or by phone at (301) 975-8431. Additional information may be found at: <http://www.nist.gov/itl/cloud/intersection-of-cloud-and-mobility.cfm>.

SUPPLEMENTARY INFORMATION: NIST hosted six prior Cloud Computing Forum & Workshop events in May 2010, November 2010, April 2011, November 2011, June 2012 and January 2013. The series of workshops was organized in response to the request of the U.S. Chief Information Officer that NIST lead federal efforts on standards for data portability, cloud interoperability, and security.¹ The workshops' goals are to engage with industry to accelerate the development of cloud standards for interoperability, portability, and security, discuss the Federal Government's experience with cloud computing, report on the status of the NIST Cloud Computing efforts, launch and report progress on the NIST-led initiative to collaboratively develop a U.S. Government (USG) Cloud Computing Technology Roadmap among multiple federal and industrial stakeholders, and to advance the dialogue among all of these stakeholders. This workshop in the series has been expanded to focus on the emerging trend of Mobility in the context of its convergence with and complementary relationship to Cloud Computing.

On the first day, the workshop presenters will focus on the future of Cloud Computing, Mobility and where the two intersect, in addition to providing a status update on NIST efforts to develop or support development of security, interoperability and portability open standards, cloud service metrics and service level agreement guidance. On the second day, the workshop will focus on current Cloud Computing and Mobility challenges and how these challenges could be alleviated or exacerbated at the intersection of Cloud and Mobility. On the third day, the workshop will focus on the path forward to achieve full integration and harmonization of Cloud Computing and Mobility and to explore possibilities for harmonizing the two in ways that unleash their complementing power and augment their inter-correlation to promote progress and prosperity.

¹⁰ See 19 CFR 351.310(c).

NIST invites members of the public, especially Cloud Computing and Mobility community stakeholders, to participate on Tuesday, March 25, and Wednesday, March 26, 2014, as an exhibitor. Exhibit space will be available for a total of 25 academic, industry, and standards developing organizations to exhibit their respective Cloud Computing or Mobility work at an exhibit table or with a poster. The first 25 organizations requesting an exhibit table or a poster display related to Cloud Computing & Mobility will be accepted for both days. Interested organizations should contact Tara Brown, email: tara.brown@nist.gov or (301) 975-4178. Requests for an exhibit table or posters will be granted on a first-come, first-serve basis. Responses must be submitted by an authorized representative of the organization. Logistics information will be provided to accepted exhibitors. NIST will provide the poster and exhibit location space and one work-table, free of charge. Exhibitors are responsible for the cost of the poster or exhibit, including staffing and materials. NIST reserves the right to exercise its judgment in the placement of posters and exhibits. General building security is supplied; however, exhibitors are responsible for transporting and securing exhibit equipment and materials. NIST is not liable with regard to damage or loss of equipment used in the exhibit table or poster.

The workshop is open to the general public; however, those wishing to attend must register at <http://www.nist.gov/itl/cloud/intersection-of-cloud-and-mobility.cfm> by 5:00 p.m. ET on Monday, March 17, 2014. All visitors to the NIST site are required to pre-register to be admitted and have appropriate government-issued photo ID to gain entry to NIST.

Dated: February 27, 2014.

RIN 0648-XD153

Fisheries of the Caribbean, Gulf of Mexico, and South Atlantic; Amendment 16 to the Fishery Management Plan for the Shrimp Fishery of the Gulf of Mexico, United States Waters

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice of Intent (NOI) to prepare a supplemental environmental impact statement (SEIS); request for comments.

SUMMARY: NMFS, Southeast Region, in collaboration with the Gulf of Mexico Fishery Management Council (Council) intends to prepare an SEIS to describe and analyze a range of alternatives for management actions to be included in Amendment 16 to the Fishery Management Plan for the Shrimp Fishery of the Gulf of Mexico (FMP) (Amendment 16). These actions will consider the annual catch limit (ACL), accountability measures (AMs), and continued use of the quota for royal red shrimp. The purpose of this NOI is to solicit public comments on the scope of issues to be addressed in the SEIS.

DATES: Written comments on the scope of issues to be addressed in the SEIS must be received by NMFS by April 10, 2014.

ADDRESSES: You may submit comments, identified by NOAA-NMFS-2014-0030, by any of the following methods:

- *Electronic submission:* Submit all electronic public comments via the Federal e-Rulemaking Portal. Go to www.regulations.gov/#!docketDetail;D=NOAA-NMFS-2014-0030, click the "Comment Now!" icon, complete the required fields, and enter or attach your comments.

- *Mail:* Submit written comments to Susan Gerhart, Southeast Regional Office, NMFS, 263 13th Avenue South, St. Petersburg, FL 33701.

Instructions: Comments sent by any other method, to any other address or individual, or received after the end of the comment period, may not be considered by NMFS. All comments received are a part of the public record and will generally be posted for public viewing on www.regulations.gov without change. All personal identifying information (e.g., name, address, etc.), confidential business information, or otherwise sensitive information

submitted voluntarily by the sender will be publicly accessible. NMFS will accept anonymous comments (enter "N/A" in the required fields if you wish to remain anonymous). Attachments to electronic comments will be accepted in Microsoft Word, Excel, or Adobe PDF file formats only.

FOR FURTHER INFORMATION CONTACT:

Susan Gerhart, Southeast Regional Office, telephone: 727-824-5305; or email: Susan.Gerhart@noaa.gov.

SUPPLEMENTARY INFORMATION: On January 30, 2012, NMFS implemented regulations developed through the Generic ACL and AM Amendment (Generic Amendment) to multiple fishery management plans, including the Shrimp FMP (76 FR 82044, December 29, 2011). That amendment included actions to establish the commercial ACL and AM for royal red shrimp. However, the "no action" alternatives and discussions in the Generic Amendment were incorrect in stating that there were currently no management restrictions or AMs for royal red shrimp, when in fact a quota and in-season quota closure were already in the regulations. Because the Council was not fully informed about the existing regulations that would be replaced by their preferred alternatives in the Generic Amendment, NMFS and the Council intend to reconsider the commercial ACL and AM for royal red shrimp.

NMFS, in collaboration with the Council, will develop an SEIS for Amendment 16 to describe and analyze alternatives to: (1) Set the commercial ACL for royal red shrimp and determine if the use of a commercial quota should continue, and (2) choose a commercial AM for royal red shrimp. The alternatives will include an appropriate "no action" alternative regarding each action.

In accordance with NOAA's Administrative Order 216-6, Section 5.02(c), Scoping Process, NMFS, in collaboration with the Council, has identified preliminary environmental issues as a means to initiate discussion for scoping purposes only. These preliminary issues may not represent the full range of issues that eventually will be evaluated in the SEIS. The EIS for the Generic Amendment was originally scoped in 2009 and can be viewed at: http://www.gulfcouncil.org/docs/amendments/Final%20Generic%20ACL_AM_Amendment-September%209%202011%20v.pdf. A guide to Amendment 16 can be viewed at: <http://gulfcouncil.org/docs/Public%20Hearing>
