The four information collection requirements under this OMB Control Number are information disclosure requirements, Internet posting requirements, recordkeeping requirements, and annual certification requirements. Needs and Uses: FCC staff, State Historic Preservation Officers (SHPO), Tribal Historic Preservation Officers (THPO) and the Advisory Council of Historic Preservation (ACHP) use the data to take such action as may be necessary to ascertain whether a proposed action may affects sites of cultural significance to tribal nations and historic properties that are listed or eligible for listing on the National Register as directed by Section 106 of the National Historic Preservation Act (NHPA) and the Commission's rules.

FCC Form 620, New Tower (NT) Submission Packet is to be completed by or on behalf of applicants to construct new antenna support structures by or for the use of licensees of the FCC. The form is to be submitted to the State Historic Preservation Office ("SHPO") or to the Tribal Historic

Applicants complete TCNS before filing a 620 or 621 and all the relevant data is pre-populated on the 620 and 621 when the forms are filed electronically.
