### Geological Survey

[GX14EE000101100]

### Announcement of National Geospatial Advisory Committee Meeting

**AGENCY:** U.S. Geological Survey,  
Interior.

**ACTION:** Notice of Meeting

**SUMMARY:** The National Geospatial Advisory Committee (NGAC) will meet on June 24–25, 2014 at the South Interior Building Auditorium, 1951 Constitution Avenue NW., Washington, DC 20240. The meeting will be held in the first floor Auditorium. The NGAC, which is composed of representatives from governmental, private sector, non-profit, and academic organizations, was

established to advise the Federal Geographic Data Committee (FGDC) on management of Federal geospatial programs, the development of the National Spatial Data Infrastructure (NSDI), and the implementation of Office of Management and Budget (OMB) Circular A-16. Topics to be addressed at the meeting include:

- Leadership Dialogue.
- FGDC Report (National Geospatial Data Asset Management Plan, Geospatial Platform).
- NSDI Strategic Plan Implementation.
- NGAC Subcommittee Reports.
- 3D Elevation Program Update.
- FirstNet Update.

The meeting will include an opportunity for public comment on June 25. Comments may also be submitted to the NGAC in writing. Members of the public who wish to attend the meeting must register in advance. Please register by contacting Arista Maher at the U.S. Geological Survey (703-648-6283, [amaher@usgs.gov](mailto:amaher@usgs.gov)). Registrations are due by June 20, 2014. While the meeting will be open to the public, registration is required for entrance to the South Interior Building, and seating may be limited due to room capacity.

**DATES:** The meeting will be held from 8:30 a.m. to 5:30 p.m. on June 24 and from 8:30 a.m. to 4:00 p.m. on June 25.

**FOR FURTHER INFORMATION CONTACT:** John Mahoney, U.S. Geological Survey (206-220-4621).

**SUPPLEMENTARY INFORMATION:** Meetings of the National Geospatial Advisory Committee are open to the public. Additional information about the NGAC and the meeting is available at [www.fgdc.gov/ngac](http://www.fgdc.gov/ngac).

**Ken Shaffer,**

*Deputy Executive Director, Federal Geographic Data Committee.*

### Bureau of Land Management

[LLNV930000.L13400000.  
KH0000.LXSS189F0000; MO# 4500065257]

### Notice of Competitive Auction for Solar Energy Development on Public Lands in the State of Nevada

**AGENCY:** Bureau of Land Management, Interior.

**ACTION:** Notice.

**SUMMARY:** The Bureau of Land Management (BLM) Southern Nevada District Office will accept competitive

bids to select preferred applicants to submit right-of-way (ROW) applications and plans of development for solar energy projects on up to approximately 3,083 acres of public land in Clark County, Nevada.

**DATES:** The BLM will hold an oral auction at 10:00 a.m. Pacific Time on June 30, 2014. Prior to the oral auction, sealed bids will be accepted and carried forward to the oral auction. Sealed bids must be received, not postmarked, by the BLM Southern Nevada District Office at the address listed below on or before June 26, 2014.

**ADDRESSES:** The BLM will hold the oral auction at the City of North Las Vegas Council Chambers, 2250 Las Vegas Blvd., North Las Vegas, NV 89030. Sealed bids, including the bidder qualification fee deposit and required documentation, must be submitted to the Bureau of Land Management, Attention: Gregory L. Helseth, 4701 North Torrey Pines Drive, Las Vegas, NV 89130. Electronic bid submissions will not be accepted.

**FOR FURTHER INFORMATION CONTACT:** Gregory L. Helseth, Renewable Energy Project Manager, by telephone at 702-515-5173 or by email at [ghelseth@blm.gov](mailto:ghelseth@blm.gov). Persons who use a telecommunications device for the deaf (TDD) may call the Federal Information Relay Service (FIRS) at 1-800-877-8339 to contact the above individual during normal business hours. The FIRS is available 24 hours a day, 7 days a week, to leave a message or question with the above individual. You will receive a reply during normal business hours.

**SUPPLEMENTARY INFORMATION:** BLM Nevada has received several solicitations of interest and ROW applications within the Dry Lake Solar Energy Zone (SEZ). The BLM may use a competitive process when there are two or more applications for the same facility or system (43 CFR 2804.23). Applications for solar energy development are processed as ROW authorizations pursuant to Title V of the Federal Land Policy and Management Act.

The BLM will use a competitive sealed and oral bid process to select a preferred applicant to submit a ROW application and plan of development for solar energy development in the Dry Lake SEZ.

The competitive oral auction will begin at 10 a.m. Pacific Time on June 30, 2014, opening with the minimum bonus bid or the highest sealed bid over the minimum bonus bid, whichever is higher. Bidder registration begins at 9 a.m. Pacific Time on June 30, 2014. In order to bid, you must provide the

bidder's name and personal or business address. Each bid can only contain the name of one bidder (i.e., citizen, association or partnership, corporation or municipality). A bidder qualification fee of \$10,000, in the form of a cashier's or certified check made payable to the "Bureau of Land Management", is required from each bidder at the time of registration or with the sealed bid. Only one bidder qualification fee per bidder is required, regardless of the number of parcels bid on. A bidder that submits a sealed bid can also participate in the oral auction but will need to register the day of the auction. The bidder will need to provide a photocopy of the qualification fee that was submitted with the sealed bid or other documentation that the qualification fee was submitted to be able to register for the oral auction. Sealed bids must include the same required information and bidder qualification fee for registration. If a sealed bid is submitted prior to the oral auction, all bidding documents must be enclosed in a sealed envelope with the bidder's name and return address on the outside. Include the following notation on the front lower left hand corner of the sealed envelope: SEALED BID—DO NOT OPEN.

A minimum bonus bid has been determined for each parcel. The minimum bonus bid represents 10 percent of the rent value of the land for 1 year (\$203.06 per acre for Clark County) under the BLM's interim solar rental policy and is based on the interests acquired by a preferred applicant to file a ROW application in a SEZ. Minimum bonus bids for the six parcels are: Parcel 1—\$14,462; Parcel 2—\$4,524; Parcel 3—\$15,406; Parcel 4—\$14,803; Parcel 5—\$10,309; and Parcel 6—\$3,101. Bidders must use a bid statement to identify the bonus amount the bidder would pay to submit a ROW application and plan of development for each parcel. The bonus bid must meet or exceed the minimum bonus bid amount identified above for each parcel. The bid statement format and a complete description of the bid process are contained in an Invitation for Bids package available on the BLM Solar Energy Program Web site at: <http://blmsolar.anl.gov/sez/nv/dry-lake/competitive-leasing/>. All registered bidders will be notified of the results of the oral auction within 10 calendar days of the bid closing. Bonus bids from the successful high bidder(s) and an administrative fee of \$45,317 for each parcel must be deposited within 10 calendar days of notification in the form of a cashier's or certified check made
