SUPPLEMENTARY INFORMATION:

I. Abstract

The following concerns the voluntary survey that U.S. organizations are asked to complete and submit to the U.S. Department of Commerce (DOC) when they self-certify their compliance with the U.S.-EU Safe Harbor Framework and/or the U.S.-Swiss Safe Harbor Framework.

The DOC's International Trade Administration (ITA) administers the U.S.-EU Safe Harbor program and U.S.-Swiss Safe Harbor program. The U.S.-EU Safe Harbor Framework and U.S.-Swiss Safe Harbor Framework provide eligible U.S. organizations with a streamlined means of complying with the relevant requirements of the European Union's Data Protection Directive and the Swiss Federal Act on Data Protection. The Safe Harbor Frameworks help facilitate the flow of personal data worth critical to billions of dollars in trade between the United States and the EU and Switzerland.

In line with President Obama's National Export Initiative, the DOC is

interested in gathering information from U.S. organizations that participate in one or both of the Safe Harbor programs to: (a) Better evaluate how the Safe Harbor Frameworks support U.S. exports, and (b) potentially identify areas for improvement. The voluntary survey provides participants, including small businesses, in the Safe Harbor programs with an opportunity to communicate directly with the DOC regarding these programs.

The information collected through this survey will not be made public, except at the aggregate level. The information will be obtained via a survey using the following questions:

(1) Does your organization's participation in the U.S.-EU or U.S.-Swiss Safe Harbor programs help your organization increase U.S. exports and support U.S. jobs?

(2) Please specify the approximate amount of exports in United States Dollars (USD) facilitated by your organization's participation in the U.S.-EU or U.S.-Swiss Safe Harbor programs (please include any sales or contracts that were won or retained as a result of your participation in the programs).

(3) Does your organization currently have a contract that is dependent on self-certification to the U.S.-EU or U.S.-Swiss Safe Harbor programs? If so, what is the value of that contract(s)?

(4) What do the U.S.-EU and U.S.-Swiss Safe Harbor programs mean to your organization in terms of business opportunities in Europe?

(5) Tell us what you think about the U.S.-EU and U.S.-Swiss Safe Harbor programs?

II. Method of Collection

The DOC offers U.S. organizations the opportunity to complete this voluntary survey via the DOC's Safe Harbor Web site, located at <http://export.gov/safeharbor>.

OMB Control Number: 0625-0268.

Form Number(s): None.

Type of Review: Regular submission (extension of a currently approved information collection).

Affected Public: Business or other for-profit organizations.

Estimated Number of Respondents: 1,284.

SUPPLEMENTARY INFORMATION:

Background

On February 3, 2014, the Department published in the **Federal Register** a notice of "Opportunity to Request Administrative Review" of the antidumping duty order on certain frozen warmwater shrimp from Brazil for the period of February 1, 2013, through January 31, 2014.¹

On February 26, 2014, in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.213(b), the Department received a timely request from the Ad Hoc Shrimp Trade Action Committee (the petitioner),² a domestic interested party, to conduct an administrative review of the sales of Amazonas Industria Alimenticias S.A. (AMASA); Procesadora del Rio S.A. (PRORIOSA); and Pesquera Veraz S.A. (Pesquera Veraz). The petitioner was the only party to request this administrative review.

On April 1, 2014, the Department published in the **Federal Register** a notice of initiation of an administrative review of the antidumping duty order on certain warmwater shrimp from Brazil with respect to AMASA, PRORIOSA, and Pesquera Veraz.³

On April 3, 2014, the petitioner timely withdrew its request for a review of all three companies.⁴

Rescission of Review

Pursuant to 19 CFR 351.213(d)(1), the Department will rescind an administrative review, in whole or in part, if a party that requested a review withdraws the request within 90 days of the date of publication of notice of initiation of the requested review. The petitioner timely withdrew its request for review before the 90-day deadline, and no other party requested an administrative review of the antidumping duty order. Therefore, we are rescinding the administrative review of the antidumping duty order on

certain frozen warmwater shrimp from Brazil covering the period February 1, 2013, through January 31, 2014.

Assessment

The Department will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on all appropriate entries. Antidumping duties shall be assessed at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). The Department intends to issue appropriate assessment instructions directly to CBP 15 days after the date of publication of this notice in the **Federal Register**.

Notification to Importers

This notice serves as the only reminder to importers of their responsibility, under 19 CFR 351.402(f)(2), to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement may result in the presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification Regarding Administrative Protective Order

This notice serves as the only reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3).
