Agency Information Collection
Activities: Submission for OMB
Review; Comment Request

Periodically, the Substance Abuse and
Mental Health Services Administration
(SAMHSA) will publish a summary of
information collection requests under
OMB review, in compliance with the
Paperwork Reduction Act (44 U.S.C.
Chapter 35). To request a copy of these
documents, call the SAMHSA Reports

Project: Protection and Advocacy for
Individuals With Mental Illness
(PAIMI) Annual Program Performance
Report (OMB No. 0930–0169)—
Extension

The Protection and Advocacy for
Individuals with Mental Illness (PAIMI)
Act at 42 U.S.C. 10801 et seq.,
authorized funds to the same protection
and advocacy (P&A) systems created
under the Developmental Disabilities
Assistance and Bill of Rights Act of
1975, known as the DD Act (as amended
in 2000, 42 U.S.C. 15001 et seq.). The
DD Act supports the Protection and
Advocacy for Developmental
Disabilities (PADD) Program
administered by the Administration on
Intellectual and Developmental
Disabilities (AIDD) within the
Administration on Community Living.
AIDD is the lead federal P&A agency.
The PAIMI Program supports the same

governor-designated P&A systems
established under the DD Act by
providing legal-based individual and
systemic advocacy services to
individuals with significant (severe)
mental illness (adults) and significant
(severe) emotional impairment
(children/youth) who are at risk for
abuse, neglect and other rights
violations while residing in a care or
treatment facility.

In 2000, the PAIMI Act amendments
created a 57th P&A system—the
American Indian Consortium (the
Navajo and Hopi Tribes in the Four
Corners region of the Southwest). The
Act, at 42 U.S.C. 10804(d), states that a
P&A system may use its allotment to
provide representation to individuals
with mental illness, as defined by
section 42 U.S.C. 10802 (4)(B)(iii)
residing in the community, including
their own home, only, if the total
allotment under this title for any fiscal
year is \$30 million or more, and in such
cases an eligible P&A system must give
priority to representing PAIMI-eligible
individuals, as defined by 42 U.S.C.
10802(4)(A) and (B)(i).

The Children’s Health Act of 2000
(CHA) also referenced the state P&A
system authority to obtain information
on incidents of seclusion, restraint and
related deaths [see, CHA, Part H at 42
U.S.C. 290ii–1]. PAIMI Program formula
grants awarded by SAMHSA go directly
to each of the 57 governor-designated
P&A systems. These systems are located
in each of the 50 states, the District of
Columbia, the American Indian
Consortium, American Samoa, Guam,
the Commonwealth of the Northern
Mariana Islands, the Commonwealth of
Puerto Rico, and the U.S. Virgin Islands.

The PAIMI Act at 42 U.S.C. 10805(7)
requires that each P&A system prepare
and transmit to the Secretary HHS and
to the head of its State mental health
agency a report on January 1. This
report describes the activities,
accomplishments, and expenditures of

the system during the most recently
completed fiscal year, including a
section prepared by the advisory
council (the PAIMI Advisory Council or
PAC) that describes the activities of the
council and its independent assessment
of the operations of the system.

The Substance Abuse Mental Health
Services Administration (SAMHSA)
proposes no revisions to its annual
PAIMI Program Performance Report
(PPR), including the advisory council
section, at this time for the following
reasons: (1) AIDD is currently piloting a
PADD PPR. The results of the pilot will
not be available until October 2014 (FY
2015). (2) when the AIDD/ACL PPR is
final, SAMHSA will revise its PPR, as
appropriate, for consistency with the
annual reporting requirements under
the PAIMI Act and Rules [42 CFR Part
51]; (3) SAMHSA will develop a
mechanism to facilitate electronic
submission of the annual PAIMI PPR
and ACR as recommended in the
*Evaluation of the Protection and
Advocacy for Individuals with Mental
Illness (PAIMI) Program, Phase III.
Evaluation Report al Report* (SAMHSA
(2011). *Evaluation of the Protection and
Advocacy for Individuals With Mental
Illness (PAIMI) Program, Phase III. Final
Report*. HHS Pub. No. PEP12–
EVALPAIMI. Rockville, MD: CMHS,
SAMHSA). (4) GPRA requirements for
the PAIMI Program will be revised as
appropriate to ensure that SAMHSA
obtains information that closely
measures actual outcomes of programs
that it funds and (5) SAMHSA will
reduce wherever feasible the current
reporting burden by removing any
information that does not facilitate
evaluation of the programmatic and
fiscal effectiveness of a state P&A
system. The current report formats will
be effective for the FY 2014 PPR reports
due on January 1, 2015.

The annual burden estimate is as
follows:

	Number of respondents	Number of responses per respondent	Hours per response	Total hour burden
Program Performance Report	57	1	26	1,482
Advisory Council Report	57	1	10	570
Total	57	2,052

Written comments and
recommendations concerning the
proposed information collection should
be sent by July 7, 2014 to the SAMHSA
Desk Officer at the Office of Information

and Regulatory Affairs, Office of
Management and Budget (OMB). To
ensure timely receipt of comments, and
to avoid potential delays in OMB’s
receipt and processing of mail sent

through the U.S. Postal Service,
commenters are encouraged to submit
their comments to OMB via email to:
OIRA_Submission@omb.eop.gov.
Although commenters are encouraged to

send their comments via email, commenters may also fax their comments to: 202–395–7285. Commenters may also mail them to: Office of Management and Budget, Office of Information and Regulatory Affairs, New Executive Office Building, Room 10102, Washington, DC 20503.

Together, the Directive and Instruction serve as the Department's procedures for implementing the National Environmental Policy Act of 1969 (NEPA) (42 U.S.C. 4321 et seq.), as amended, and the Council on Environmental Quality (CEQ) regulations for implementing the procedural provisions of NEPA (40 CFR Parts 1500–1508). Pursuant to the CEQ regulations, DHS is soliciting comments on its proposed internal Directive and Instruction from members of the interested public.

DATES: Comments and related material must be received on or before (or, if mailed, postmarked on or before) August 4, 2014 to ensure consideration. Late comments may be considered to the extent practicable.

ADDRESSES: Relevant documents are posted at <http://www.regulations.gov> (Docket ID: DHS–2013–0052) and www.dhs.gov/nepa. These documents include: this notice, the proposed Directive and Instruction, and a synopsis of the Department's administrative record for several proposed new NEPA categorical exclusions (CATEXs).

You may submit comments, identified by “DHS NEPA Procedures,” by one of the following methods:

SUPPLEMENTARY INFORMATION: The Department of Homeland Security (DHS or Department) encourages interested persons to submit written data, views, or comments. Persons submitting comments should include their name, address, and other appropriate contact information. You may submit your comments and material by one of the means listed under **ADDRESSES**. If you submit them by mail or hand delivery, submit them in an unbound format, no larger than 8½ by 11 inches, suitable for copying and electronic filing. If you submit them by mail and would like to know that they were received, please enclose a stamped, self-addressed postcard or envelope. DHS will consider all comments received during the comment period.

The Directive and Instruction establish the policy and procedures DHS follows to comply with NEPA (42 U.S.C. 4321 et seq.) and the CEQ regulations (40 CFR Parts 1500–1508). Together, the Directive and Instruction apply to all of DHS, which is currently comprised of over 20 support and operational components, and help ensure the integration of environmental stewardship into DHS decision making as required by NEPA. The Directive and Instruction serve as the DHS

implementing procedures for NEPA and the CEQ regulations (as required by 40 CFR 1505.1 and 1507.3) and therefore must be read in conjunction with the CEQ regulations.

The Directive and Instruction have been substantially revised to address a number of circumstances and requirements that have arisen since April 19, 2006, the effective date of the original DHS procedures (**Federal Register**, Vol. 71, No. 64, April 4, 2006). Revision of the Directive and Instruction, including additions to the Department's list of NEPA categorical exclusions (CATEXs), was a collaborative effort on the part of numerous DHS environmental and legal professionals from across the Department. These professionals are NEPA practitioners and environmental protection specialists with numerous years of federal NEPA experience, including experience in implementing the 2006 DHS NEPA procedures or Component-specific procedures, and legal practitioners with advanced education and experience advising federal agency project and program managers on NEPA compliance. The DHS Components and offices whose staff contributed to the update of the Directive and Instruction include:

- Sustainability and Environmental Programs (SEP), Office of the Chief Readiness Support Officer, Under Secretary for Management, DHS HQ
- Office of the General Counsel, DHS HQ
- Federal Emergency Management Agency (FEMA)
- United States Coast Guard (USCG)
- Customs and Border Protection (CBP)
- Transportation Security Administration (TSA)
- Immigration and Customs Enforcement (ICE)
- Federal Law Enforcement Training Center (FLETC)
- United States Secret Service (USSS)
- Science and Technology Directorate (S&T)
- National Protection and Programs Directorate (NPPD)
- United States Citizenship and Immigration Services (USCIS)

When originally published in 2006, the Directive and Instruction did not apply to the Components of FEMA, CBP, or USCG; these three Components each maintained their own procedures for implementing NEPA when the Department was established in 2002. This proposed revision to the Directive and Instruction incorporates FEMA, CBP, and USCG into the Department's NEPA procedures and addresses the full scope of DHS activities to which NEPA
